Over een moedige en onvergetelijke vrouw die vocht voor vrijheid, erkenning en roem Als iemand een pionier in de journalistiek genoemd mag worden, dan is

het Oriana Fallaci (1929-2006): de tegendraadse journalist, auteur en opiniemaker die met haar onversneden directheid internationale bekendheid verwierf. Waar kwam deze spraakmakende vrouw vandaan, en wat lag er ten grondslag aan haar ambitie? *ORIANA, EEN VROUW* is de geautoriseerde biografie van deze geduchte persoonlijkheid die vanuit een arm, socialistisch gezin in Florence haar weg naar de top van het internationale politieke journaal vocht. Op veertienjarige leeftijd sloot ze zich aan bij het verzet. Sindsdien zou haar leven voor haar altijd een strijd blijven: haar drang naar vrijheid werd

haar belangrijkste drijfveer. Haar volwassen jaren waren turbulent, vanaf haar eerste baan in de journalistiek tot de vele bestsellers die zij schreef, waaronder *EEN MAN*. Ook haar liefdesleven was niet zonder drama en verdriet, waaruit Fallaci inspiratie putte voor haar romans en de ambitie voor een feministisch en hardwerkend bestaan. An introduction to Miroslav Šašek, the world-famous creator of the *This Is* series of children's books, which provided a generation of kids with stylish and humorous illustrated books on the world's great cities. Czech artist Miroslav Šašek (1916-1980) is celebrated for his pioneering approach to

narrative nonfiction picture books, particularly his bestselling This Is series, which began with This is Paris in 1959 and eventually totaled eighteen books. With their distinct visual vocabulary, this witty collection of travel guides illustrating life and culture in a variety of cities and countries around the world from a child's perspective, became immensely popular and garnered many awards. The artist's charming travelogues continue to appeal to adults and children alike, even in a digital age exploding with travel imagery. Acclaimed author Martin Salisbury analyzes Šašek's techniques and how his work not only reflects his architectural

training and the ideas of the midcentury European avant-garde, but also the influence of contemporaries such as Saul Steinberg. In this beautifully designed volume, illustrated with sketches and original artwork from the Šašek Foundation in Prague, with examples ranging from Greece to Hong Kong, Rome to San Francisco, Ireland to Israel, Paris to New York, and more, Šašek's best-known works come alive alongside lesser-known aspects of his practice, such as oil painting. Full of insight into the life and work of a singular talent, Miroslav Šašek will appeal to illustrators and those interested in the midcentury modern period. On

Having moved to Paris in 1947 to study, he chose not to return to Prague after the Communist takeover. He earned a living as a graphic artist and from 1951 worked for Radio Free Europe until his death in 1980. future. Julian Barnes heeft kunst en literatuur zelf moeten ontdekken, en dat gebeurde pas op latere leeftijd. Op een dag bezocht hij het Musée Gustave Moreau, zonder precies te weten wie de schilder was, en werd getroffen door zijn ongewone, weelderige werk. De mystiek van de schilderijen in combinatie met het feit dat hij een 'eigen ontdekking' had gedaan, zette hem in vuur en vlam. Julian Barnes weet hoe kunst je hart kan veroveren en hoe dat op de lezer over te brengen. Hij neemt de lezer mee op ontdekkingsreis langs de romantiek, het realisme naar zijn favoriete stroming, het modernisme. Gepassioneerd en

uitnodigend leert hij ons het werk kennen van grote schilders als Delacroix, Courbet, Manet, Cézanne, Degas, Redon, Bonnard, Magritte, Howard Hodgkin en Lucian Freud. Selections from M. Sasek's most popular children's travel guides compiled into one big look at the United States and its unique history. Celebrated the world over for his famous children's books, master illustrator and storyteller M. Sasek captured the essence of the world's major cities and brought them to life for an entire generation of young readers. Now comes a new edition from the master. Culled from the pages of M. Sasek's

De waterlelieschilderijen van Claude Monet behoren tot de meest geliefde kunstwerken van de vorige eeuw. Al zijn ze nog zo bekend, slechts weinigen weten dat deze rustgevende afbeeldingen werden geschilderd in een periode vol onrust en droefheid van de kunstenaar. Vlak na elkaar brak de Eerste Wereldoorlog uit, verloor Monet zijn vrouw en een zoon en begon hij, inmiddels 71 jaar, blind te worden. Tot overmaat van ramp werd zijn reputatie onder vuur genomen door een

nieuwe generatie kunstenaars - onder aanvoering van Picasso en Matisse - die openlijk afrekende met de impressionisten. Hoewel Monet vocht tegen zelftwijfel, depressie en ouderdom, schilderde hij op gigantische doeken zijn waterlelies, in de hoop dat dit hem weer energie zou geven. Met hulp van niet eerder ontdekte brieven, memoires en ander bronmateriaal en door zich te concentreren op de dramatische omstandigheden waaronder Monet de waterlelies schilderde, schetst Ross King een aangrijpend en origineel portret van de nadagen van deze wereldberoemde schilder.
