One-Hit Wonders Apr 20 2022 The one-hit wonder has a long and storied history in popular music, exhorting listeners to dance, to teach the world to sing in perfect harmony, to ponder mortality, to get a job, to bask in the sunshine, or just to get up and dance again. Catchy, memorable, irritating, or simply ubiquitous, one-hit wonders capture something of the mood of a time. This collection provides a series of short, sharp chapters focusing on one-hit wonders from the 1950s to the present day, with a view toward understanding both the mechanics of success and the socio-musical contexts within which such songs became hits. Some artists included here might have aspired to success but only managed one hit, while others enjoyed lengthy, if unremarkable, careers after their initial chart success. Put together, these chapters provide not only a capsule history of popular music tastes, but also ruminations on the changing nature of the music industry and the mechanics of fame.

The Velveteen Rabbit: How Toys Become Real Mar 07 2021 Classic Children's Books The Velveteen Rabbit Or How Toys Become Real by Margery Williams The Velveteen Rabbit (or How Toys Become Real) is a children's book written by Margery Williams (also known as Margery Williams Bianco) and illustrated by William Nicholson. It chronicles the story of a stuffed rabbit and his desire to become real, through the love of his owner. The book was first published in 1922 and has been republished many times since. A stuffed rabbit sewn from velveteen is given as a Christmas present to a small boy. The boy plays with his other new presents and forgets the velveteen rabbit for a time. These presents are modern and mechanical, and they snub the old-fashioned velveteen rabbit. The wisest and oldest toy in the nursery, the Skin Horse, who was owned by the boy's uncle, tells the rabbit about toys magically becoming Real due to love from children. The rabbit is awed by this idea; however, his chances of achieving this wish are slight. One night, the boy's Nana gives the rabbit to the boy to sleep with, in place of a lost toy. The rabbit becomes the boy's favourite toy, enjoying picnics with him in the spring; and the boy regards the rabbit as 'REAL'. Time passes, and the rabbit becomes shabbier but happy. He meets some real rabbits in the summer, and they learn that he cannot hop as they do and say that he is not real.

The New Partridge Dictionary of Slang and Unconventional English Nov 27 2022 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus, The Dictionary of Slang and Unconventional English, this two-volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English published sources given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning New to this edition: A new preface noting slang trends of the last five years Over 1,000 new entries from the US, UK and Australia New terms from the language of social networking Many entries now revised to include new dating, new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning – it's rude, it's delightful, and it's a prize for anyone with a love of language.

The Study of Language Sep 01 2020 Easy to follow, simple to understand, broad yet concise coverage - this fundamental introduction now has more study questions and tasks.

Vox Graeca Dec 16 2021 This is a new and enlarged edition of Professor Allen's highly successful book on the pronunciation of Attic Greek in classical times. In this edition, Professor Allen has in particular revised the presentation of the controversial question of stress; the chapter on quantity has been extensively recast; and an appendix has been added on the names of the letters of the Greek alphabet. In addition to the new material, the supplementary notes of the second edition are now incorporated into the main text making this a very convenient book to use.

Video Casebook: Medicine - The Toy Boy and The Burgundy Car Feb 06 2021 This book with CD-ROM is the first in an exciting new series that features real-life case studies with video footage of patients, all of whom have generously provided consent to be involved in this unique learning experience for medical students. Fifty case studies are presented in this book, which provides the presentation, the resolution and the basic science related to each case. The accompanying video sequence allows the reader to see and hear each patient, providing the 'next best thing' to bedside teaching. Through the direct observation of the patient, information is retained more easily than through a traditional textbook format and gives a human interest to the case studies in a way that has never been done before. For preclinical medical students (USMLE Step 1 and UK undergraduates), the basic science involved in each case will be of importance; while at higher levels, in the clinical years and postgraduate study (MRCP, MRCS, USMLE Steps 2 and 3), the clinical aspects of the cases will be of great value with the basic science used for revision.

The Velveteen Rabbit Mar 27 2020 Originally published in 1922, The Velveteen Rabbit has delighted young readers for nearly a century. The story follows a young boy who's given a stuffed rabbit as a Christmas gift. After the rabbit befriends other nursery toys, he comes to the realization that he wants to become a real rabbit. Eventually, the boy becomes ill and is relocated; his room is then disinfected and all the boy's toys are thrown out, including the velveteen rabbit. The rabbit sheds a real tear causing a fairy to appear and turn him into a real rabbit. In 2007, the book was named one of "Teachers' Top 100 Books for Children" by the National Education Association. This elegant, affordable edition includes beautiful, full-color illustrations throughout the book from the original illustrator, William Nicholson. Each image accompanies the text to enhance young readers' experience and immerse them in this captivating story. Reprinted hundreds of times since its initial publication, The Velveteen Rabbit is a timeless children's classic lets young readers experience the true magic of friendship, love, and being honest with oneself.

Syntax - Theory and Analysis Oct 22 2019 This Handbook represents the development of research and the current level of knowledge in the fields of syntactic theory and syntax analysis. Syntax can look back to a long tradition. Especially in the last 50 years, however, the interaction between syntactic theory and syntactic analysis has led to a rapid increase in analyses and theoretical suggestions. This second edition of the Handbook on Syntax adopts a unifying perspective and therefore does not place the division of syntactic theory into several schools to the fore, but the increase in knowledge resulting from the fruitful argumentations between syntactic analysis and syntactic theory. It uses selected phenomena of individual languages and their cross-linguistic realizations to explain what syntactic analyses can do and at the same time to show in what respects syntactic theories differ from each other. It investigates how syntax is related to neighbouring disciplines and investigate the role of the interfaces especially the relationship between syntax and phonology, morphology, compositional semantics, pragmatics, and the lexicon. The phenomena chosen bring together renowned experts in syntax, and represent the consensus reached as to what has to be considered as an important as well as illustrative syntactic phenomenon. The phenomena discuss do not only serve to show syntactic analyses, but also to compare theoretical approaches with each other.

I Was Benny Hill's Toy Boy' -A Life in Variety Oct 14 2021 Kearney presents a revealing look into the life of Jon Jon Keefe, actor, comedian, singer, and companion to the stars. The text offers unique insight into Benny Hill, Billy Ekstein, Tony Bennett, Tommy Cooper, Jimmy Tarbuck, Dusty Springfield, and Eartha Kitt.

The Boy Toy (Mills & Boon Blaze) Jan 29 2023 Relationships are just too much work!

The Student's Concise Hebrew-English Lexicon of the Bible Jul 23 2022 This unique lexicon is designed especially for student use in as convenient a form for reference as possible. Ultimately based on the Christian scholarship out of which Gesenius' great Hebrew-German dictionary evolved in the early nineteenth century, it has made every effort to economize the student's time. The meaning of a Hebrew or Aramaic word has been expressed in a single English word wherever it has been found practicable, and where words occur which learned authorities did not succeed in elucidating, the rendering is in the Authorized English Version, without any indulgent speculations. Although recent generations of biblical scholarship have added much to our knowledge, more time is needed until these insights will find their way into a student's dictionary. In the meantime, this manual will be of good service to the student.

Girls, Boys, Books, Toys May 21 2022 No previous collection of criticism has focused on gender in the broad range of children's literature. No previous collection has embraced both children's literature and material culture. Beverly Lyon Clark and Margaret R. Higonnet bring together twenty-two scholars to look closely at the complexities of children's culture. *Girls, Boys, Books, Toys* asks questions about how the gender symbolism of children's culture is constructed and resisted. What happens when women rewrite (or illustrate) nursery rhymes, adventure stories, and fairy tales told by men? How do the socially scripted plots for boys and girls change through time and across cultures? Have critics been blind to what women write about "masculine" topics? Can animal tales or doll stories displace tired commonplaces about gender, race, and class? Can different critical approaches—new historicism, narratology, or postcolonialism—enable us to gain leverage on the different implications of gender, age, race, and class in our readings of children's books and children's culture?

A Grammar of the German Language ... Second edition ... improved Dec 04 2020

The Routledge Handbook of Contemporary Jewish Cultures Oct 02 2020 The Routledge Handbook to Contemporary Jewish Cultures explores the diversity of Jewish cultures and ways of investigating them, presenting the different methodologies, arguments and challenges within the discipline. Divided into themed sections, this book considers in turn: How the individual terms "Jewish" and "culture" are defined, looking at perspectives from Anthropology, Music, Literary Studies, Sociology, Religious Studies, History, Art History, and Film, Television, and New Media Studies. How Jewish cultures are theorized, looking at key themes regarding power, textuality, religion/secularity, memory, bodies, space and place, and networks. Case studies in contemporary Jewish cultures. With essays by leading scholars in Jewish culture, this book offers a clear overview of the field and offers exciting new directions for the future.

The Velveteen Rabbit illustrated Apr 27 2020 The Velveteen Rabbit illustrated Margery Williams Bianco - THERE was once a velveteen rabbit, and in the beginning he was really splendid. He was fat and bunched, as a rabbit should be; his coat was spotted brown and white, he had real thread whiskers, and his ears were lined with pink satin. On Christmas morning, when he sat wedged in the top of the Boy's stocking, with a sprig of holly between his paws, the effect was charming. There were other things in the stocking, nuts and oranges and a toy engine, and chocolate almonds and a clockwork mouse, but the Rabbit was quite the best of all. For at least two hours the Boy loved him, and then Aunts and Uncles came to dinner, and there was a great rustling of tissue paper and unwrapping of parcels, and in the excitement of looking at all the new presents the Velveteen Rabbit was forgotten.

BOY TOY & OIL Feb 18 2022 Phonics Focus: diphthongs oi, oy. This story is part of the decodable Kiz Phonics Short Stories Series for teaching literacy. The stories are excellent for children who are just beginning to read. Written with the help of a language and early childhood development expert, these stories will bestow on young learners a sense of confidence and satisfaction in being able to read a whole book for themselves. Most stories have the added bonus of providing a good moral or problem solving lesson to children. Each story in our series has a song and video version, which can be found on our site. There are 21 titles in this series: MAN CAT & RAT, RAT ATTACK, BEN VET & PETS, TIM FISH & KITTEN, FOX DOG & LOG, BUNNY & THE BUG, SING KING SING, CHICKENS & FOX, SHANE THE SHEEP, RAIN RAIN GO AWAY, STACY & THE STAR, KATE & THE SNAKE, PETE PEACH & BEES, MIKE RIDES A BIKE, JOE & THE GOAT, CUTE MULE & FLUTE, GOOD COOK & MONKEYS, BOOTS ON THE ROOF, BIRDS GIRLS & FARMER, BOY TOY & OIL, MOUSE and COW

Millennial Monsters Jan 25 2020 Millennial Monsters explores the global popularity of Japanese consumer culture—including manga (comic books), anime (animation), video games, and toys—and questions the make-up of fantasies and capitalism that have spurred the industry's growth.

The Velveteen Rabbit Dec 24 2019 The Velveteen Rabbit or How Toys Become Real was Margery Williams Bianco's first American work, and it remains her most famous. It became an instant classic and has remained so through numerous adaptations in children's theater as well as on radio, television and in the movies. The author's trademark undercurrents of sentimentality and sadness persist in the tale of a small boy whose Christmas present is a toy rabbit. The boy quickly discards the toy after playing with it for a few hours in the bustle of Christmas and relatives. In the nursery the rabbit is looked down on by the fancier wind up toys, but a skin horse tells him they will eventually break, but that the rabbit has the potential to become real. One night when the boy cannot find the china dog he always sleeps with, his Nana gives him the rabbit. The boy comes to adore the rabbit, making it tunnels in his bed, and giving him rides in his wheelbarrow. This happy existence continues until the boy contracts scarlet fever. The rabbit stays with him, whispering to him of the games they will play again when he is better. As the boy gets better his family prepares to take him to the seaside. Although the rabbit looks forward to the seaside very much, the doctor insists he be thrown out and burned along with the other toys for health reasons. While the rabbit is waiting to be burned, he cries a real tear, from which a fairy emerges. The fairy tells the rabbit that he was real to the boy, because the boy loved him, but now she will make him truly real. Later, after the boy has received a new toy rabbit, he sees his old rabbit in the garden. He thinks it looks like his old rabbit, but he does not know that it really is the velveteen rabbit he once loved. The events described are seen from the rabbit's point of view and end on an inspirational uplifting note.

Mudflat Toy Boy Jun 29 2020 Between working two jobs in Seattle to pay the bills, Claire fights off con-men and ex-boyfriends and tries to supervise a teenager. All Claire really wants is a little peace and a lot of quality time with her guy. But at least her current problems are all human. And then a nonhuman murderer moves into the neighborhood and targets Claire. It's enough to make a fortuneteller wish she didn't know any magic. As her small bit of inherited skill compounds her troubles, she and Tarvik must depend on wits and sword to survive. Will they find the Saran wrap in time? ** "After years of writing astrology articles for national magazines, I started playing around with the idea of an astrologer coping with modern life while caught between Seattle reality and neighborhood magic. In that spot, a girl needs a hero. So that's when I dreamed up Tarvik, an irresistible guy whose solutions are sometimes scarier than the problems." ~ Phoebe ~ ** A BookStrand Mainstream Romance

Crosscurrents and Crosscutting Themes Jul 11 2021 In this Third Volume of the series, Research on Education in Africa, the Caribbean and the Middle East, the volume continues with the previously established overarching purpose of publishing chapters that are based upon research conducted in those regions by scholars, many of whom are indigenous to the regions they write about and are, therefore, able to provide cultural insights about relevant issues, as well as nonindigenous scholars who have conducted their studies in countries within the regions or about those regions. This mixture of indigenous scholarship offering emic perspectives and outside scholarship offering etic perspectives continues to be a relative strength and uniqueness of this book series. In addition, several chapters in the current volume constitute collaborations between the authors etic and emic to the contexts about which they write. This bifocality in the gaze cast upon issues covered in this book series has been well received by readers of earlier volumes of the series.

The New Partridge Dictionary of Slang and Unconventional English: A-I Oct 26 2022 Entry includes attestations of the head word's or phrase's usage, usually in the form of a quotation. Annotation ©2006 Book News, Inc., Portland, OR (booknews.com).

Turn that Down! May 29 2020 A humorous look at rock 'n roll, reggae, pop, rap, and all music that tends to be played with the volume up.

Play and Aesthetics in Ancient Greece Sep 13 2021 Explores the connections between art and play in ancient Greek thought, especially that of Plato and Aristotle.

Bridget and Joan's Diary Aug 24 2022 Meet Bridget and Joan: Thelma and Louise on mobility scooters, reluctant residents of the Second Best Magnolia Retirement Home, and lifelong friends joined at the artificial hip. It's been a wild year for the two rebellious wrinkletons: sherry and shoplifting, Sanatogen and sexting, and a mysterious toy boy who threatens their lifelong friendship and possibly even more...

The Velveteen Rabbit Mar 19 2022 The Velveteen Rabbit is not a 'real' rabbit, like the rabbits he meets in the forest. He has seams and is full of stuffing. Still, the Velveteen Rabbit doesn't mind as long as the boy who owns him loves him. One of the rabbit's friends tells him that a toy becomes real if its owner truly loves it. But when the boy leaves home to recover from an illness and is forced to leave his Velveteen Rabbit behind, what will become of his beloved toy? A heartwarming tale of childhood and the transforming power of love, this unabridged version of the children's picture book written by English-American author Margery Williams Bianco was first published in 1922.

What Scotland Taught Me Feb 24 2020 Fresh out of high school, Eva Sonneborn is headed to Scotland with her best friends: scholarly, sarcastic Laurence; gorgeous, ghost-seeing Amber; and responsible, sweet Shannon. They plan to spend the next six months in Edinburgh, enjoying an adventure-filled work-abroad journey before parting ways for college. But when Eva meets Gil, a local bartender, she figures a little innocent flirting won't hurt her relationship with Tony, her ever-faithful boyfriend back home. But just when things turn less innocent with Gil, the trip starts throwing curveballs at not only her but her friends too. By the end of the trip, they've all fallen in love, sometimes with the wrong people - and with consequences that may tear their friendship apart forever... Molly Ringle's growing list of other successful titles include: *The Chrysolmia Stories* 1. Persephone's Orchard 2. Underworld's Daughter 3. Boy Toy Dec 28 2022 An easy-English love story... with a twist! This romance series from Atama-ii Books is designed for learners of English as a second language. It is

suitable for young adults at high school age and above, as stories may contain mature situations. If used in the context of an extensive reading program, we recommend that the reader should be high-A2 or above on the CEFR scale.

Contemporary Sociolinguistics Nov 22 2019 The "common core" of different sociolinguistic schools includes a number of general problems such as the social differentiation of language, the sociolinguistic aspects of bilingualism and diglossia, the typology of linguistic situations, language engineering, national and standard languages and their social functions, etc. Still urgent to the sociolinguists of all countries and all trends is the problem of developing their own methodology and the application of research methods developed by other disciplines to sociolinguistics. The above-mentioned problems constitute the major thrust of this book. It is not merely a summary of studies by a certain sociolinguistic school or even several schools; the main goal of the author is to elucidate a number of major philosophical and theoretical questions, fundamental problems of sociolinguistics and methods of sociolinguistic analysis.
