The content in this book is derived from practical and evidence-based concepts that has been applied at the elite level. In the past thirty-five years, counter-terrorist units have been

deployed to deal with airplane, ship, train, and bus hijackings. They have rescued hostages in various types of buildings and have dealt with barricaded bank robbers, prison rioters, and assorted dangerous criminals. Thousands have been rescued and millions have been safer because terrorists were aware that elite antiterrorist units were poised to take action should they take hostages. Following the September 11th attack on the World Trade Centre, the mission of many anti-terrorist units has expanded. Some units now track terrorists to their lairs in other countries and strike them there. Despite the significant and growing role of these units, little is known about the way they operate. The selection, training, structure and principles of maintaining such units, together with basic theories of asymmetric warfare are the subject of Thompson's latest work. In a practical, step-by-step guide he analyses the necessary organization of such elite teams, the arming and equipping of units, and methods for a variety of missions from hostage rescue and high-level dignitary protection to securing foreign embassies and counter-WMD strikes. Open the pages of this book and enter the world of the counter-terrorist operator. Includes bibliographies. The 2021-2024 manual outlines the three tracks within the Men's Development Program, including the Club, National, and Elite tracks. Illustrated with black-and-white photographs and instructive artworks and including expert advice throughout, The SAS Self-Defence Manual is a comprehensive guide to self-defence for both men and women. A study by the Bertelsmann Stiftung has come to the conclusion that a billion more people live under dictatorship now than was the case 15 years ago. The findings were the sum of research for the Bertelsmann Stiftung's "Transformation Index" in which the institute analyzed the quality of democracy, the market economy and leadership in 129 countries. While the researchers concluded that the number of people living in democracies rose from 4 billion to 4.2 billion between 2003 and 2017, they also found that 3.3 billion people lived under dictatorship last year compared to 2.3 billion in 2003. The report further warned that growing restrictions on citizens' rights and legal standards was an acute problem in democracies. This investigation is based on facts, but in part is a mockery to the most coward kind of people that lives in the planet on the expenses of the suffering of billions of us. That's why the title says: "fer-pect" instead of "perfect", inspired on the 2004 year Movie "Ferpect Crime" of Alex de la Iglesia, about an ambitious salesman will do anything for that big promotion he's been chasing, but inevitably, he will learn that there is no such thing as the perfect crime. These criminals in power are convinced that will never face justice for their atrocities, but at the end they all finish like cartoon characters.
