*The World Record Paper Airplane Book* Nov 19 2019 It's the classic, world's bestselling paper airplane book, grounded in the aerodynamics of paper and abounding with fun. The World Record Paper Airplane Book raises paper airplane making to a unique, unexpected art. This new edition boasts four brand-new models: Stiletto, Spitfire, Galactica, and Sting Ray. Added to its hangar of proven fliers—including Valkyrie, Hammerhead, Vortex, Condor, Pterodactyl, and, of course, the famous World Record Paper Airplane—that makes twenty airworthy designs. Each is swathed in all-new, attention-grabbing graphics and is ready to tear out, fold, and fly. There are at least five models for each design and all-important instructions for how to adjust and throw each plane for best flight. But the planes are just the beginning. The book features tons of cool information on aerodynamics, competitions, and designing your own high-performing models. Readers will learn why paper airplanes fly (and why they crash), the history of Ken Blackburn's world record, and how to organize and win contests. Also included is a flight log and pull-out runway for practicing accuracy.

[Paper Planes](#) Apr 17 2022 The distance we go for Love! All Martin ever wanted was a mother who loved him. At just five-years-old she walked out, leaving Martin to be raised by his grandma and grandad. Life became a constant battle for him, enduring countless traumatic events with his mother, and Linford, the school bully. Martin wished for an escape, and that day came when he met Gerald. Together they endured years of mental and physical bullying. Masking their fears with fun, they created a distraction from all the hurt and upset, by mustering up mischievous adventures packed with adrenalin pumped fun and laughter. However, their fun takes a turn for the worst, and they're both put face to face with a much greater fear than school bullying, a fear that two thirteen year old boys should never have to experience.
