This two-part commentary argues that Chronicles, placed as it is among the 'historical books' in the traditional Old Testament of the Christian church, is much misunderstood. Restored to its proper position as the final book in the canon as arranged in the order of the Hebrew Bible, it is rather to be understood as a work of theology essentially directed towards the future. The Chronicler begins his work with the problem facing the whole human race in Adam-the forfeiture of the ideal of perfect oneness with God's purpose. He explores the possibility of the restoration of that ideal through Israel's place at the centre of the world of the nations. This portrayal reaches its climax in an idealized presentation of the reign of Solomon, in which all the rulers of the earth, including most famously the Queen of Sheba, bring their tribute in acknowledgment of Israel's status (Volume 1). As subsequent history only too clearly shows, however, the Chronicler argues (Volume 2), that Israel itself, through unfaithfulness to Torah, has forfeited its right to possession of its land and is cast adrift among these same nations of the world. But the Chronicler's message is one of hope. By a radical transformation of the chronology of Israel's past into theological terms, the generation whom the Chronicler addresses becomes the fiftieth since Adam. It is the generation to whom the jubilee of return to the land through a perfectly enabled obedience to Torah, and thus the restoration of the primal ideal of the human race, is announced. After creating man and woman, God's first recorded blessing upon them is "be fruitful and multiply." Like the blessings of food and health, the human experience of procreation is so common that we may overlook its importance within the biblical narrative. However, *I Will Surely Multiply Your Offspring*, a comprehensive examination of the progeny blessing, demonstrates that this motif is both prevalent and significant within the Old Testament by tracing its development throughout the redemptive-historical narrative. Viands identifies different progeny blessing traditions associated with the Abrahamic covenant, the Sinai covenant, and the new covenant, and describes their interrelationships as well as their relationship to the universal blessing first found in Genesis 1. This study lays the foundation for a biblical worldview of human proliferation, contributing to contemporary discussions concerning whether humans are obligated to bear children as well as procreation ethics. Arnold Singer is just like any other fifteen-year-old boy growing up in the suburbs - average height, average looks. The love of his life thinks he's a geek ... that is if she notices him at all. Pretty normal, and pretty boring, really. But this normal life is about to change forever. On a school science trip to watch the test firing of a new particle accelerator, Arn is caught up in an accident that propels him into an extraordinary new world. In this new land, Arn is the last human alive. It is populated with mysterious and bloodthirsty creatures, some of whom want him dead, while others see him as their only hope for survival. Can Arn survive in a hostile world and save his new friends? Or has he arrived in time to witness the fall of a mighty empire? An epic tale of love, betrayal and war in a world both familiar and terrifying. In the era in which the Chronicler writes, the pressing question is: How will Judeans reestablish themselves after the Babylonian exile? The Chronicler's answer is to encourage the people of Israel to live out of their memory of God's mercy and compassion. Knowing and cherishing the books of Samuel and Kings, the writer interprets their message differently because the people of his era face new challenges to their life and faith. This commentary highlights the special character of First and Second Chronicles by pointing out subtle ways in which the Chronicler changes the story of Israel. Many of these slight changes in wording reflect theological shifts in the postexilic era. The Chronicler sees a need for a strong spiritual center that is clearly located in the Jerusalem temple and its life of worship and prayer. Alienated northern tribes may enter this religious world by participating in temple worship. New and original materials describe the services and the roles of Levites and priests at the temple. Kings foster worship and demonstrate a spirituality of repentance. Israel can again become a people united if all join together in worship. To the discouraged, this history offers hope! In Word, Like Fire, Valerie C. Cooper argues that the religious, political, and social threads of Maria Stewart's thought are tightly interwoven, such that focusing narrowly on any one aspect would be to misunderstand her rhetoric. Cooper demonstrates how a certain kind of biblical interpretation can be a Rosetta Stone for understanding various areas of African American life and thought that still resonate today. THE FINAL & ULTIMATE DAYS ON EARTH 2020 I have spent the last 32 years of my life as a student of Biblical prophecies and as an end time watchman of the Lord's land of America. The time has come for the house of Israel, to depart from the land of Babylon America. The span of 390 years, as laid down by the Lord from 1620 was over (Eze. 4:9). After the Second World War, immigrants came to heal American financial woes, but her financial health has not healed. The prophesied 390 years was over in 2010; the house of Israeli Americans and immigrants must prepare themselves for their Exodus from the land of America (Jer. 51:9), which is leading for desolation on March 14, 2017. This inevitable downfall will be triggered by the Ballistic Nuclear missiles deployed by the whole world falling on the land of America (Jer. 51:49). I dare to attempt to write something of this magnitude and I am supremely confident that what I am writing is what is written as the Lord's prophecy. The time line schedule and the Dates concerning the Final and Ultimate days on Earth 2020 are those the Lord revealed to me and as written in the scriptures. I strongly encourage every one of you to read every word of the Lord written in this book and you have nothing to lose but everything to gain. I have never been more confident of anything in my entire life. The evidence presented in the scripture, that mighty nation America would be born in the second wilderness 392 years ago (Jer. 5:15; Hos. 2:14), and the sudden 9/11 jet engines of war by the terrorists against the World Trade center and the Pentagon (Ez. 26:9/11), and the sudden destruction are extremely compelling on America!!! You must read His every word and rescue as many American citizens and immigrants as possible from the Lord's land of America (Hos. 9:3; Deut. 26:68). According to the written words of the LORD Almighty in the Bible, The TRUMP from TYRUS will easily win the 2012 American Presidential election. There will be no election in 2016. Why? Both the Trump and the Trumpet will play significant roles in the incursion of THE WRATH. Please read all about these and more in this book. 2008 ECPA Christian Book Award Winner!
