But when the promposal goes epically wrong, Theo seeks refuge in an empty bedroom while the party rages on downstairs. Though, as the night goes on, Theo finds he's not as alone as he thinks when, one by one, new classmates join him to avoid who they're supposed be outside the bedroom door. Among them, a familiar acquaintance, a quiet outsider, an old friend, and a new flame . . . With style and nonstop action, Owen West, winner of the Boyd literary award for best military novel of 2001, returns with *Four Days to Veracruz* -- an adventure-thriller that sizzles with international intrigue, relentless suspense, and straight-from-the-headlines consequences. Darren Phillips is a presidential aide, a Harvard graduate, a decorated Desert Storm veteran, and now a husband. Kate North, his new wife, is a world-class adventure racer whom he met on an Eco-Challenge endurance team. When an out-of-bounds kayaking excursion on the couple's honeymoon in Mexico lands them on the private beach of a violent drug dealer, their exotic getaway suddenly turns deadly. And Darren and Kate are, staggeringly, fugitives. They escape to the local police station -- only to enter into a bullet-ridden confrontation with the dealer's federale brother. Broadcasting the carnage and devastation left in the couples' wake, the Mexican government declares them sex-crazed drug couriers and assassins, and the State Department, to avoid an international incident, tags them as murder suspects. But even as they flee, Darren manages to pass a message to his former roommate, teammate, and disgraced Marine corpsman, Gavin Kelly (hero of *Sharkman Six*, West's critically acclaimed first novel). The couple's only hope for survival hinges on Kelly's ability to interpret their message and to rendezvous with them in Veracruz. The couple flees desperately on foot across the badlands of the Sierra Madre, unwittingly carrying a piece of the drug cartel's encrypted communication code with them. As they race toward Veracruz, they are pursued by corrupt Mexican police, federales, and bloodhounds. More terrifying, they are pursued by a man known as *El Monstruo Carnicero* -- "The Monster Butcher" -- a serial killer dispatched from the bloody desert of Juarez by the leader of the Mexican drug cartel. In all their military training, in all their endurance challenges, Darren and Kate have never before been tested as they are now, running for their lives across the wild belly of Mexico. Music charts have been around as long as recorded music and radio programs from *Your Hit Parade* to *American Top 40* have capitalized on the idea of counting down the day's top hits. *Chicago Top 40 Charts 1960-1969* documents those songs that dominated the Midwestern airwaves during that decade- considered by many to be top 40's "golden age." Many of the songs listed did not appear at all on the national charts. Others, including local acts, fared much better in Chicago than in the rest of the country. *Chicago Top 40 Charts 1960-1969* contains an alphabetical listing by title and by artist of every tune listed on the WLS Silver Dollar Surveys during those years. It also lists the top 40 songs of each year and for the entire decade, as well as a supplemental listing of songs on the station's Rhythm-and-Blues chart of 1964. For those who grew up listening to radio in the Windy City as well as for record collectors from anywhere, *Chicago Top 40 Charts 1960-1969* will be a valued addition to any music reference library. This book will help early years educators understand the nature, form, and content of the curriculum for children aged 3 to 7 and the most appropriate ways of presenting it. Though they are older and wiser, not all is as it seems in the lives of Darren, Kiki, and Myra. Best friends to the end, they still have some lessons to learn. In this second book in the *Growing Pains* series, the group struggles with betrayal, loss, and, most importantly, commitment. Through ups and downs, heartache and breakups, Darren, Kiki, and Myra find themselves in a quest for self-assurance, confidence, and good, old-fashioned love. But will history repeat itself? Darren has been known to have a wandering eye, and it's possible he'll cheat again. Will Kiki finally realize the world doesn't revolve around her? Myra has found the true love of her life, but is she happy? Will their children repeat the same mistakes they have? Providing a glimpse into the private lives of couples and relationships, *Growing Pains: Sex, Lies, and Deception* follows the family lives, careers, and love lives of these characters as they make mistakes and celebrate successes. What happens when two gay brothers become friends and then one of them disappears? This question and its answer are threads that run throughout the story of Darren and Brandon Taylor, a story about competition and reconciliation, guilt and redemption, spiritual loss and gain. Growing up in the 1950s and 1960s, Darren and Brandon are the oldest of five sons of an Assembly of God minister. Five years older than Brandon, Darren is the rebel of the brothers, and throughout their lives they compete with each other on various levels. Brandon is the model preacher's kid until he goes away to college. There Brandon does everything Darren did at fifteen and then some. Before the school year is over, Brandon is arrested at a gay bar for a false I.D., and his parents discover he is gay. Brandon moves home. Meanwhile Darren has married a church woman and set out on his goal of becoming wealthy through real estate. His marriage is short and unhappy, and not long after its breakup, Darren himself starts having sex with other men. Despite a six-year relationship with a male lover, Darren hides his sexual orientation. After going away to graduate school in New Mexico in the early 1970s, Brandon moves back to California, lives briefly with Darren and his lover, teaches at local colleges, and works on his painting and drawing, continuing his longstanding pattern of heavy drinking. When Darren's relationship ends, he moves in with Brandon for eleven months. Then Darren buys yet another house, lives in it alone, and soon disappears. Darren's disappearance stuns the family, especially since it apparently results from foul play. When Darren's stripped car is discovered, the evidence of foul play is inescapable. Brandon does what he can to find Darren, including posting fliers at bars Darren frequented, among them the Hollywood leather bars, and placing an article in a gay magazine. Brandon decides he must tell the police Darren was gay, but instead of helping the investigation as Brandon had hoped, the police become even more indifferent. The elder Taylors find out about Darren too, and they tell Brandon a local TV station backed off from covering Darren's disappearance after it discovered Darren was gay. Bitter, angry, and grief-stricken, Brandon tries to cope through his art and his drinking. Although he meets Cary, his first lover in five years, Brandon's drinking gets worse. Eventually, he stops drinking, breaks up with Cary, and begins a new life. 2018 Edgar Award Winner for best novel. When it comes to law and order, East Texas plays by its own rules - a fact that Darren Mathews, a black Texas Ranger working the backwoods towns of Highway 59, knows all too well. Deeply conflicted about his home state, he was the first in his family to get as far away from Texas as he could. Until duty called him back. So when allegiance to his roots puts his job in jeopardy, he travels up Highway 59 to the small town of Lark, where two murders - a black lawyer from Chicago and a local white woman - have stirred up a hornet's nest of resentment. Darren must solve the crimes - and save himself in the process - before Lark's long-simmering racial fault lines erupt. 'In Bluebird, Bluebird Attica Locke had both mastered the thriller and exceeded it. Ranger Darren Mathews is tough, honor-bound, and profoundly alive in corrupt world. I loved everything about this book.' Ann Patchett 'Locke's writing is both sharp-

edged and lyrical. This is thoughtful, piercing storytelling with the power to transport.' Parsons ----- The control freak. The angry man. The lazy guy. The unteachable guy. The promiscuous man. The unbeliever. The lone ranger. The unchurched guy. The new convert. The commitment-phobe. For any woman who has struggled with failed relationships, this may seem like a familiar list. These are the men your friends and family have in mind when they think, "she's with the wrong guy." And while the reasons women choose these types of men are complicated and varied, ultimately, they will all let you down. In She's Got the Wrong Guy, Deepak Reju offers a different kind of dating book, discussing the types of guys women should not marry and offering biblical reasons why they aren't suitable spouses. Writing from his years of experience as a pastor and counselor, Reju shares with women his perspective on how to assess a relationship's strengths from the beginning, how to identify possible pitfalls, and how to have the courage to wait for a relationship that will be a blessing for both of you. Using stories that single women can relate to and highlighting contemporary issues in the modern world of dating, Reju gives readers clear, biblical direction on how to have positive, life-giving relationships with members of the opposite sex. With a strong, Christ-centered focus, women will better understand why they "settle" for less than what God intends for their romantic relationships and learn to put their hopes and find their happiness in Jesus, not marriage.
