Mercury Records was founded in 1945 and soon became a major force in jazz and blues, classical, rock, and country recording. This five-volume discography provides a listing of all recordings made or issued by the Mercury label and its subsidiaries (Blue Rock, Cumberland, Emarcy, Fontana, Limelight, Philips, Smash, and Wing) as well as leased and purchased materials and recordings by independent labels distributed by Mercury. Much of the discography is devoted to recording session listings, which include details on personnel, recording dates, and master and issue numbers. Each volume ends with an artist index, which includes all the names appearing in the session listings of the volume. In addition to providing details on stereo/mono master number equivalences, and information on various formats, the fifth volume concludes with a general artist index, including all the names which appear in the earlier volumes. This discography is invaluable to all who seek details on the music and artists recorded in the second half of the twentieth century. A collection of essays by a minister about his experiences among the Primitive Baptists. The Best Short Stories of Yi Kwang-Su (PB) By Chang-Wuk Kang, M.D. Yi Kwang-Su (1892-1950) has undisputedly produced some of the greatest literary works to ever come out of modern Korea. Here is a collection of his short stories, some of which have never before been published in English. He has written over twenty-eight novels, innumerable short stories, poetry collections, treatises, and countless commentaries from literature to art and science—not to mention culture and humanity—and published in all of the available paper media of his time in Korea. His writing style revolutionized Korean literature and the written language itself. These stories abound with Buddhist-themed meditations on matters of the human spirit and soul, as well as his thoughts on overcoming karmic condemnations. His consistency and the sincerity in his writing are such that one cannot help but believe that he practiced what he preached. He was a moralist, and his writing very didactic. It's not surprising that he asserts that without religion, one cannot improve one's character. The last two short stories in this collection were written during the period from shortly before the end of the WWII to Korean Independence in 1948. The chaotic and uncertain situation of Korea, along with harsh criticism, forced him to remove himself to the countryside and to live on a farm like an ordinary farmer, even maintaining an ox. Around that time he also stayed in a temple by the grace of his cousin, Yi Hak-Su. It was a time of meditation and refuge for him. There he worked on his spiritual journey, although he never wore a monk's robe. He accumulated as many experiences as he could, and then he decided to pursue further education. Chang-Wuk Kang, M.D. translates these works beautifully, richly capturing the essence of Yi Kwang-Su's style and the culture of Korea. He begins the compilation with a biographical summary of Yi Kwang-Su's life as well as his political influences and literary impact on Korea. (2016, Paperback, 214 pages) Georgia is a part of the Caucasus region, located at the intersection of Eastern Europe and Western Asia. It is bounded to the west by the Black Sea, to the north and east by Russia, to the south by Turkey and Armenia, and to the southeast by Azerbaijan. Georgia covers a territory of 69,700 square kilometres (26,911 sq mi), and its approximate population is about 3.716 million. Georgia is a motherland of Iberian or Kartvelian languages: Georgian, Svan, Megrelian and Laz, a language family native to the South Caucasus. This diverse collection is devoted to a wide range of linguistic works, such as descriptive studies of the Kartvelian languages and Georgian sign language, along with some theoretical contributions, dialectology, lexicography, psycholinguistics and computational linguistics, as well as history, ethnography, religion and educational issues. These articles are not only the best studies of Kartvelology but also clearly show its contribution to world science. A catch phrase is a well-known, frequently-used phrase or saying that has `caught on' or become popular over along period of time. It is often witty or philosophical and this Dictionary gathers together over 7,000 such phrases. On the 200th anniversary of Charlotte Brontë's birth, Penguin is publishing the definitive biography of this extraordinary novelist, by acclaimed literary biographer Claire Harman Charlotte Brontë's life contained all the drama and tragedy of the great Gothic novels it inspired. Like Jane Eyre she was raised motherless on remote Yorkshire moors and sent away to brutally strict boarding school at a young age. Charlotte grew up and watched helpless as, one by one, her five beloved siblings sickened and died; by the end of her short life, she was the only child of the Brontë clan remaining. And most fascinating and tragic of all, throughout her adult life she was haunted by a great and unrequited love - a love that tortured Charlotte but also inspired some of the most moving, intense and revolutionary novels ever written in the English language. Charlotte was a literary visionary, a feminist trailblazer and the driving force behind the whole Brontë family. She encouraged her sister Emily to publish Wuthering Heights when no-one else believed in her talent. She took charge of the family's precarious finances when her brilliant but feckless brother Branwell succumbed to opium addiction. She travelled from Yorkshire to Europe to the bright lights of London, met some of the most brilliant literary minds of her generation (Elizabeth Gaskell, Charles Dickens, William Thackeray), and became a bestselling female author in a world still dominated by men. And in each of her books, from Villette and Shirley to her most famous, Jane Eyre, Charlotte created brand new kinds of heroines, inspired by herself and her life, fiercely intelligent women burning with hidden passions. This beautiful produced, landmark biography is essential reading for every fan of the Brontë family's writing, from Jane Eyre to Wuthering Heights. It is a uniquely intimate and complex insight into one of Britain's best loved writers. This is the literary biography of the year; if you loved Claire Tomalin's Charles Dickens, this event is not to be missed. Mercury Records was founded in 1945 and soon became a major force in jazz and blues, classical, rock, and country recording. This five-volume discography provides a listing of all recordings made or issued by the Mercury label and its subsidiaries (Blue Rock, Cumberland, Emarcy, Fontana, Limelight, Philips, Smash, and Wing) as well as leased and purchased materials and recordings by independent labels distributed by Mercury. You will find comprehensive reviews of hotels and restaurants, from family-style "cabanas" and humble "sodas" to luxury hotels and gourmet dining establishments as well as nearly 40 maps and city plans to steer you on the right course. Set in a small Australian farming town on the edge of a national park, Jake and the PB's is an exciting tale of adventure for boys and girls between the ages of 7 and 11 years. A sequel to the ever-popular Jake's Secret, the book tells the story of Jake and his best mate, Sam, Ricky, the class nerd, Tom, the school bully, and Janey, the girl next door; a group of ordinary kids with extraordinary super-powers. Joined by their friend Chadwick, a colorful magic elf with a large, round, yellow face, Jake and his PB's take magical powder that shrinks them in size, allowing them to fit inside a hovering, flying car that travels back and forth through time. Dedicated to the motto Protect and Assist, the group of friends travels forward in time in an effort to save a habitat of koalas that are at risk from a local farmer who wants to clear his land. Discover what other exciting adventures await Jake and his friends, as they career through time, trying to return to their own era, before the effects of the magical powder wear off Glynis Bloomfield grew up in a small farming town in Victoria, Australia and now lives in the beautiful seaside city of Warrnambool in southwest Victoria.A retired primary and special schoolteacher, Glynis has taught all over Australia, and in the UK, and Middle East. She is the author of two previous children's books: Jake's Secret and Lara Long Legs. Her next book will be a picture book story entitled Who Will Play with Molly May? Publisher's website: http://sbpra.com/GlynisBloomfiel The definitive work on the subject, this Dictionary - available again in its eighth edition - gives a full account of slang and unconventional English over four centuries and will entertain and inform all language-lovers. Tampa Bay Magazine is the area's lifestyle magazine. For over 25 years it has been featuring the places, people and pleasures of Tampa Bay Florida, that includes Tampa, Clearwater and St. Petersburg. You won't know Tampa Bay until you read Tampa Bay Magazine. When the train pulls into the station in Jenkensville, Arkansas, Patty Bergen senses something exciting is going to happen. German prisoners of war have arrived to make their new home in the prison camp. To the rest of the town these prisoners are only Nazis, but to Patty, a young Jewish girl with a turbulent home life, one of the young soldiers becomes an unlikely friend. Anton understands her in a way her parents never could and Patty is willing to lose her own family, friends and even freedom for a boy who becomes the most important part of her life. After a tragic car accident in her early twenties, Sharon knew her life was spared for a special purpose. She didn't know what that purpose was, though. Her life progressed guided by the big dream she created as a little girl: becoming a mommy. But suddenly Sharon's life came to a complete and abrupt halt, and her purpose was revealed. Nothing could have prepared this young mother for what she was about to encounter. With her husband, Brian, by her side along with God's love and guidance and a village of people, she would have never thought this unexpected blessing was really her dream come true. Readers will journey through Sharon's roller coaster of emotions when she received the news her daughter was destined to be "special." You will be transported into Sharon's life, learning how she dealt with the many emotional and physical aspects of raising a child with special needs. Read how God never left this family's side and guided them to live a happy and fulfilling life with lots of love and laughter""but not without tears. A shocking tragedy once again found this mother and father unprepared. It shows us that God's plan is bigger than we are and that he will never give us more than we can handle. Sharon and Brian have to dig deep, hang on to each other, and not lose sight of God's intended purpose for them. So many decisions are made. This encyclopedia of collectibles includes feature articles on over 85 of the leading manufacturers, plus the latest detailed information and pricing on over 50,000 collectibles. Profiles of more than 200 artists are included, as well as 32 pages of beautiful full-color photography showcasing over 250 products. For over threescore years Cyrus H. Gordon's scholarship and teaching have provided new directions to the study of the ancient Near East. This collection of 34 essays in honour of his 90th birthday, edited by three of his former pupils, celebrates his fascinating and remarkable achievements and reflects his broad command of ancient studies. The global impact of his research can be seen from the geographical dispersion of the outstanding scholars who have written here on the following topics: archaeology, Bible studies, Ugaritic, Aramaic, Arabic, Egypto-Semitic, the cuneiform world, Indo-European, Samaritan, the Graeco-Roman world, mediaeval studies. The inclusion of a complete bibliography of Gordon's works is of singular value. A catch phrase is a well-known, frequently-used phrase or saying that has `caught on' or become popular over along period of time. It is often witty or philosophical and this Dictionary gathers together over 7,000 such phrases.
