Simon Sinek laat in 'Begin met het Waarom' zien dat organisaties en leiders die zich richten op het Waarom van hun bedrijf succesvoller, invloedrijker en innovatiever zijn. Leiderschapsstijlen kunnen verschillen, maar alle grote, inspirerende leiders hebben één ding met elkaar gemeen: ze weten dondersgoed waaróm ze doen wat ze doen. Toch sneeuwt bij veel bedrijven het Waarom nogal eens onder in de hectiek van de dag. 'Begin met het Waarom' helpt je om het Waarom weer centraal te stellen en zo beter en authentieker leiding te geven en je omgeving te inspireren. Met vele voorbeelden uit de praktijk toont Sinek aan dat het werkt. Dit boek is gebaseerd op de ideeën uit zijn TEDX-talk over leiderschap, waarmee hij wereldwijd de aandacht trok.

In this book, popular Fuji Rumors "X-Pert Corner" columnist Rico Pfirstinger teaches you about the little-known capabilities of the Fujifilm X-T3, which he's discovered through months of in-depth research and experimentation with the camera. After a brief overview of the camera's basic functions, Rico cuts to the chase and provides a plethora of tips and practical instructions not found in the user's manual. This book includes complete coverage of the camera's new firmware features that were introduced in December 2014. The Fujifilm X-E2: Beyond the Manual provides experience-based information and insights for owners of the Fujifilm X-E2 mirrorless system camera. Fuji X-Pert series author Rico Pfisteringer teaches little-known capabilities of the X-E2 that he's discovered through several months of in-depth research. This book focuses on insights that you won't find in the manual, skipping tedious explanations of basic camera functions and operations. Instead, it cuts to the chase and provides readers with a plethora of tips and practical instructions that will enable them to fully explore the capabilities of the X-E2. The X-E2 combines classic design with state-of-the-art digital camera technology originally seen in the X-Pro1 and X-E1 system cameras. These features have been further improved to achieve the X-E2: Fujifilm's most capable camera to-date, with an ever-growing set of already more than ten interchangeable X-Mount lenses. The Fujifilm X-E2: Beyond the Manual presents numerous tips and tricks that will maximize your ability to use the Fujifilm X-E2 to its full potential. In this book, popular Fuji Rumors "X-Pert Corner" columnist Rico Pfisteringer teaches about the little-known capabilities of the X-T1, which he's discovered through months of in-depth research and experimentation with the camera. After a brief overview of the camera's basic functions, Rico cuts to the chase and provides a plethora of tips and practical instructions not found in the user's manual. This second edition includes descriptions of new features and updates to firmware. With this knowledge, you will be able to fully exploit the capabilities of the X-T1. The Fujifilm X-series cameras have amazing features but may require an adjustment period for those new to using these cameras, even photographers who have been lifetime DSLR shooters. This guide will help you to quickly feel comfortable using your camera so that you can achieve excellent results. This book includes complete coverage of the camera's new firmware 4 features that were introduced in July 2015. Topics covered include: • Menu shortcuts • Long exposures • Firmware upgrades • Hybrid autofocus system • Auto and manual focusing • Face detection • ISOless sensor • Dynamic Range expansion • Film simulations • Custom settings • RAW conversion • Panoramas • Movies • Self-timer • Flash • Adapted lenses • And much more... This book includes complete coverage of the camera's new firmware features that were introduced in December 2014. Met alle wildgroei aan inspirerende zelfhulpboeken is het Jen Sincero gelukt om een verfrissend, goudeerlijk boek te schrijven waarin ze je met hilarische en inspirerende verhalen levensveranderende inzichten geeft. In hoofdstukken als 'Je brein is je bitch', 'Angst is voor losers' en 'Het was de schuld van mijn onderbewustzijn' neemt Sincero je mee op een transformerende tour. Ze laat je zien hoe je je financiën, relaties en carrière een boost

geeft en eigenlijk alle geweldige dingen kunt krijgen waar je naar verlangt. Ben je bang om gezien te worden met een zelfhulpboek? Geen zorgen. Sincero was aanvankelijk ook een scepticus en heeft daarom dit boek geschreven met alleen de beste adviezen zonder een new age-sausje. Na het lezen van dit boek ben je een badass, ken je jezelf en snap je waarom je dingen doet, weet je te houden van de dingen die je niet kunt veranderen en de dingen te veranderen waar je niet van houdt, en hoe je het leven gaat krijgen waar je vroeger altijd jaloers op was. In this book, popular Fuji Rumors "X-Pert Corner" columnist Rico Pfiringer teaches you about the little-known capabilities of the Fujifilm X-T4, which he's discovered through months of in-depth research and experimentation with the camera.
