The Apocryphal New Testament Apr 15 2022 This collection of apocryphal writings supersedes the best-selling edition by M. R. James, first published in 1924. Since then, several new works have come to light, and the textual base for some of the works previously translated by James is now more secure. In this volume, J. K. Elliott presents new translations of the texts into modern English, together with a short introduction and bibliography for each of them. The collection is designed to give readers the most important and famous non-canonical Christian writings, many of them popular legends with an enormous influence on later, particularly medieval, art and literature, as well as on later beliefs and practices of the Church.

Feminine Mysteries in the Bible May 04 2021 An exploration of the repressed, esoteric feminine mysteries in the Bible through the lives of four women, all archetypes of the sacred prostitute • Shows how these four archetypal women represent the four stages of development of soul consciousness • Reveals how the fear of the power of the sacred prostitute led to a rejection of female sexuality and a destructive dualistic notion of men and women • Explains how the dogma of the Immaculate Conception represents the repression of the divine feminine in Christianity In *Feminine Mysteries in the Bible*, Ruth Rusca unveils sacred mysteries of the feminine and the alchemical relationship of the male and female forces at the heart of the Judeo-Christian tradition. Drawing on over 30 years of research, she explores four archetypal women in the Bible: Tamar, the sacred prostitute; Rahab, the meretrix; Ruth, who redeems the soul; and Bathsheba, the daughter of the Goddess. These women--sacred prostitutes one and all--represent the indestructible feminine life force, the wisdom of the Goddess, and the transformative power of the soul, and they symbolize the four stages of the development of soul consciousness. Mary, mother of Jesus, is the quintessence of these four women, but Rusca shows that the dogma of the Immaculate Conception has repressed the significance of Mary and subverted the divine feminine in Christianity due to the church's fear of women and their life-giving energy. These women pass an imperishable feminine life force from generation to generation, and understanding their lives creates a path to overcoming the destructive tendencies of dualistic "male-female" thinking--a duality that profanes feminine sexuality and mysteries rather than revering and celebrating them.

Mary Magdalene Apr 03 2021 Rediscover the crucial roles held by women within the heart of Christianity. Favourite disciple, influential woman, true believer and follower of Jesus: how do we see Mary Magdalene today? Witness to Jesus' crucifixion and his burial, the first to announce the resurrection, she is without a doubt the most recognizable of the gospels' female figures, a central character in Christianity's foundational story. But centuries of alteration and resizing, of merging several female figures into one, have erased Mary Magdalene's apostolic role and left us with a misrepresentation. They delivered the figure of a quintessential repentant sinner, one in whom sensual beauty and mortification of the body are combined. When we reflect on the "Magdalene case", delving into the folds of history and the arts, and removing misunderstandings and manipulations, we rediscover the crucial roles women have always held within the heart of Christianity, despite their stories often going untold. Adriana Valerio's engrossing retelling of Magdalene's story, founded as it is in historical fact, is an unmissable opportunity to reclaim such roles in a church that remains largely patriarchal to the present day.

Reflections Feb 01 2021 Il problema dell'uomo è di situare l'essenza umana in un vasto quadro di interpretazione. La vita organica obbedisce ai vari influssi che provengono dagli altri pianeti del sistema solare. Se non si cerca di comprendere che la vita umana è strettamente connessa al cosmo, è inutile tentare di concepire la natura stessa dell'uomo ed il suo futuro. Goethe ci ha posto una domanda: "Qual'è la cosa più difficile di tutte? La risposta è: Quella che ti sembra più facile, cioè vedere con gli occhi ciò che ti sta davanti agli occhi. E la cosa che l'uomo vede per prima quando apre gli occhi è la natura...

Vangeli Apocrifi e Testi Iniziatici Jul 18 2022 I vangeli apocrifi sono una serie di scritti che raccontano la vita e le opere di Gesù Cristo ma che, a differenza dei quattro vangeli canonici, sono stati esclusi dal canone cristiano. Contengono infatti messaggi iniziatici ed esoterici non compatibili con i dogmi e la fede cristiana, anzi spesso si trattava di messaggi e di simbologie apertamente in contrasto con l'ortodossia. Quali segreti nascondono testi come il misterioso "Vangelo della Moglie di Gesù", la cui scoperta è stata annunciata soltanto nel 2012? Molti testi apocrifi, come "Il Vangelo di Giuda" o "Il Libro di Enoch infatti una volta scoperti infatti hanno rivoluzionato l'immagine classica di Gesù presentando aspetti inediti e a tratti sconvolgenti di Cristo. Tutti i testi apocrifi del resto sono portatori di messaggi misteriosi, esoterici ed iniziatici, significati oscuri e affascinanti che continuano a porre domande inquietanti agli studiosi di oggi. Il lavoro di Esther Neumann presenta i seguenti testi: - Vangelo di Nicodemo - Vangelo di Pietro - Vangelo di Gamaliele - Vangelo di Filippo - Vangelo di Tommaso - Vangelo di Bartolomeo - Vangelo di Egerton - Vangelo della Verità - Vangelo Esseno della Pace - Protovangelo di Giacomo - Vangelo di Maria Maddalena - Vangelo della moglie di Gesù - Agrapha di Gesù - Vangelo dell'infanzia di Tomaso - Vangelo dello Pseudo-Matteo - Vangelo Arabo dell'Infanzia - Libro dell'infanzia del Salvatore - Dormizione di Maria - Discorso di San Giovanni il Teologo sul riposo della Santa Teotoco - Storia di Giuseppe il falegname

Mary, the Apostles, and the Last Judgment Aug 19 2022 This volume presents a timely contribution to the growing body of scholarship on the apocryphal writings and their reception in the Middle Ages, especially in connection with visual representation. It aims to bridge what often remains disconnected, the visual art and the written text, the early Christian roots and medieval reception, the East and the West, as well as methodologies of various disciplines. The studies in this volume firstly investigate issues related to the Virgin Mary, and through them, also the status, function, and identity of women. Mary and the female element thus represent significant models and/or background figures in fields pertaining to theology, religious studies, textual studies, manuscript studies, and art history in a trans-disciplinary perspective. Secondly, the studies focus on the apostles and the Last Judgment, their visual representations and the use of apocryphal sources. The volume is divided in two parts according to two major topics: Part I dealing with Mary in the Apocrypha, and Part II focusing on the Apostles and the Last Judgment.

Tesori nascosti. I vangeli apocrifi gnostici di Tommaso, Filippo, Giuda e Maria Maddalena Mar 02 2021 I Vangeli apocrifi sono i tesori nascosti della Chiesa o, per meglio dire, nascosti dalla Chiesa, la quale ai suoi esordi, preoccupata che il loro linguaggio spesso oscuro e fantasioso ostacolasse la diffusione del messaggio evangelico e si prestasse a interpretazioni eretiche, li condannò all'oblio escludendoli dalle letture liturgiche. E allorché negli ultimi due secoli molti di essi furono fortunatamente rinvenuti, è stato come riscoprire tesori sepolti da lunghissimo tempo. Fra le gemme più preziose di questi tesori vi sono i vangeli apocrifi gnostici di Tommaso (definito anche Quinto Vangelo con i suoi detti attribuiti a Gesù) e quelli di Filippo, di Giuda e di Maria Maddalena, i quali ultimi gettano una luce per noi nuova, anche se discutibile, su questi due fondamentali seguaci del Maestro. Questi Vangeli - che per il loro fascino e valore storico meritano oggi una rinnovata attenzione - sono accompagnati da commenti esplicativi per renderne accessibili i contenuti spesso ermetici e fantasiosi, testimonianza della spontanea e intensa spiritualità che animava le prime comunità cristiane.

New Testament and Christian Apocrypha Feb 19 2020 This volume of Kleine Schriften reflects Francois Bovon's two major fields of research: Luke-Acts on the one hand, and early Christian Apocrypha on the other. He insists on the ethical and missionary practices of the early Christian communities. The apostle Paul's ethical concern is presented not as an opposition between good and evil, but as a crescendo from the good to the best. The authority of John, the author of the Book of Revelation, is described in a nonhierarchical way as the care of a brother for his brothers and sisters rather than of a father. Women ministry is attested in recently discovered portions of the Acts of Philip. This collection of essays shows also how doctrinal positions were reached in the middle of strong tensions. Such is the witness of the Fragment Oxyrhynchus 840 in favor of a spiritual purification. Francois Bovon is also attentive to the reception of the earliest Christian documents in the Late Antiquity period. As a whole he describes aspects of early Christianity in its variety but also in its unity.

The Protevangelium of James Jun 24 2020 This book is the first modern collection of studies on important aspects of the Protevangelium of James. The volume opens with three chapters on introductory questions, such as the canonical or apocryphal status of the Protevangelium in early Christianity, its date, author and provenance, and the way it adapted and developed earlier traditions about the birth of Jesus. The subsequent chapters first focus on the protagonists Mary and Joseph, after which they discuss the Jewish aspects of the Protevangelium, Salome's manual inspection of Mary, the place and nature of space in the Protevangelium, and the question of the text's consistency and coherence. The final two chapters discuss a series of annunciation scenes in Christian and Islamic literature, which are often heavily dependent on the Protevangelium, and the latter's reception in the Armenian Gospel of the Infancy. The Appendix looks at the Armenian apocryphal text entitled Script of the Lord's Infancy, a witness to the great popularity enjoyed in Armenia by the early Syriac apocryphal stories of Christ's birth and childhood. As has become usual, the volume concludes with an extensive bibliography and a detailed index.

The Gospel of Pseudo-Matthew and the Nativity of Mary May 24 2020 The Gospel of Pseudo-Matthew is one of the most important witnesses in Western Europe to apocryphal stories about the lives of Mary, Joseph, Jesus, and Mary's parents, Anna and Joachim. This apocryphon was also used as the basis for another, the Nativity of Mary, which gained equal popularity. As bestsellers of medieval Christianity, these Latin apocrypha are major witnesses to the explosion of extra-biblical literature in the Western Middle Ages. Despite their apocryphal status, the Gospel of Pseudo-Matthew and the Nativity of Mary proved influential throughout the Middle Ages and into the early modern period, as their popularity and influences may be traced in Christian literature, visual arts, liturgy, and theological perspectives still revered by Roman Catholic theologians. These apocrypha also remain significant works for considering the history of monasticism and the cult of the Virgin Mary. The Gospel of Pseudo-Matthew and the Nativity of Mary draws upon a range of manuscript sources to present comprehensive English translations of the Gospel of Pseudo-Matthew and the Nativity of Mary with full introductions and commentaries, as well as translations of related works with accompanying commentaries.

Encounters with Jesus Jul 26 2020 A candid, compelling portrait of the man who has proved so significant—and so controversial—in Western culture, by two of Europe's best known pioneers of the anthropological study of early Christianity. Destro and Pesce bring the fruit of years of scholarship to bear on a radical figure in Roman Galilee, his encounters with others, and the movement those encounters inspired.
