Seeing Central Park Jul 11 2021 An authoritative visual survey of New York City's Central Park, with new photography and updated text For more than 160 years, Central Park has been the centerpiece of New York City, with more than 42 million visits each year. In *Seeing Central Park*, Sara Cedar Miller takes readers through America's most popular and celebrated park, where natural and manmade features are interwoven into a spectacular work of art. Combining superb research and writing with breathtaking photographs, *Seeing Central Park* is not only a guide through every significant design feature but also a gorgeous gift book. Since the book was first published in 2009, the Conservancy has completed a number of renovations and opened new areas of the park, including the Hallett Nature Sanctuary, Rhododendron Mile, and Dene Slope. This updated edition features these landmarks alongside revised entries and new photography throughout. With its pastoral and picturesque landscapes, roads and paths, bridges, buildings, structures, and sculpture, Central Park is a living museum of superb Victorian decorative arts and landscape design. From the Pond to Harlem Meer, it's all covered in *Seeing Central Park*.

Het appartement aan Central Park May 09 2021 'Het appartement aan Central Park' van Fiona Davis begint in New York, 1884. De ongehuwde Sara Smythe krijgt de kans van haar leven als ze door architect Theodore Camden wordt gevraagd om conciërge te worden van het pas opgeleverde Dakotagebouw. Sara neemt de baan aan, maar wordt verliefd op Theo. In 1985 is binnenhuisarchitecte Bailey Camden net uit een afkickkliniek ontslagen, ze is werkloos en heeft geen dak boven haar hoofd. Haar grootvader was een beschermeling van Theodore Camden, maar omdat een bloedband ontbreekt kan ze geen aanspraak maken op het familiefortuin. Haar 'niet' Melinda is wél een directe afstammeling. Wanneer Melinda Bailey een klus aanbiedt om haar appartement in het Dakota te renoveren, grijpt ze die met beide handen aan. Het Dakotagebouw heeft al snel geen geheimen meer voor haar en Bailey doet een paar ontdekkingen met verregaande gevolgen... 'Het appartement aan Central Park' van Fiona Davis is een meeslepende roman over de dunne lijn tussen liefde en obsessie, succes en verval, passie en waanzin.

Barnes & Noble Complete Illustrated Map and Guidebook to Central Park Jan 17 2022 Explore Central Park's more than 150 landmarks and attractions. Six walking tours take you around the Pond, Mall, Lake, Ramble, Reservoir, and Meer. Illustrations of birds and waterfowl and a seasonal guide to flora reveal

the natural wonders. Fifteen pages of maps identify all the paths, roadways, places of interest, and public services. It's a fantastic resource for travelers and native New Yorkers, too.

Central Park Jul 23 2022

Central Park People Jul 31 2020 *Central Park People* is a full-color photo essay with six thematic chapters, which illustrate the multiple ways people use Central Park. From across the globe and nearby, diverse people come to escape the City, engage in active pursuits, relax, take in a show, earn a living, and more. The Park is a unique democratic space, an outdoor landscape work of art built for people to enjoy. The final chapter shows how the Park became a refuge during the time of Covid-19. There is a map of the Park to point out locations shown in the photos.

The Horses of Central Park Oct 26 2022 Twelve-year-old Wendell and his friend Judith help the horses who pull the carriages in Central Park to have one glorious night of freedom.

The Central Park Zoo Dec 04 2020 Countless New Yorkers, as well as visitors from all parts of the world, have experienced an oasis just a few feet off Fifth Avenue in the heart of Manhattan. Since the 1860s, Central Park has been the home of three different zoos: the menagerie, the zoo of 1934, and what is today known as the Central Park Zoo. The Central Park Zoo begins with the menagerie of the 1860s, an impromptu public zoo begun when citizens and circuses started donating animals to the city. It continues in 1934, when Robert Moses-perhaps the most influential man in the city's planning history-built a newer zoo, remembered to this day for its lions, tigers, elephants, and gorillas. It ends with the brand new zoo and exhibits built in 1988 under the supervision of the Wildlife Conservation Society. With stunning, rarely seen images, The Central Park Zoo not only is a treat for the eyes but also comes alive with the barking of sea lions, the soft fur of snow monkeys, the sweet smell of peanut butter, and the taste of "ice cakes"-treats for the zoo residents, of course.

The Falconer of Central Park Nov 03 2020

De weg door het park Aug 12 2021 Emilia heeft altijd geweten dat ze voorbestemd was voor één man haar wederhelft. Ze wist zeker dat ze elkaar zouden herkennen als ze elkaar tegenkwamen, één blik zou voor beiden genoeg zijn. Dat Jack getrouwd zou zijn met een ander kwam geen moment in haar op. Of dat hij een kind zou hebben; op deze William, een vroegwijze kleuter, had ze helemaal niet gerekend. Emilia en Jack krijgen samen een dochter. Als de baby kort na de geboorte overlijdt stort Emilias wereld in elkaar. De aanblik van spelende kinderen in Central Park is te veel voor haar en haar woensdagmiddagen met William dreigen haar ondergang te worden. Wanneer zijn oneindige stroom vragen steeds vaker over de dood van haar baby gaat is ze de wanhoop nabij en dreigt ze alles in haar leven kwijt te raken. Begrijpt niemand haar verlies? Is het zo vreemd medelijden te hebben met jezelf? Al beseft Emilia het zelf niet, William is juist de enige die haar kan redden en haar de ware betekenis en waarde van familie kan laten inzien.

Northern Arterial Hwy, Central Park Ave to New York Post Road, White Plains, Location Approval Feb 06 2021

Het meisje en de nacht Feb 24 2020 Een jonge vrouw verdwijnt in de nacht. Drie vrienden verbonden door een tragisch geheim. Ze zien elkaar na jaren weer terug bij de reünie van hun school... De Franse Riviera, winter 1992 In een ijsskoude nacht, wanneer de campus van een elitaire kostschool geteisterd wordt door een sneeuwstorm, verdwijnen de negentienjarige modelleerling Vinca Rockwell en de filosofieleraar met wie zij een geheime relatie had. Voor Vinca is de liefde 'alles of niets'. Niemand zou haar ooit nog terugzien. De Franse Riviera, voorjaar 2017 De ooit onafscheidelijke Manon, Thomas en Maxime – Vinca's beste vrienden – hebben elkaar niet meer gesproken sinds hun afstuderen. Ze zien elkaar voor het eerst weer terug bij de reünie van hun school. Vijfentwintig jaar geleden pleegden de drie onder vreselijke omstandigheden een moord, waarna ze het lichaam verborgen in de muur van hun gymzaal. Dezelfde muur die nu gesloopt gaat worden om plaats te maken voor een ultramodern gebouw. Wat is er werkelijk gebeurd in die koude nacht, zo lang geleden?

Travel Like a Local - Map of Central Park (Black and White Edition): The Most Essential Central Park (Manhattan) Travel Map for Every Adventure Mar 19 2022 Get Ready For The Adventure Of A Lifetime! So what are you waiting for? Pack your bags, get your Central Park (Manhattan) map and let's get started! Just Click "Add To Cart Now"

Saving Central Park Dec 16 2021 The story of how one woman's long love affair with New York's Central Park led her to organize its rescue from a state of serious decline, returning it to the beautiful place of recreational opportunity and spiritual sustenance that it is today. Elizabeth Barlow Rogers opens with a quick survey of her early life--a middle-class upbringing in Texas; college at Wellesley, marriage, a master's degree in city planning at Yale. And then her move to New York, where she starts a family and, when she finds being a mother and a housewife is not enough, pours herself into the protection and enhancement of the city's green spaces. Interwoven into her own story is a comprehensive history of Central Park: its design and construction as a scenic masterpiece; the alterations of each succeeding era; the addition of numerous facilities for sports and play; and finally, the "anything goes" phase of the 1960s and 70s, which was often fun but nearly destroyed the park. The two narratives continue to entwine as she finds a job in the administration of Central Park, founds the Central Park Conservancy, and transforms both the park and herself--a transformation that has led to the writing of her many books, to travels that have taken her to parks and gardens around the world, and to solidifying the prestige of one of New York's most conspicuous landmarks.

Vlinders in Central Park Aug 24 2022 Voor de fans van Jill Mansell: een heerlijk luchtige en romantische feelgood van Sarah Morgan, die zich afspeelt in New York! De Manhattan-serie 2 – Vlinders in Central Park Alles in New York is groot... ook de liefde! Bloemstylist Frankie Cole gelooft na de desastreuze scheiding van haar ouders niet meer in sprookjesachtige liefde. Mannen houdt ze daarom het liefst veilig op een afstand. De enige man voor wie ze een uitzondering maakt is haar beste vriend Matt – maar dat is zuiver platonisch. Wat ze niet weet is dat Matt al jaren verliefd op haar is. Hij durft alleen niets te laten merken, aangezien hij weet dat ze allergisch is voor alles wat met liefde te maken heeft. Maar ondertussen broedt hij op een plannetje om haar opnieuw te laten geloven in de liefde. Zal hij het erop wagen en haar kussen terwijl de zon ondergaat in Manhattan? Dit boek is eerder verschenen en is ook verkrijgbaar in een 3-in-1 e-bundel

Saving Central Park Jun 22 2022 The story of how one woman's long love affair with New York's Central Park led her to organize its rescue from a state of serious decline, returning it to the beautiful place of recreational opportunity and spiritual sustenance that it is today. Elizabeth Barlow Rogers opens with a quick survey of her early life--a middle-class upbringing in Texas; college at Wellesley, marriage, a master's degree in city planning at Yale. And then her move to New York, where she starts a family and, when she finds being a mother and a housewife is not enough, pours herself into the protection and enhancement of the city's green spaces. Interwoven into her own story is a comprehensive history of Central Park: its design and construction as a scenic masterpiece; the alterations of each succeeding era; the addition of numerous facilities for sports and play; and finally, the "anything goes" phase of the 1960s and 70s, which was often fun but nearly destroyed the park. The two narratives continue to entwine as she finds a job in the administration of Central Park, founds the Central Park Conservancy, and transforms both the park and herself--a transformation that has led to the writing of her many books, to travels that have taken her to parks and gardens around the world, and to solidifying the prestige of one of New York's most conspicuous landmarks.

Central Park Trees and Landscapes Jun 29 2020 The splendor of New York's most famous green space comes alive in this essential companion for nature lovers and travelers to New York. In more than 900 color images, a leading nature writer and a long-time Central Park naturalist detail the park's tree species and their place in the park's iconic landscapes. They show how to identify trees by their needles and leaves as well as by their flowers, fruits, and bark. Historical maps illustrate Manhattan's changing vegetation and depict the various stages of the park's construction. Beautiful photographs of the park's most outstanding trees and landscapes accompanied by historical vignettes conjure the people and events that brought the trees to the park and helped create this

urban oasis. More than a botanical guide, this book cultivates an appreciation of the park as both a natural triumph and an embodiment of the city's varied spirit.

First Annual Report on the Improvement of the Central Park, New York Sep 01 2020

In Memory of Central Park May 21 2022 By 2050, New York City has been encased in a massive terrorist proof shell, and no one can travel in or out. Protected as well from the rising sea, New Yorkers finally feel safe. Few seem to care that the Statue of Liberty has eroded to an unrecognizable stump or that Central Park is just a memory. Within this dark world, Noah, a psychotherapist who has plenty of problems of his own, discovers love in the entirely wrong place, with his brother's wife, Margaret. When people in New York start dying for mysterious reasons, and the Liberty Party silences anyone who speaks out about it, Noah must find a way not only to save his relationship with Margaret, but to save their lives as well. Political satire and aching love story wrapped into one, this powerful, elegantly written novel is a poignant cry to wake up and save ourselves from individual loneliness and collective environmental catastrophe before it's too late.

Central Park reel Oct 02 2020

The Statues of Central Park Mar 02 2023 The Statues of Central Park is the extraordinary photographic tribute to one of the world's most popular recreational destinations and public spaces: New York City's Central Park. The most visited urban park in the United States, with 42 million visitors annually, Central Park is one of the most famous sightseeing spots in New York, in no small part due to its collection of sculptures and monuments erected throughout the park. The Statues of Central Park highlights these sculptures and monuments in one spectacular photography collection, complete with short descriptions detailing the interesting histories of these public art pieces. With visually stunning photographs that capture the essence of the statues and monuments of Central Park, this amazing collection serves not only as a perfect gift, but as a powerful reminder of the importance of art juxtaposed against the grandeur of nature.

De Ashford-affaire Mar 27 2020 'De Ashford-affaire is een traktatie. Het verhaal sleept je mee in de levens van drie generaties in één familie met een ingrijpend geheim. Lauren Willig spint een web van lust, macht en verlies.' - Kate Alcott, New York Times-bestsellerauteur Als advocaat in Manhattan heeft Clementine Evans bijna alles bereikt wat ze wilde. Totdat haar lange uren op kantoor hun tol eisen en zij single wordt op 34-jarige leeftijd. Als haar familie bijeenkomt voor de 99e verjaardag van haar oma Addie, laat een familielid iets vallen over een lang verborgen familiegeheim. Clementine begint een zoektocht die haar leven al snel drastisch zal veranderen. Oma Addie groeide op in het Engelse landhuis Ashford Park tijdens de Eerste Wereldoorlog. Hier werd ze met haar mooie en extroverte nichtje Bea grootgebracht door haar aristocratische oom en tante. Addie en Bea zijn elkaars tegenpolen, maar closer dan zussen. Dan vertrekt Bea met haar man naar Kenia en als Addie haar daar bezoekt is alles anders. Er blijkt iets ergs te zijn gebeurd dat de vrouwen niet met elkaar kunnen delen. Hun sterke band wordt hevig op de proef gesteld.

Creating Central Park Oct 14 2021 The year 2008 marks the 150th anniversary of the design of Central Park, the first and arguably the most famous of America's urban landscape parks. In October 1857 the new park's board of commissioners announced a public design competition, and the following April the imaginative yet practicable "Greensward" plan submitted by Calvert Vaux and Frederick Law Olmsted was selected. This book tells the fascinating story of how an extraordinary work of public art emerged from the crucible of New York City politics. From William Cullen Bryant's 1844 editorial calling for "a pleasure ground of shade and recreation" to the completion of construction in 1870, the history of Central Park is an urban epic--a tale not only of animosity, political intrigue, and desire but also of idealism, sacrifice, and genius.

Central Park Jan 29 2023 De Parijse rechercheur Alice Schafer en de Amerikaanse Gabriel Keyne worden wakker op een bankje in Central Park, aan elkaar geketend met handboeien. De twee kennen elkaar niet en weten niet hoe ze hier terechtgekomen zijn. Het laatste wat Alice zich herinnert is dat ze de avond ervoor met haar vriendinnen uitging in Parijs en het laatste wat Gabriel nog weet is dat hij pianospeelde in een club in Dublin. Nu heeft Alice een vreemd wapen in de binnenzak van haar jas en bloed op haar shirt. Onmogelijk? En toch... 'Onvoorspelbaar en aangrijpend: deze psychologische thriller beneemt je de adem tot aan de spectaculaire ontknoping.' – Metro 'Central Park heeft alles in zich om een bestseller te worden. 400 bloedspannende pagina's!' – RTL (radio)

Unequal Verdicts Jan 25 2020 The jurors. Sullivan not only gives the most complete picture of this celebrated case and how it was fought and decided but also

lays out the complex anatomy of the crime of rape and the laws that concern it. Unequal Verdicts is a tense courtroom drama and an important study of our system of justice. It is an unforgettable lesson.

New York's 50 Best Places to Discover and Enjoy in Central Park (and Other Green Retreats) Dec 24 2019 Newly revised and updated, with an additional guide to some of the other jewels in New York City's park system, New York's 50+ Best Places to Enjoy Central Park and Other Retreats is an entertaining and detailed user's guide to the 843 acres of beauty and wonder that are Central Park. Karen Putnam, former president of the Central Park Conservancy, invites readers to explore the park's rolling lawns, woodlands, ponds, lakes, streams, and much more. The fantastic parks discussed here are not limited to Manhattan. Prospect Park has afternoon birdwatching programs and miles of hiking trails. Other green gems explored include Riverside Park, Fort Tryon Park, and Battery Park, to name a few.

I Am the Central Park Jogger Jan 05 2021 A timeless, “triumphant” (Entertainment Weekly) story of healing and recovery from the victim of a crime that shocked the nation: the Central Park Jogger. Shortly after 9:00 p.m. on April 19, 1989, a young woman jogs alone near 102nd Street in New York City's Central Park. She is attacked, raped, savagely beaten, and left for dead. Hours later she arrives at the emergency room—comatose—she has lost so much blood that her doctors believe it’s a miracle she's still alive. Meet Trisha Meili, the Central Park Jogger. I Am the Central Park Jogger recounts the mesmerizing, inspiring, often wrenching story of human strength and transcendent recovery. Called “Hero of the Month” by Glamour magazine, Meili tells us who she was before the attack—a young Wall Street professional with a promising future—and who she has become: a woman who learned how to read, write, walk, talk, and love again...and turn horrifying violence and certain death into extraordinary healing and victorious life. With “moments of unexpected grace and insights into life’s challenges....Meili’s story—the story the public never knew—is unforgettable” (The Buffalo News).

New York City's Central Park Oct 22 2019 New York City's Central Park is the most visited urban park in the United States, with more than 25 million visitors each year. Designed in 1857 by the man who would become America's most famous landscape architect, Frederick Law Olmsted, and his partner, Calvert Vaux, Central Park was intended to provide New Yorkers with a serene and scenic "rural" refuge from the noise and bustle of city life. Yet transforming the rocky, swampy park site into the rolling meadows, lush woodlands, and pristine lakes would prove an extremely time-consuming and labor-intensive endeavor. Thousands of workers drained marshes, blasted away boulders, and planted a quarter billion trees, flowers, and shrubs to create the 843-acre green oasis in the heart of Manhattan as envisioned by Olmsted and Vaux.

A Description of the New York Central Park Nov 27 2022

212 Views of Central Park Dec 28 2022 A glorious souvenir of Manhattan's unique urban arcadia, 212 Views of Central Park shares the experience of being in Central Park through every season with out-of-town visitors and New York residents alike -- an experience as varied as the park's many structures, landscapes, activities, and environments.

New York Magazine Nov 15 2021 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Fitzgo: the Wild Dog of Central Park Apr 20 2022 The adventures of a stray dog that survives by scavenging in Central Park and eventually goes to live with the author and his wife in a brownstone in Brooklyn.

The Central Park Sep 13 2021 A pictorial history of the development of New York City’s Central Park from conception to completion. Drawing on the unparalleled collection of original designs for Central Park in the New York City Municipal Archives, Cynthia S. Brenwall tells the story of the creation of New York’s great public park, from its conception to its completion. This treasure trove of material ranges from the original winning competition entry; to meticulously detailed maps; to plans and elevations of buildings, some built, some unbuilt; to elegant designs for all kinds of fixtures needed in a world of

gaslight and horses; to intricate engineering drawings of infrastructure elements. Much of it has never been published before. A virtual time machine that takes the reader on a journey through the park as it was originally envisioned, *The Central Park* is both a magnificent art book and a message from the past about what brilliant urban planning can do for a great city.

Alice in Central Park Apr 27 2020 *Alice in Central Park -- Statues in Wonderland* introduces all statues in Central Park in New York City. Photographs focus on the statues, minimizing distractions in the foreground and background. Text identifies the subject, sculptor, donor and location of each statue, with historical comment. The statues appear in the order of their dedication in Central Park, beginning with the 1859 bust of German poet Johann C. F. von Schiller and ending with the 2011 statue of Frederick Douglass, the African American abolitionist. Samuel F. B. Morse, the inventor of the Morse code, is both a donor of one statue and the subject of another. The book tells the stories of all statues in the park through the lens of Mudge's camera and the whimsy of Alice, from *Alice in Wonderland*, of whom there are two statues in the park. *Alice in Central Park* is a book for young and old, visitors to the park, students of sculpture, photography and the park, and Lewis Carroll enthusiasts, who will be fascinated by the greatest concentration of Carrollian statuary in the world. *Alice in Central Park* recommends six walks to meet the statues face-to-face in Central Park.

Central Park Feb 18 2022 Since it opened in 1858, Central Park has been one of New York's most-photographed landmarks. However, while some of the park remains as it was then, much of the park's landscape has changed over the years. Through historic images and contemporary photographs by Denise Stavis Levine, Central Park provides a previously unseen glimpse of the park's hidden history and brings it up to date.

Before Central Park Jun 10 2021 With more than eight hundred sprawling green acres in the middle of one of the world's densest cities, Central Park is an urban masterpiece. Designed in the middle of the nineteenth century by the landscape architects Frederick Law Olmsted and Calvert Vaux, it is a model for city parks worldwide. But before it became Central Park, the land was the site of farms, businesses, churches, wars, and burial grounds—and home to many different kinds of New Yorkers. This book is the authoritative account of the place that would become Central Park. From the first Dutch family to settle on the land through the political crusade to create America's first major urban park, Sara Cedar Miller chronicles two and a half centuries of history. She tells the stories of Indigenous hunters, enslaved people and enslavers, American patriots and British loyalists, the Black landowners of Seneca Village, Irish pig farmers, tavern owners, Catholic sisters, Jewish protesters, and more. Miller unveils a British fortification and camp during the Revolutionary War, a suburban retreat from the yellow fever epidemics at the turn of the nineteenth century, and the properties that a group of free Black Americans used to secure their right to vote. Tales of political chicanery, real estate speculation, cons, and scams stand alongside democratic idealism, the striving of immigrants, and powerfully human lives. *Before Central Park* shows how much of the history of early America is still etched upon the landscapes of Central Park today.

The Bridges of Central Park Sep 25 2022 The bridges of Central Park are whimsically elegant and practical in their efficiency. Straddling great rock formations, roads, bridle trails, footpaths, and waterways, more than 50 ornate bridges and arches enable over 60 miles of pathways to fit neatly within a 1.3-square-mile recreational space on Manhattan Island. Frederick Law Olmsted and Calvert Vaux's competition-winning Greensward Plan of 1857 enabled Central Park to become the first landscaped public urban park in America. Architects Vaux and Jacob Wrey Mould designed the bridges, including some of America's oldest cast-iron spans. These graceful structures provide breathtaking vistas and unique venues for visitors and artisans alike. Standing inconspicuously in most cases and with bold pronouncement in others, they are thoughtfully placed to assure a timeless beauty and ongoing utility. Built at great expense and well integrated with the surrounding natural and engineered terrain, park bridges continue to circulate horseback riders, pedestrians, and horse-drawn carriages effortlessly through the man-made haven. *The Bridges of Central Park* celebrates the beauty and dimension of these structures, which provide relief for crowded paths and are frequently subjects of the photographer's eye.

Weesmeisje nr. 8 May 29 2020 *Weesmeisje nr. 8* is een op feiten gebaseerde, ontroerende roman over het vermogen van mensen om kwaad te doen... en lief te hebben. De vierjarige Rachel Rabinowitz belandt in het Joodse weeshuis in New York, waar dokter Mildred Solomon medische experimenten uitvoert op kinderen. Rachel wordt onderworpen aan een reeks röntgenbehandelingen, waardoor haar gezondheid voorgoed wordt aangetast. Als volwassen vrouw

ondervindt Rachel dagelijks de lichamelijke consequenties van de behandelingen. Desondanks werkt ze als verpleegster in een verzorgingstehuis, waar ze op een dag dokter Solomon onder haar hoede krijgt. Al snel realiseert Rachel zich dat zij nu de macht in handen heeft. Moet ze haar kans grijpen om wraak te nemen, of kan ze de oude vrouw vergeven? 'Onontkoombaar, verontrustend en fascinerend.' - Historic Novels Review 'Een sterk debuut.' - Lambda Literary Review

Run. From Hell to Central Park Mar 07 2021

Het kind in mij wil mindful moorden Nov 22 2019 'Een onderhoudende thriller waarin een ding zeker is: mindfulness is sterk aan te bevelen in de wereld van de georganiseerde misdaad. Zwarte humor alom in dit originele debuut.' – VN's Detective & Thrillergids 'Ik had nooit kunnen denken dat het zo makkelijk was om iemand maandenlang in een kelder gevangen te houden. Dat wil natuurlijk zeggen: gemakkelijk voor iedereen, behalve degene in die kelder.' Nadat voormalig misdaadadvocaat Björn Diemel de principes van mindfulness leerde kennen, heeft dit zijn leven compleet veranderd. Hij is gestopt met zijn stressvolle baan en is zijn eigen bedrijf begonnen. Hij brengt nu eindelijk meer tijd door met zijn dochter en maakt liefdevoller ruzie met zijn vrouw. O ja, en hij runt ook nog – op een ontspannen manier – twee maffiaclans, want hij heeft de baas van de een vermoord en de ander opgesloten in de kelder van een kleuterschool. Waarom kan Björn hier niet gewoon van genieten? Waarom verliest hij steeds zijn geduld? Is hij het doden gewoon zat? Zijn therapeut Joschka Breitner zet hem uiteindelijk op het goede spoor: het is aan Björns innerlijke kind om hier weer uit te komen! 'Net zo origineel als de titel doet vermoeden: dit zit vol verrassingen, is zelfvoldaan, diepzinnig en erg opwindend. Onze absolute misdaadtip!' – SR3 'Vol adrenaline en humor, dit boek is origineel en spannend en staat garant voor ontzettend veel leesplezier.' – Für Sie
