Pregnancy Journal      May 23 2020 Few experiences are more magical than creating a new life and watching it grow in your body. Pregnancy is also a time of many physical and emotional transformations. A pregnant woman's life can be very exciting, disturbing and powerful. After pregnancy, nothing is ever the same. Celebrate and commemorate this special time before your baby is born by keeping a journal. We created our Pregnancy Journal to be: VERSATILE AND PERSONAL: A pregnancy journal is a

place to collect your thoughts, feelings and experiences during pregnancy. Record the moments that take your breath away: the first kick, listening to your child's heartbeat or finding out the baby's gender! It will also serve as your checklist for things you have to prepare before the baby comes out. The best part? This planner becomes a memory book to look back on long after your "baby" is grown. It's the perfect journal to capture your pregnancy journey and a place to record your bump and scan photos. **USEFUL & CONVENIENT** - Keeping a diary while you're expecting can also assist you in focusing on the pregnancy. Putting pen to paper after meticulously collecting your thoughts is extremely rewarding during pregnancy. The best part about it is that you will always have a personal record of your pregnancy that you can later gift to your kids as well. Simple and easy to use, the pages are ready and waiting to be filled. It contains: 80 pages for 40 weeks (2 page/week) Extra pages: 1 name page 1 journal page 1 baby name ideas page 4 to do list 2 Things I have to prepare

**A NOTEBOOK BUILT TO LAST**- We want your journal to last a long time so you can always look back on your previous entries without the worry that it will fall apart. The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. A perfect keepsake that you can always look back into when your baby is all grown up. **WELL-CRAFTED INTERIOR**- We only used thick, white paper to avoid ink bleed-through. The columns are clearly marked to make it easy to fill out and to cross reference. **PERFECT SIZE**- With its 20.3 x 24.4 cm (8" x 11") dimensions, almost the same width as A4 but shorter in height, you can squeeze it into a bag with ease. It's the perfect size- easy to carry! **COOL COVERS!**- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. Sacred Pregnancy Nov 16 2019 In today's western cultures, the typical pregnancy focuses on the baby to the exclusion of the woman herself, so that the entire experience has become more about preparing for the baby's arrival than looking closely at oneself to prepare emotionally for all of the changes that creating a new life brings. Sacred Pregnancy was written to help the pregnant woman journey within herself to prepare for the birth of her baby. Sacred Pregnancy is a gorgeous four-color book especially created for mothers-to-be to reflect on the many personal milestones of the full gestation period of a pregnancy. With beautiful professional photos that correspond to each topic, Sacred Pregnancy also features a journal space for the pregnant woman to record her thoughts and feelings. Each

week the mother-to-be is given information on her baby, her body, and her spirit and is asked to reflect on these via the topic of the week, which touches on a variety of issues such as sexuality, fears about labor, becoming a mother, courage, rite of passage, adornment, body image, meditation, and sisterhood to name a few. Mothers-to-be are invited to look deeply at the issues unique to their journey and find a centered, peaceful place to live their pregnancy fully. Lastly, Sacred Pregnancy includes place for the new mother to record her birth story and a large resource section on various birthing options and supports for pregnant women. "From the spiritual (how to visualize your perfect birth) to the practical (a large section on birthing options), this pregnancy journal is a spiritual adviser and supportive doula all in one." —Fit Pregnancy magazine

Awaiting You: A Pregnancy Journal Aug 18 2022 For the expecting mother yearning to celebrate the joy she's discovering as her heart expands and belly grows.

Embrace: a Pregnancy Journal Nov 21 2022 Pregnancy is an adventure like no other; a time of tremendous physical and emotional change for a mother-to-be. Filled with hopes and dreams, it's also a time during which women make plans, lists, and important decisions — there is much to "embrace." Many women, especially first-time mothers, want a place to record this singular time in their lives. Nikki McClure, a mother herself, inspires with her beautiful artwork, and reassures with her comforting voice in this journal which accompanies a mother-to-be through her nine months of pregnancy and her baby's birth. There is space to record her hopes and wishes for her baby, as well as the big moments of the pregnancy (how she learned she was pregnant, how she shared the news), as well as space to make lists (baby names!), and room for keepsakes (ultrasound photos!). The journal is very much like McClure's popular book, *The First Thousand Days*, a journal for recording the milestones and small but precious moments of a child's first three years of life. *Embrace* inspires joy, trust, love, and courage in moms-to-be, and is a perfect prequel to *The First Thousand Days*.
