The Secret Influence of the Moon Oct 14 2021

The Moon is not a cold, dead rock but a rich, fascinating world just as alive as Earth • Investigates the Moon as the home of an alien intelligence who controls humanity • Examines several of NASA's Apollo missions and the findings they concealed • Reveals the many holes in the "Giant Impact" theory about the Moon's origins and the evidence for a hollow, artificial Moon • Explores the deep influence of the Moon on the collective mind of humanity and occult teachings about the Moon from the Qabalah, tarot, and other sources Despite being the most prominent celestial body after the Sun, the Moon has many qualities that science has yet to explain. Lunar rock samples reveal the Moon once had a magnetic field like

the Earth, and seismic experiments by NASA suggest the Moon is at least partially hollow. For centuries people have observed lights, moving clouds and shadows, and even the disappearance of entire craters via telescope. Apollo astronauts repeatedly felt the presence of a "non-human intelligence" during their Moon visits, and many indigenous traditions speak of malevolent visitors from the Moon. A growing body of astrophysical and geological evidence shows the Moon is not an entirely natural world--that someone or something altered it long ago. Louis Proud explores the phases and movements of the Moon along with its ancient and mysterious features--its craters, maria, rilles, tunnels, and domes. He examines several of NASA's Apollo missions, showing not that NASA faked the Moon expeditions but that they concealed what the astronauts found there. He explains the many holes in the commonly accepted "Giant Impact" theory of the Moon's origins and reveals the evidence for a hollow,

artificial Moon placed in orbit eons ago to observe Earth. Examining the deep influence of the Moon on the collective mind of humanity, Proud looks at what the Qabalah, the tarot, and other occult traditions say about the Moon and interprets G. I. Gurdjieff's teachings that "we are food for the Moon." He investigates the Moon as a gateway to another realm, as the Purgatory of Christianity, and as the home of an alien intelligence who controls and exploits humanity. Examining the Moon from both scientific and esoteric perspectives, Proud shows the Moon is not a cold, dead rock but a rich, fascinating world just as alive as Earth.

*Bring Your "A" Game* Aug 12 2021 The first 10 years of your career can often be the "make it or break it" period. *Bring Your "A" Game* shows you how to define your career plan early on, with sound advice on how to acquire the critical building blocks and time-tested workplace skills you need to get ahead. **His Other Secret (A Stella Fall Psychological Suspense Thriller—Book Three)** Feb 18 2022

When a popular local fitness instructor is found murdered in a wealthy suburb, FBI Special Agent Stella Fall is dispatched to an ultra-exclusive Connecticut coastal town. She soon discovers the town is rife with secrets—and pulls back the veil on a circle of cheating wives who had turned their cycling class into a cult. HIS OTHER SECRET is book #3 in a new

psychological suspense series by debut author Ava Strong, which begins with HIS OTHER WIFE (Book #1). In this insular, exclusive yacht club community, no one is talking; everything seems perfect. But behind the perfect facades, everything, Stella soon learns, is rotten to its core. This gossipy and back-biting town is hiding sinister secrets and vendettas, and Stella, recognizing it from her own past, is determined to use her brilliant mind to probe their psychology and out the killer. Meanwhile, Stella can't help but feel a connection to her new FBI partner. But when she is summoned to unexpectedly confront her demeaning, narcissistic mother about the secrets of her past, old wounds are stirred up in Stella's fragile psyche. The shocking revelations of her childhood may just derail her for good. A fast-paced psychological suspense thriller with unforgettable characters and heart-pounding suspense, HIS OTHER SECRET is book #3 in a riveting new series that will leave you turning

pages late into the night. Books #4-#6—HIS OTHER MISTRESS, HIS OTHER LIFE, and HIS OTHER TRUTH—are now also available.

**Vi's Secret** Dec 24 2019 No person's life exists in a vacuum. To varying extent, we are all shaped by the times, places, events, and people that make up the milieu of our experience. This is well illustrated by this women's life. Born Elvira Claudia Farr in Montana in 1899, "Vi" (as she preferred) was witness to, and strongly subject to societal changes stemming largely from the enormous advances in science, technology, and culture. (An amazing parallel exists between then and now-rapid change and conflict). Her life was filled with competing forces from her beginnings in a affluent family in a small town retaining a vestige of the Wild West (with its cowboys and Indians); to space travel. Her temperament and the times led to a paradoxical existence not easy to decipher. Unique events occurred in her life that were especially challenging. Her way of coping

provides a valuable lesson. Vi lived in fascinating times and fascinating places. Some of those people who had special meaning to Vi will be a surprise to the reader. Her life is a good example of the importance of family lore.

In his accessible book, Giovannetti addresses this contemporary issue by guiding readers through the life of Joseph in the book of Genesis. He answers the question Is contentment possible? with a resounding yes. Biblical wisdom and practical advice will help the reader find contentment in God rather than circumstances.

The author teaches at Tozer Theological Seminary and Simpson University as well as pastoring a church of more than 2,500.

*Body Of Secrets* Sep 25 2022 The NSA is the largest, most secretive and most powerful intelligence agency in the world. With a staff of 38,000 people, it dwarfs the CIA in budget, manpower and influence. Recent headlines have linked it to economic espionage throughout Europe and to the ongoing hunt for the terrorist leader Osama bin Laden. James Bamford first penetrated the wall of silence surrounding the NSA in 1982, with the much-talked-about US bestseller THE PUZZLE PALACE. In BODY OF SECRETS he offers shocking new details about the inner workings of the agency, gathered through unique access to thousands of internal documents and interviews with current and former officials. Unveiling extremely sensitive information for the first time, Bamford exposes the role the NSA played in numerous Soviet bloc Cold War conflicts and discusses its undercover

involvement in the Vietnam War. His investigation into the NSA's technological advances during the last 15 years brings to light a network of global surveillance ranging from on-line listening posts to sophisticated intelligence-gathering satellites. In a hard-hitting conclusion, he warns the NSA is a double-edged sword: while its worldwide eavesdropping activities offer the potential for tracking down terrorists and uncovering nuclear weapons deals, it also has the capacity to listen in on global personal communications.

**Grave Secret** Feb 24 2020 When she was 15, Harper Connelly was struck by a bolt of lightning, which left her with a spiderweb of red over her body, headaches, and episodes of weakness. Sometimes her right hand shakes. And she can find dead people. It's taken a while, but at last Harper's pretty happy with her life: she's making a living, using her unique talent to help people, and she's got a lover - her stepbrother Tolliver. That creeps some people

out, but though they grew up together, and got each other through the real bad times - their parents' drug-use, the abuse, the disappearance of Harper's elder sister Cameron - they're not blood relatives. Then Tolliver's dad arrives on the scene, seeking forgiveness for the sins of their youth, and the police get a tip-off that after all these years, Cameron's been spotted in a mall. With all this going on Harper realises life is getting a little complicated, but she doesn't expect those complications to include Tolliver getting shot, or watching a cop die taking a bullet for her. Harper can find dead people, but now it's clear someone wants her dead ...

Secrets Of High Achievers: What Distinguishes Achievers from Non-Achievers Nov 27 2022

Everyone meets people we call Achievers or High Achievers, and we wonder what is so different about these people? What is it or what are some of the factors that distinguish these

people from us? We all have 24 hours in a day, 7 days in a week, etc. so what on earth is it that makes these people so different to be able to achieve great feats at the rate they do. These and many more questions are what this book is designed to answer. In this book, we examine **WHAT FACTORS SEPARATE OR DISTINGUISH ACHIEVERS FROM NON-ACHIEVERS**. What are the unique characters of high achievers and how do they develop them? What habits help you become a high achiever and how do you develop them yourself? What are high achievers "addicted" to or passionate about? What common action do they take in life to enable them to accomplish so much? I share with you over twenty distinguishing character traits and habits that enable them to accomplish great feats, impact lives, and distinguishes them from us all. This is where your own journey starts. We can achieve a lot more by committing ourselves to maximize our potential, taking the first step, continue taking small steps daily and be

prepared to go through the temporal pains that lead to success. Under-achievers believe that success is based on luck and so, leave things to drift and take no personal responsibility for their progress. AVERAGE PEOPLE BELIEVE IN LUCK; ACHIEVERS BELIEVE IN THE LAW OF CAUSE AND EFFECT. Achievers believe that success consists of little daily effort, and failure consists of little daily neglect. Many people believe they lack the ability and resources to reach their next level of success and prefer to remain within their comfort zone but we need to keep pressing in. Achievers believe that INPUT DETERMINES OUTPUT! They believe that it is not reasonable to expect maximum results with minimum effort. At the end of the day, we are the only ones that can tell whether we are putting our best into achieving our goals or not. "Don't settle for average. Bring your best to the moment. Then, whether it fails or succeeds, at least you know you gave all you had. We need to give the best that is in us." (Angela Bassett) In

[hemicycle.pt](http://hemicycle.pt)

the long run, average actions will yield average results. If we give a dream everything we have, we will get from it everything there is.

**Unlocking the Secrets of Success** Dec 28 2022 Promise yourself to be so strong that nothing can disturb your peace of mind. To talk health, happiness, and prosperity to every person you meet. To make all your friends feel like there is something in them. To look at the sunny side of everything and make your optimism come true. To think only of the best, to work only for the best, and expect only the best. To be just as enthusiastic about the success of others as you are about your own. To forget the mistakes of the past and press on the greater achievements of the future. To wear a cheerful countenance at all times and give every living person you meet a smile. To give so much time to the improvement of yourself that you have no

time to criticize others. To be too large for worry, too noble for anger, and too strong for fear, and to happy to permit the presence of trouble.

### **PERFORMANCE MANAGEMENT The secret of performing regular things extraordinarily well**

Dec 04 2020 This book is the result of my hard work on Performance Management in discussion with a variety of management professionals and academicians. I appreciate the continued support of my family, friends, and colleagues. The book focuses on the critical role of performance management systems in an

organisation, their dimensions, the dangers of a poorly implemented performance management system, the performance management process, team performance planning, review, and management. The book's main focus is on work-based and research-based learning as a critical component of any development initiative aimed at improving performance inside the organisation. The goal is also to conceptualise the performance management system's process and planning. I am confident in the ability of the organisation to create, implement, and use a performance management system that is fair to all stakeholders and encourages better performance. I eagerly anticipate reviews from the readers, of my book. It is supported by empirical evidence. It is practical and contains no gaps in information or steps. It is written in plain English in simple words, with no jargon, and it includes numerous practical examples and templates to meet your needs. The goal of this book is to make it easier to create individual

development plans that influence an employee's personal and professional growth by improving skills, behaviours, and abilities that are needed in both current and future jobs. It is an attempt, in my opinion, to provide a detailed answer for a performance management system.

The Science of Business: The Secret to a Successful Business Oct 22 2019 The economy is in bad shape, economic disparity around the globe fuels perpetual wars and conflict as many people are struggling to live. To alleviate this disparity, we must take positive actions by making our unique world a better place to live, thus diminishing violent wars. For this to happen, one must start at home. Getting a small business started can improve your life and those you love. This book will relate business to immutable laws of nature. When we see how business functions, based on these laws, we know that we cannot fail. The purpose of this book is to give the reader more confidence in themselves and their business. As more people

have more confidence in their business and pursue their passion, they will be happier individuals. If you decide to take these actions, you will begin to reap the benefits immediately. As more businesses in the world grow, technology increases driving the cost of living to go down gradually to zero, making the world a better place.

Success Secrets of Sherlock Holmes Oct 02 2020 Sir Arthur Conan Doyle funneled much of his real-life genius-and the brilliance of others around him-into Sherlock Holmes, creating a character greater than the sum of his parts. In this quirky and intriguing look at the traits that made Sherlock Holmes successful, David Acord explores how to unleash our own genius. Not only does Acord give unique insights into the character of Sherlock Holmes and his creator, but you'll also discover: - How to cultivate a passion for definite and exact knowledge that will help you achieve your goals faster than you thought possible - Why focusing on the little

things is one of the most overlooked keys to success The value to knowing what other people don't know Why you should step up and take credit (death to modesty!) - The importance of admiring your enemy - Why we should all have friends in low places

**Secret Wars** Jun 29 2020 Gordon Thomas has established himself as a leading expert on the intelligence community. He returns here on the one hundredth anniversaries of Britain's Security and Secret Intelligence Services to provide the definitive history of the famed MI5 and MI6. These agencies rank as two of the oldest and most powerful in the world, and Thomas's wide-sweeping history chronicles a century of both triumphs and failures. He

recounts the roles that British intelligence played in the Allied victory in World War II; the postwar treachery of Great Britain's own agents; the defection of Soviet agents and the intricate process of "handling" them; the often frigid relationship that both agencies have had with the CIA, European spy services, and the Mossad; the cooperation between the British and Americans in the search for Osama bin Laden; and the ways in which MI5 and MI6 have fought biological warfare espionage and space terrorism. All told, this is the story of two agencies led by men---and women---who are enigmatic, eccentric, and controversial, and who ruthlessly control their spies. Based on prodigious research and interviews with significant players from inside the British intelligence community, this is a rich and even delicious history packed with intrigue and information that only the author could have attained.

**Decoding the Secret** Feb 06 2021 YOU ARE A LIVING MAGNET! You are where you are today because of the Law of Attraction. The Bible teaches us in Proverbs 23:7 that what a person allows to be part of their dominant thoughts then becomes who they are. Thoughts become things! Let Rich Cavaness and Leo Schreven explain for you how The Secret applies to your life from the Creator God's perspective. Until now there has not been a book that has offered all the pieces to the puzzle - now Decoding The Secret addresses the Law of Attraction from a mental, physical, emotional, financial, social and most importantly, from a spiritual standpoint.

THIS BOOK WILL ADDRESS THESE IMPORTANT QUESTIONS: \* Why do things always seem to go wrong for you? \* Why does money seem to avoid you like the plague? \* Why is your life a living testament of your dominant

thoughts? \* How does God work with the Law of Attraction? \* Why does your lack of faith and belief prevent God's blessing? \* How can you visualize and focus turn dreams into reality? \* Why can your tongue be either a miracle or a curse? Using an open-minded approach, explaining clearly how The Secret is very real in our lives and biblically proven, Rich and Leo, who are living testimonies to the Law of Attraction, will challenge and convince you that there is a God in the Universe who hears and answers your prayers... *Secrets of a Fortune Cookie* Mar 07 2021 What constitutes a “good parent,” and when do they

go too far? We often hear stereotypes associated with strict Asian parenting, and yet, although the accreditations on paper are known to many, still we find ourselves wondering, “But at what costs?” *Secrets of a Fortune Cookie: A Memoir* describes the harrowing journey of author Vanessa Yang, a young woman of Chinese descent, who was born in Singapore and educated in schools across the globe. She experienced a traditional Asian-style upbringing, with no consideration to social development. As a strictly raised Chinese Singaporean expatriate student in international schools, she was also influenced by her friends and peers—and their Western ideals. Her mother’s relentless Eastern upbringing, dominated by an isolated focus on academics alone, was not a productive fit to a teenager’s growing desires to fit in and find encouragement and love. These disparate experiences and lifestyles were the seeds of her vicious teen rebellion against everything her parents honored, and it was these acts of

defiance that ultimately climaxed her insecurities. Satirically funny and heartrending by turns, her story of independent self-discovery brings to light, the aptly pondered detriments of the causes and consequences of stereotypical Asian-style parenting. In the end, the clash of cultures she and her sisters faced drove her to resort to drastic measures in order to find the love and confidence she never received at home. A remarkable memoir with valuable life lessons, *Secrets of a Fortune Cookie* offers an inspiring look at a young woman’s turbulent past.

**The Other Secret** Nov 15 2021 The world is full of emotional vampires—terrifying, destructive individuals who prey upon and feed off the life force of others; draining them of their energy by keeping them in a constant state of fear; leaving them feeling empty, lost, powerless, and paralyzed. It's no wonder that many of us believe we will never be good enough or that we are failures unworthy of happiness. No wonder we don't realize how simple it is to benefit from the secret—the belief that happiness is ours by using the power of the Law of Attraction. The Other Secret can help you change that for yourself. It can not only show you how to heal from an emotional vampire attack, but also provide you with all you need to know to achieve the joy,

love, and success you deserve. When you have been victimized by an emotional vampire, it often seems impossible to imagine that you could ever feel self-confident and happy again. But if you work on healing yourself, the pain can subside and you may find that you are stronger than before. Find new depths of emotion, understanding, and wisdom. Discover that you have more to contribute to the world and other people. Achieve far more than you ever would have if you hadn't been hurt. The Other Secret can start you on your path to recovery through the proven power of the Law of Attraction.

**The Untold Secret of Wealth** Jul 31 2020 This  
book is a coherent toolkit for exploring latent

resources and transforming them into  
compelling enigma and force of cash flow.  
*The Secret to Achieving All Your Goals* May 29  
2020 Never resting on their laurels and always  
moving on to their next goal, people become  
super-achievers only when they believe that  
good enough isn't good enough for them. These  
are the personality types that get everything  
they want out of life. In *The Secret to Achieving  
All Your Goals*, Roger Dawson shares the life-  
changing results of his research into the lives of  
super-achievers. He gives you a perceptive look  
at how behavior determines your success - and  
invaluable advice on how to shape your own  
behavior using specific steps that will help you  
develop the personality of an achiever. Behavior  
is a function of its consequences. This potentially  
complex notion is demystified by Dawson, who  
explains its personal and practical significance  
to you. Through anecdotal stories and analogies,  
he introduces you to the vocabulary of behavior  
modification and gives you a fresh new look at

the way you make decisions and how all your decisions affect your achievements in life. He'll teach you how to master new techniques for taking yourself to the next level of success. How to use behavior shaping to bring out the best in yourself and in others. And you'll learn to stop punishing yourself for failures and move ahead to the next achievement.

*Beyond The Secret* Oct 26 2022 Based on a best-selling documentary film of the same name, this book presents the "Law of Attraction," which, according to the tagline, "has traveled through centuries to reach you." By synthesizing "how to get rich" ideas from classic self-help books by Wallace D. Wattles (*The Science of Getting Rich*), Napoleon Hill (*Think and Grow Rich!*), and Charles Haanel (*The Master Key System*) with twenty-five modern-day self-improvement gurus like Jack Canfield, Bob Proctor, Michael Bernard Beckwith, James Ray, Lisa Nichols, and Joe Vitale, author Rhonda Byrne and her team have created an almost alchemically rich and

compelling promise. They claim that "The Secret" was discovered by such historical luminaries as Plato, da Vinci, Galileo, Napoleon, Hugo, Beethoven, Newton, Edison, and Einstein/ that "The Secret" has existed in fragments in religions, philosophies, and oral traditions for centuries . . . but only now has it all been put together. "The Secret is everything you have dreamed of . . . and is beyond your wildest dreams," trumpet the marketing materials. Could it really be true, or is it just a new spin on the very old (and decidedly not secret) "the power of positive thinking" wedded to "ask and you shall receive"? Alexandra Bruce goes behind the scenes to investigate the phenomenon, from its roots in Australia to the sales bonanza that has seen creator Rhonda Byrne become the most successful debut author in memory. Bruce takes a hard but fair look at the "teachers" featured in *The Secret* and the "Law of Attraction" that is the central theme. To truly understand the significance of *The Secret*, perspective is

needed. Beyond The Secret delivers that and much more.
