Reliable Software Technologies – Ada-Europe 2017 Mar 18 2022 This book constitutes the refereed proceedings of the 22nd Ada-Europe International Conference on Reliable Software Technologies, Ada-Europe 2017, held in Vienna, Austria, in June 2017. The revised 15 full papers presented were carefully reviewed and selected from 37 submissions. They are organized in topical sections on runtimes, safety and security, timing verification, programming models, the future of safety-minded languages, mixed criticality.

Joint U.S.-Mexico Workshop on Preventing Obesity in Children and Youth of Mexican Origin Oct 21 2019 The Joint U.S.-Mexico Workshop on Preventing Obesity in Children and Youth of Mexican Origin was initiated by a desire to share experiences regarding the problem of obesity in children and youth of Mexican origin on both sides of the border, with a particular focus on potential solutions. U.S and Mexican researchers, public health officials, industry leaders, and policy-makers engaged in valuable dialogue to share perspectives, challenges, and opportunities. Commonalities and differences in the United States and Mexico regarding risk factors, potential interventions and programs, and need for all sectors to collaborate and make progress toward solving this serious public health problem were also discussed. This dialogue served as a basis to explore a bi-national agenda for addressing this epidemic, which was the ultimate goal of the workshop.

Sanctuary and Asylum Apr 26 2020 The practice of sanctuary – giving refuge to the threatened, vulnerable stranger – may be universal among humans. From primate populations to ancient religious traditions to the modern legal institution of asylum, anthropologist Linda Rabben explores the long history of sanctuary and analyzes modern asylum policies in North America, Europe, and

elsewhere, contrasting them with the role that courageous individuals and organizations have played in offering refuge to survivors of torture, persecution, and discrimination. Rabben gives close attention to the mid-2010s refugee crisis in Europe and to Central Americans seeking asylum in the United States. This wide-ranging, timely, and carefully documented account draws on Rabben's experiences as a human rights advocate as well as her training as an anthropologist. Sanctuary and Asylum will help citizens, professionals, and policy makers take informed and compassionate action.

Appetite for Destruction Mar 26 2020 'APPETITE FOR DESTRUCTION has the best of Wall's Kerrang! features, each bolstered by new, insightful post-scripts. You won't read a funnier rock book\*\*\*\*' MOJO 'Wall is firing on all cylinders' CLASSIC ROCK 'This hilarious tome is a collection of his finest moments... Wall had a great knack from getting under the skin of interviewees' BIG ISSUE Whether it's hanging around with Marillion's Fish in Berlin, seeing Whitesnake fail to ignite 1985's Rock in Rio, talking through old times with Jimmy Page in his Berkshire pile or following Ozzy Osbourne to Moscow, there isn't a rock luminary that Wall hasn't cross-examined or kept the flame burning with at some point over the last thirty years. Here, amongst several pieces, he catches Lars Ullrich just on the cusp of world domination; has dinner with Ritchie Blackmore on the eve of a Deep Purple comeback; and is up all night in LA with W. Axl Rose. APPETITE FOR DESTRUCTION gathers together Wall's journalism for Kerrang!, for whom he was the star writer in their eighties heyday. It also features brand-new introductions to all the pieces, written with maybe less hair but also the benefit of twenty years' hindsight.

Teatro Hispano! Nov 02 2020 First published in 1995. Routledge is an imprint of Taylor & Francis, an informa company.

De eenzame eeuw Nov 14 2021 Een taboedoorbrekende kijk op de eenzaamheid onder jongeren en ouderen in de 21e eeuw 'In De eenzame eeuw wijst Hertz naar de structurele veranderingen die hebben geleid tot onze vereenzamende samenlevingen. [...] Inspirerend.' • • • • • NRC We leven in het tijdperk van de eenzaamheid. We zijn weliswaar beter verbonden dan ooit, maar sociale isolatie blijkt een steeds groter probleem onder jongeren en ouderen, voor zowel mannen als vrouwen. En toch rust er nog altijd een taboe op eenzaamheid. In De eenzame eeuw onderzoekt Noreena Hertz de wereldwijde eenzaamheids crisis en waarschuwt ze ons voor de potentiële gevolgen. Eenzaamheid heeft namelijk niet alleen effect op je gezondheid (vergelijk het met vijftien sigaretten per dag), maar is ook nadelig voor de economie en politiek. Op basis van wetenschappelijk onderzoek en rake kleurrijke verhalen uit de praktijk schetst ze een indringend beeld van dit 21e-eeuwse probleem. Zo 'huurt ze een vriend', volgt ze een cursus gezichten lezen en ontmoet ze inwoners van een verzorgingstehuis die mutsen breien voor hun robotverzorgers. En ook gaat ze dieper in op de vindingrijkheid waarmee we tijdens de coronacrisis verbonden blijven. Hertz levert een uitgekende kijk op alle facetten van eenzaamheid en houdt een indringend betoog over hoe we dit tegen kunnen gaan. Een essentieel boek waarin we zien hoe we in dit eenzame bestaan verzeild zijn geraakt en wat we kunnen doen om de maatschappij weer te verenigen.

Serious Mismanagement and Misconduct in the Treasury Department, Customs Service, and Other Federal Agencies and the Adequacy of Efforts to Hold Agency Officials Accountable Dec 03 2020

Trouble Feb 17 2022 It's late at night, and all Jonah Stem wants to do is to get home and fall into bed. Working long hours as a medical student, he's seen enough drama - not to mention enough blood - for one day But when he hears a scream ring out in the darkness, and an injured woman is on her knees and begging for her life, Jonah finds himself drawn into a dangerous and irrevocable situation. And this situation means trouble. Jonah's intervention will change not only his own life, but also the lives of those he cares about, in ways he never thought possible. A heart-stopping thriller, masterfully told, Trouble is the story of what can happen when you find yourself in way over your head . . .

Routledge Handbook on Offenders with Special Needs Dec 23 2019 Current estimates indicate that approximately 2.2 million people are incarcerated in federal, state, and local correctional facilities across the United States. There are another 5 million under community correctional supervision. Many of these individuals fall into the classification of special needs or special populations (e.g., women, juveniles, substance abusers, mentally ill, aging, chronically or terminally ill offenders). Medical care and treatment costs represent the largest portion of correctional budgets, and estimates suggest that these costs will continue to rise. In the community, probation and parole officers are responsible for helping special needs offenders find appropriate treatment resources. Therefore, it is important to understand the needs of these special populations and how to effectively care for and address their individual concerns. The Routledge Handbook of Offenders with Special Needs is an in-depth examination of offenders with special needs, such as those who are learning-challenged, developmentally disabled, and mentally ill, as well as substance abusers, sex offenders, women, juveniles, and chronically and terminally ill offenders. Areas that previously have been unexamined (or examined in a limited way) are explored. For example, this text carefully examines the treatment of gay, lesbian, bisexual, and transgender offenders, and racial and gender disparities in health care delivery, as well as pregnancy and parenthood behind bars, homelessness, and the incarceration of veterans and immigrants. In addition, the book presents legal and management issues related to the treatment and rehabilitation of special populations in prisons/jails and the community, including police-citizen interactions, diversion through specialty courts, obstacles and challenges related to reentry and reintegration, and the need for the development and implementation of evidence-based criminal justice policies and practices. This is a key collection for students taking courses in prisons, penology, criminal justice, criminology, and related areas of study, and an essential resource for academics and practitioners working with offenders with special needs.

Texas Advance Sheet May 2012 Mar 06 2021

The Incomplete Traveler Jun 09 2021 The Incomplete Traveler is a human story of strength and grit in the face of a series of historical events that lead to the loss of a homeland, and the need to adapt to life in exile. The history of the Fidel Castro revolution, along with the events that preceded it, is woven throughout the experiences of the books main character, Elena, her family, and friends. Survival is the thread that holds the story together, as Elena faces her circumstances with humor and acceptance. An important contribution of the book is to connect future generations of Cuban exiles

to the historical and emotional roots of their ancestors.

Fixer-Upper Jan 04 2021 This charmer just needs a little attention... Spinning Hills, Ohio sure is sweet, which might be why the Amador brothers are not only renovating the town 's lovely houses, but settling down in them. Because there 's nothing more blissful than coming home to a houseful of love... Masquerade parties were not exactly Johnny Amador 's thing—until he found himself captivated by a witty, dark-eyed young woman in a peasant costume. Even her mask couldn 't obscure her beauty. Only after a disastrous case of mistaken identity did he discover that his mystery woman was none other than Marissa Medina, his best friend 's youngest sister—which brings a whole new set of challenges. Marissa never forgot the night she and Johnny kissed—the feelings that flared to life. Not that she 's going to give the too handsome, too sexy charmer a chance. She knows how dangerous Johnny is and she can 't surrender to him at any cost. But that 's a tall order now that he 's showing how dedicated he is to turning his own fixer-upper—and his life—into the stuff of her dreams.

Vendedor de sonhos Jun 21 2022

Business Finance' 2007 Ed. Mar 01 2023

Made in Brazil Jan 24 2020 Made in Brazil: Studies in Popular Music serves as a comprehensive and thorough introduction to the history, sociology, and musicology of twentieth-century Brazilian popular music. The volume consists of essays by scholars of Brazilian music, and covers the major figures, styles, and social contexts of pop music in Brazil. Each essay provides adequate context so readers understand why the figure or genre under discussion is of lasting significance to Brazilian popular music. The book first presents a general description of the history and background of popular music in Brazil, followed by essays that are organized into thematic sections: Samba and Choro; History, Memory, and Representations; Scenes and Artists; and Music, Market and New Media.

The Brazilian Sound Nov 26 2022 At the second International Song Festival in 1967, Milton Nascimento had three songs accepted for competition. He had no intention of performing them--he hated the idea of intense competition. In fact, Nascimento might never have appeared at all if Eumir Deodato hadn't threatened not to write the arrangements for his songs if he didn't perform at least two of them. Nascimento went on to win the festival's best performer award, all three of his songs were included soon afterward on his first album, and the rest is history. This is only one anecdote from The Brazilian Sound, an encyclopedic survey of Brazilian popular music that ranges over samba, bossa nova, MPB, jazz and instrumental music and tropical rock, as well as the music of the Northeast. The authors have interviewed a wide variety of performers like Nascimento, Gilberto Gil, Carlinhos Brown, and Airto Moreira, U.S. fans, like Lyle Mays, George Duke, and Paul Winter, executive Andr é Midani; and music historian Zuza Homem de Mello, just to name a few. First

published in 1991, *The Brazilian Sound* received enthusiastic attention both in the United States and abroad. For this new edition, the authors have expanded their examination of the historical roots of Brazilian music, added new photographs, amplified their discussion of social issues like racism, updated the maps, and added a new final chapter highlighting the most recent trends in Brazilian music. The authors have expanded their coverage of the *ax é* music movement and included profiles of significant emerging artists like Marisa Monte, Chico Cesar, and Daniela Mercury. Clearly written and lavishly illustrated with 167 photographs, *The Brazilian Sound* is packed with facts, explanations, and fascinating stories. For the Latin music aficionado or the novice who wants to learn more, the book also provides a glossary, a bibliography, and an extensive discography containing 1,000 entries. Author note: Chris McGowan was a contributing writer and columnist for *Billboard* from 1984 to 1996 and pioneered that publication's coverage of Brazilian and world music in the mid-1980s. He has written about the arts and other subjects for *Musician*, *The Beat*, the *Hollywood Reporter*, the *Los Angeles Times*, *L. A. Weekly*, and the *Los Angeles Reader*. He is the author of *Entertainment in the Cyber Zone: Exploring the Interactive Universe of Multimedia* (1995) and was a contributor to *The Encyclopedia of Latin American History and Culture* (1996). Ricardo Pessanha has worked as a teacher, writer, editor, and management executive for CCAA, one of Brazil's leading institutes of English-language education. He has served as a consultant to foreign journalists and scholars on numerous cultural projects relating to Brazil. He has contributed articles about Brazilian music to *The Beat* and other publications.

Verblind Aug 23 2022 WIE KUN JE É CHT VERTROUWEN? Het is laat op de avond en Jonah Stem wil alleen nog maar naar huis en naar bed. Hij maakt lange dagen als arts in opleiding en heeft voor een dag wel genoeg drama's en bloed gezien. Maar terwijl Jonah naar huis loopt, hoort hij geschreeuw. Iemand wordt beroofd. Hij ziet een bloedende vrouw op haar knieën zitten, smekend om hulp. Die kan hij natuurlijk niet weigeren. Jonah's heroïsche reddingsactie verandert echter langzaam in een nachtmerrie als de prijs die hij moet betalen voor zijn hulp hoger uitvalt dan hij ooit had kunnen vermoeden... 'Eindelijk, een thriller die echt alles in zich heeft ... Jesse Kellerman is the real thing.' HARLAN COBEN

Het gras is altijd groener in Brazilië Oct 13 2021 Brazilië kwalificeert zich keer op keer voor het WK en werd al vijf keer wereldkampioen. In de zomer van 2014 wordt het WK in Brazilië gehouden. Voetbal is onlosmakelijk verbonden met Brazilië. Het gras is altijd groener in Brazilië vertelt hoe voetbal de Braziliaanse identiteit bepaalt en het land zelfs vooruit heeft geholpen. Braziliaanse voetbal en de nationale voetbalhelden worden beschreven tegen de achtergrond van de ontwikkelingen in het land - o.a. de komst van de militaire dictatuur begin jaren zestig en het democratiseringsproces in de jaren tachtig. Grote spelers als Barbosa, Garrincha en Pelé komen uitvoerig aan bod. Het gras is altijd groener in Brazilië is een bijzonder en oorspronkelijk portret voor alle voetballiefhebbers. Het Braziliaanse voetbalverhaal wordt in dit boek meeslepend verteld en staat tegelijkertijd vol boeiende weetjes en serieuze informatie. Voor alle soorten voetballiefhebbers en Brazilië fanaten. Ook Nederlandse spelers als Hiddink, Sneijder en Robben komen aan bod.

Advances in Tourism, Technology and Systems Jul 22 2022 This book features a collection of high-quality research papers presented at the International Conference on Tourism, Technology & Systems (ICOTTS 2021), held at the University of Cartagena, in Cartagena de Indias, Colombia,

from 4 to 6 November 2021. The book is divided into two volumes, and it covers the areas of technology in tourism and the tourist experience, generations and technology in tourism, digital marketing applied to tourism and travel, mobile technologies applied to sustainable tourism, information technologies in tourism, digital transformation of tourism business, e-tourism and tourism 2.0, big data and management for travel and tourism, geotagging and tourist mobility, smart destinations, robotics in tourism, and information systems and technologies.

**Festival and Event Tourism Sep 12 2021** Festivals and events vary from small, neighbourhood celebrations through to mega gatherings, and both can be attractive to tourists. They come with their own unique challenges and opportunities however, which means destinations must carefully consider their responsibility to local people, and host them in a sustainable manner. Covering important issues such as the marketing, branding and promotion of events, this book also unravels the opportunities and challenges associated with sustainable festivals and events. It uses an array of case studies and a global author team to provide an important resource for tourism and event researchers and professionals.

**Copersucar-Fittipaldi: The full story of Brazilian Formula-1 Jun 28 2020** It documents the events that took place inside and outside the backstage of each Grand Prix from 1975 to 1980 that affected the team's performance on the tracks. It brings a summary of the best articles, articles, interviews, statements and photos presented in journalistic reports published at the time, showing the reader all the effort and overcoming the setbacks that these fearless brothers went through. This is what made them victorious, whose attitudes we must all aim for. They are winners because they managed to let go of financial interests and easy successes to invest all their energies in the realization of a great dream, an ideal. This is the greatest and best example that they set for all our young people today and tomorrow. The purpose of the sponsorship was to show the world that Brazil was not commanded by chiefs or that the Japanese descended from their liners in rowboats to exchange native products for baffles. That in Brazil there was an industrial park and high-tech development centers, in addition to a brave and fearless people, who are not afraid of adversity. The Fittipaldi brothers showed the world that we, despite the Tupiniquins, can match any enterprise with the same quality and competence as the most developed countries. What we lack is to support our initiatives with respect and patriotism. Demanding victories in such a technologically sophisticated and complex enterprise in the early years, shows that in the field of wisdom and humility we are still underdeveloped.

**Focus On World Festivals Feb 23 2020** A contemporary overview of festival activity based on over 30 international case studies. It demonstrates how the nature of festivals crosses borders, how they are a recognisable and growing part of societal and cultural delivery around the globe and that their impacts, economic, social and cultural are a major driver in their development.

**Government Gazette Jul 30 2020**

**FCC Record Oct 25 2022**

**Annual Report Aug 31 2020**

**Latin American Classical Composers Jan 16 2022** Now in its third edition, Latin American Classical Composers provides a singular English-language resource for biographical information on hundreds of composers from Central and South America and the Hispanic Caribbean. Gathered from a variety of sources, it fills the gaps left by other major English-language music dictionaries and encyclopedias.

Billboard Nov 21 2019 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Scent of a Killer Oct 01 2020 The hunter has become the prey ... The headless corpses of three men are found in a London side street. Their mutilated torsos are witness to an unspeakably agonizing death. It becomes chillingly clear that this discovery is a horrific message to the Metropolitan Police - and to one officer in particular. DI Stacey Collins finds herself on the hunt for a psychopathic killer. But it would seem that this is no ordinary homicide ... all the victims had themselves been predators, terrorizing the innocent. Is this a twisted vigilante mission, or something far more sinister? Meanwhile, Collins must battle her own demons as the MET's Internal Affairs department investigate her past and her connections to London's underworld. Collins faces her toughest challenge yet - torn between justice and revenge

Vendedor de sueños Dec 27 2022 ?Vendedor de Sueños está compuesto por 26 capítulos llenos de detalles que muestran cómo se prepara un festival de estas características. Pero lo más interesante es que podremos emocionarnos con episodios sorprendentes, capítulos amenos, situaciones curiosas y muchas veces surrealistas.? (Web Actualidad Literaria) ?La desilusión es una perniciosa plaga para este empresario, cuya biografía autorizada, escrita por Marcos Eduardo Neves, se titula Vendedor de sueños (Nowtilus). Sobre todo lo es para un modelo de negocio como el de Rock in Rio, en el que los patrocinadores son cruciales.? (Diario Digital El País) ?Su padre le enseñó a soñar con neveras y estufas que pintaba de colores chillones para diferenciarse de las blancas de la competencia. Él, Roberto Medina, imagina megaconciertos por el mundo con su idea, Rock en Río.? (Web BBC) ?Y es que el periodista Eduardo Neves ha escrito el 'Vendedor de sueños', libro que narra la vida del empresario y publicista brasileño antes de la llegada de Rock in Rio a España. La obra editada por la casa Nowtilus, destapa en 26 capítulos el camino que Medina ha recorrido para convertirse en un modelo a seguir.? (Diario Digital El Mundo) La biografía del creador de Rock in Río, el festival musical más grande de la historia, un hombre incansable capaz de reunir a figuras como Freddie Mercury, Bob Dylan, Santana o Alejandro Sanz. Roberto Medina es una de esas personas cuyo diccionario no contiene la palabra imposible, uno de esos soñadores que crecen al mismo tamaño de sus sueños, su padre tenía una tienda de electrodomésticos y ahí empezó su carrera, actualmente es el creador y director de Rock in Río un festival que ha contado con los nombres más grandes de la historia de la música, por el que han pasado, desde su creación en 1985, más de 4 millones de personas y más de 400 grupos que han tocado más 500 horas de música. Vendedor de sueños es la historia de un Quijote, de un soñador incansable que sueña sueños inmensos y siempre los vuelve realidad. Marco Eduardo Neves consigue construir una biografía divertida, emocionante y llena de historias sorprendentes que consiguen dar cuenta del personaje. Nos enseñó cómo Medina consiguió que Frank Sinatra grabara su primer spot publicitario y diera en Río uno de los conciertos más memorables de su carrera, y todo para hacer una campaña publicitaria de una marca de whisky. También nos relata los problemas y las alegrías de la creación de Rock in Río que comenzó siendo una estrategia para revitalizar una marca de cerveza y terminó siendo un festival gigante que aún continúa siendo uno de los más importantes en el panorama internacional. Razones para

comprar la obra: - Esta biografía es una historia de lucha y esperanza, la apasionada historia de un hombre que tuvo un sueño gigante y luchó por conseguirlo. - Medina fue capaz de reunir a los más grandes representantes de la historia del rock y su actividad aún no ha acabado, Rock in Río sigue siendo el mayor festival internacional de música. - Un libro plagado de historias y anécdotas protagonizadas por las personalidades más relevantes de la política el deporte y la música actual. - La trayectoria periodística del autor se nota en cada uno de los párrafos, construyendo una biografía exacta y que engancha al lector desde la primera a la última página. La historia del creador de Rock in Río desde sus inicios, la biografía de un hombre capaz de realizar todo aquello que se propone y que, además, nunca olvida de dónde viene ni que tiene una obligación con el mundo y con los más desfavorecidos.

Latin American Classical Composers Dec 15 2021 Contains biographical data on hundreds of composers from Latin America: dates of birth and death, information on their background and training, a selective listing of their works, and sources for further study, with an index of composers by country.

Texas Advance Sheet January 2012 Apr 07 2021

Money, credit, and banking: The importance of studying Jan 28 2023

The Sounds of Latinidad May 28 2020 The Sounds of Latinidad explores the Latino music scene as a lens through which to understand changing ideas about latinidad in the New South. Focusing on Latino immigrant musicians and their fans in Charlotte, North Carolina, the volume shows how limited economic mobility, social marginalization, and restrictive immigration policies have stymied immigrants' access to the American dream and musicians' dreams of success. Instead, Latin music has become a way to form community, debate political questions, and claim cultural citizenship. The volume illuminates the complexity of Latina/o musicians' lives. They find themselves at the intersection of culture and politics, often pushed to define a vision of what it means to be Latino in a globalizing city in the Nuevo South. At the same time, they often avoid overt political statements and do not participate in immigrants' rights struggles, instead holding a cautious view of political engagement. Yet despite this politics of ambivalence, Latina/o musicians do assert intellectual agency and engage in a politics that is embedded in their musical community, debating aesthetics, forging collective solidarity with their audiences, and protesting poor working conditions. Challenging scholarship on popular music that focuses on famous artists or on one particular genre, this volume demonstrates how exploring the everyday lives of ordinary musicians can lead to a deeper understanding of musicians' role in society. It argues that the often overlooked population of Latina/o musicians should be central to our understanding of what it means to live in a southern U.S. city today.

George Michael Apr 19 2022 The definitive biography of George Michael, offering an expansive look at the troubled life of the legendary singer, songwriter, and pop superstar George Michael was an extravagantly gifted, openhearted soul singer whose work was both pained and smolderingly erotic. He was a songwriter of true craft and substance, and his music swept the world, starting in the mid-1980s. His fabricated image—that of a hypermacho sex god—loomed large in the pop culture of his day. It also hid—for a time—the secret he fought against revealing: Michael was gay. Soon his obsession with fame would start to backfire. As one of the industry's most privileged yet tortured men began to self-destruct, the press showed little sympathy. George Michael: A Life explores the

compelling story of a superstar whose struggles, as well as his songs, continue to touch fans all over the world. Acclaimed music biographer James Gavin traces Michael ' s metamorphosis from the shy and awkward Georgios Kyriacos Panayiotou into the swaggering, dominant half of the leading British pop duo of the 1980s Wham!; he then details Michael ' s sensational solo career and its subsequent unraveling. With deep analysis of the creative process behind Michael ' s albums, tours, and music videos, as well as interviews with hundreds of his friends and colleagues, *George Michael: A Life* is a probing, definitive portrait of a pop legend.
