Who Is Trump, Really? Apr 20 2020 WHO IS TRUMP, REALLY, combined three illustrated books about Trump that combine satiric illustrations with commentary on the 2016 election campaign. The first in the series: Trump Is Extinct...Or May Be Soon! compares Trump to extinct beasts and early humans. Trump Is Nuts! compares him to assorted nuts, from pecans and peanuts, and ends with him headed to the nuthouse. Finally, Trump Is an Animal! compares him to the many male animals who fight for power, territory, and mates, because he fights so much. All of these books are available separately, but here they are combined in a single book.

Michael Cohen Tells It All Jan 18 2020 "Disloyal: The story of the former private legal professional to President Donald J. Trump," which he revels sordid tales about the President. Mr. Cohen claims that he had unique access to Mr. Trump, a man with "no real friends," who trusted Mr. Cohen a lot that his phone contacts were synced together with his very own, "I used to be Trump's first call every morning and his final call at night". It was also reported that the publication of his tell-all was allegedly forestalled by the authorities according to a federal judge. Mr. Cohen, 53, pleaded guilty in 2018 to campaign finance violations and other crimes stemming from a scheme to pay hush money to two women who said they had affairs with Mr. Trump before he was president. Mr. Trump has denied the accusations. He has since been serving a 3years sentence in Otisville, New York, about 75 miles northwest of New York City. He stated Trump's relentless willingness to lie, exaggerate, misinform and control. Mr. Cohen writes, "I stiffed contractors on his behalf, ripped off his business companions, lied to his wife Melania to cover his sexual infidelities, and bullied and screamed at all of us who threatened his course to power. This book gives a narrative history of the ever-changing cast of characters, who enabled Trump to be Trump.

Inside Trump's White House Aug 17 2022 After dozens of books and articles by anonymous sources, here is finally a history of the Trump White House with the President and his staff talking openly, on the record. In Inside Trump's White House, Doug Wead offers a sweeping, eloquent history of President Donald J. Trump's first years in office, covering everything from election night to the news of today. The book will include never-before-reported stories and scoops, including how President Trump turned around the American economy, how he "never complains and never explains," and how his actions sometimes lead to misunderstandings with the media and the public. It also includes

exclusive interviews with the Trump family about the Mueller report, and narrates their reactions when the report was finally released. Contains Interviews with the President in the Oval Office, chief of staff, Mick Mulvaney, Jared and Ivanka Kushner, Donald Trump, Jr., Eric and Lara Trump, and White House insiders.

Trump Feb 28 2021 Gezaghebbend en actueel! 'Waarschijnlijk het meest complete en genuanceerde boek over Trump tot nu toe.' - The Boston Globe 'De meest onthullende passages vallen samen in een fascinerend beeld... Trump, de schaamteloze acteur, wordt sneuer en driedimensionaler in dit uitstekende boek.' - Evan Thomas, The Washington Post Gezaghebbend, actueel en provocerend: deze door een team van bijna dertig journalisten samengestelde biografie van Donald Trump schetst een complex beeld van een man die - tegen alle verwachtingen in - de 45e president van de Verenigde Staten werd. Wie is Donald J. Trump? Ondanks decennia van nauwkeurig onderzoek zijn vele aspecten van zijn leven nauwelijks bekend. Om Trump volledig te doorgronden, verzamelde The Washington Post een team van journalisten en onderzoekers wier research tot het winnen van meerdere Pulitzers hebben geleid. Zij onderzochten alle aspecten van Trumps onwaarschijnlijke levensverhaal: van zijn bevoorrechte jeugd in Queens tot het winnen van de Amerikaanse presidentsverkiezingen. De auteurs kregen voor dit boek ongekeerde toegang tot Trump en hebben hem meer dan 20 uur kunnen interviewen. Zij stelden kritische vragen over zijn alliantie met power broker Roy Cohn, zijn vermeende banden met de georganiseerde misdaad en zijn controversiële deals in New York, Atlantic City, Florida, Schotland en Azerbeidzjan. Ze onderzoeken zijn enorme rijkdom, de evolutie van zijn politieke denkbeelden, zijn bijzondere identiteit als miljardair, celebrity, wereldmerk, televisiester en president van de Verenigde Staten. Hoe heeft zijn leven zijn denkbeelden over economie, immigratie, wereldhandel, terrorisme en vrouwen gevormd? Dit is een essentieel boek voor iedereen die deze veelzijdige man wil kunnen begrijpen.

How Trump Stole America Jun 22 2020 "How Trump Stole America" is a parody of the Dr. Seuss holiday classic, "How the Grinch Stole Christmas," that is humorous and hopeful and is sure to delight readers of all ages this holiday season. At a time like this, one can't help but wonder what some of the great voices of humor past would say if they were alive today. This book provides welcome lightness at a time when things are looking fairly dark for Americans.

In America Jan 22 2023 While much of the US media and the professional political classes whip themselves into a frenzy as to how President Trump got into office and how he is behaving there, the views that really matter - as always - are those of the voters. In her first book, RTÉ's former Washington Correspondent Caitríona Perry goes beyond the news reports and delves into the American heartland where she witnessed the rise of Donald Trump at first hand. Speaking to the people who voted for President Trump, she brings to the table the voices of the American people who, too-long ignored and on the edges of an increasingly divided society, rallied their votes and shook the world. In speaking to the workers of the industrial heartland, the women of America, the voices of the immigrant communities, In America answers the question everyone is asking in the wake of one of the most shocking election results in modern times - how did this happen? A new afterword reflects on Donald Trump's presidency to date and revisits the people spoken to in 2016, giving a valuable insight into what we can expect from election 2020. Top 10 book on the Donald Trump presidency. The Independent, UK Nominated for the BGEIBAS Non-Fiction Book of the Year Award 'An illuminating travelogue which helps to shed some light on the multifarious reasons why ordinary voters backed the reality TV star.' The Independent (UK). 'A revealing and insightful piece of reportage by a journalist who refuses to become part of the story.' The Sunday Business Post 'In America is a

worthwhile and eminently readable book ... the version of Trump's America that Perry presents brings many essential and revealing factors into sharp focus.' The Irish Times 'A tour-de-force analysis of the current state of play in American politics.' Larry Donnelly, political commentator and lecturer in the School of Law at NUIG 'Spellbindingly good. Journeying across America, Caitríona Perry masterfully takes us into the hearts and minds of those who voted for Donald Trump. A triumph of a book.' Prof. Gary Murphy, Head of the School of Law and Government, DCU

Donald Trump White House Archives Aug 05 2021 The 45th President of the United States is Donald J. Trump. He thinks that the US has enormous potential and will surpass all of its current accomplishments. Dr. Kimberly B. Carter provides a comprehensive, eloquent history of President Donald J. Trump's administration in *Donald Trump White House Archives*. The book will contain scoops and never-before-told tales about how America changed under Donald Trump's presidency, how he "never complains and never explains," how his actions occasionally cause misunderstandings with the media and the public, and one of Donald J. Trump's most important remarks to the country, which was his final address to the nation in Washington.

The Donald Trump Papers Jul 16 2022 THE DONALD TRUMP PAPERS is a collection of fairy tales, monster myths, kids' stories, cartoons, poems, and commentary about Trump's improbable campaign and presidency. It features thoughts, along with photos and illustrations, on recent news about Trump's campaign, election, and first months of taking office. Today, as the U.S. faces all kinds of challenges and the White House has been in continuous conflict and chaos, the topics covered in these papers are more relevant than ever. The book is divided into these sections: - Fairy tales and myths, including "Little Red Riding Hood and the Big Bad Trump," "Three Little Pigs and the Big Bad Trump," and "Chicken Little and the Boy Who Cried Trump" - Children's stories for adults, featuring "The Battles of Donnie and Teddy" - Cartoon books, featuring "Trump Is Extinct...or May Be Soon " "Trump Is Nuts " and "Trump Is an Animal " - Poems, including "Dear Donald Trump, What's Wrong with the FBI?" and "Dear Donald Trump, Are We Going to War? The author Gini Graham Scott began writing these papers as a columnist for the Huffington Post, and she teamed up with artist Nick Alexander who contributed most of the illustrations. She is the author of over 150 books, 50+ with traditional publishers, and 150+ with her company Changemakers Publishing, which specializes in business, self-help, and social trends.

The Baron Trump Collection Oct 15 2019 This collection unites Ingersoll Lockwood's classic Baron Trump adventure stories in one volume. Filled with exotic flights of fancy, the Baron Trump tales feature the titular character - a wealthy boy who lives in Trump Castle. His actual name is Wilhelm Heinrich Sebastian Von Troomp, but for the sake of simplicity he goes by his title of Baron Trump. The young fellow embarks on time travelling adventures through human history. Through his travels, he meets societies of people and tribes from long ago, picking up their language and social customs. Accompanied by his faithful and protective companion hound Bulger, the young Baron navigates a variety of adventures and surmounts many obstacles. The final book discusses the rise of a US President and has been variously described as coincidental or prescient of the 21st century political climate. Set in an America torn by division, there are references to a hotel on Fifth Avenue in New York, and an election of an outsider candidate ensuing amid chaos.

Trump Is Nuts! Jun 03 2021 The 2016 Election Campaign has been a wildly crazy race, and since Donald Trump became the presumptive nominee things got even crazier, as Trump continued his tirades and insults, based judges, rivals, and opponents alike, and generally acted like a schoolyard bully in elementary school. Despite calls to act

presidential, Trump has continued to mostly be the same old Trump, and the social media has erupted with all kinds of cartoon images of Trump in a rage and sometimes literally blowing his top. And social media wits have called him all kinds of names, from Dingleberry Don and Don the Demented to Trumpelethinskin. Meanwhile, psychologists and pundits have wondered about his sanity, describing him as a needy narcissist, sociopath, early stage Alzheimer's case, and generally just plain nuts. It is in this spirit that TRUMP IS NUTS! was born. All of these comments about whether Don was just acting as an entertainer continually seeking attention and admiration or whether he was truly a crazy nutcase led me to think about all the ways in which Trump might be nuts, and I teamed up again with the illustrator Nick Alexander who had worked with me on thinking of Trump as a series of extinct creatures and early humans, from the Trumposaurus and Saber Tooth Trump to the Neandertrum and Homo Trumpien. So what kind of nuts? Well there are Cashew Nut Trumps, Almond Nut Trumps, Pistachio Nut Trumps, and of course there are Mixed Up Trump Nuts and Trump Trail Nuts, as well as Nut Cases and Nut Trees. And just like there have been Trump Steaks and Trump Vodka, maybe a line of Trump Nuts will be next. So is Trump really nuts? Well, try sampling some of the Trump Nuts in this book and see.

Trumplestiltskin Dec 09 2021 A hilarious cautionary tale about greed, gold and the grasping of power - in time for the US election in November. Meet Trumplestiltskin, a vain and gold-obsessed little man with tiny hands who will stop at nothing to become richer and more powerful. Laugh along as the famous fairy tale is turned inside-out in this hilarious cautionary tale about greed, gold and ridiculous hair. Part of the Fearless Fairy Tales collection - also available! "The best book about Donald Trump my wife has ever written" - Charlie Brooker. "The best book about Donald Trump my husband has ever written" - Adam Kay.

Trump Is an Animal! Feb 17 2020 TRUMP IS AN ANIMAL! is the third in a series of illustrated books, which include TRUMP IS EXTINCT...OR MAY BE SOON! and TRUMP IS NUTS! While Trump may be nuts and going extinct soon, he also may fight like one of the many animals featured in this book, as well as thousands of other animals. The reason for all the fighting, especially among the males, is for power, territory, and females. And like these animals, Trump is constantly fighting one foe or another. In a spirit of wild and wacky humor, TRUMP IS AN ANIMAL! features Trump as a variety of animals fighting other animals for power, territory, or females It also includes insightful commentary on how these battles point up what is happening in the Presidential election.

Let Trump Be Trump Nov 08 2021 A New York Times Bestseller and #1 Wall Street Journal Bestseller! Let Trump be Trump: The Inside Story of His Presidency is the ultimate behind-the-scenes account of how he became President of the United States. Donald Trump was a candidate, and now a president, like none that have come before. His startling rise to the White House is the greatest political tale in the history of our republic. Much has been written about this once-in-a-millennial event but all of those words come from authors outside the orbit of Donald Trump. Now, for the first time, comes the inside story. Written by the guys in the room-two of Trump's closest campaign advisors-Let Trump Be Trump is the eyewitness account of the stories behind the headlines. From the Access Hollywood recording and the Clinton accusers, to Paul Manafort, to the last-moment comeback and a victory that reads like something out of the best suspense novel, Let Trump Be Trump pulls back the curtain on a drama that has mesmerized the whole world-including the palace intrigues of the Mooch, Spicer, Preibus, Bannon, and more. By turns hilarious and intimate, Let Trump Be Trump also offers a view of Donald Trump like you've never seen him, the man whose success in business was built not only on great skill but on loyal relationships and who developed the

strongest of bonds with the band of outsiders and idealists who became his team because they believed in him and his message. Written by Trump's campaign manager, the fiery Corey Lewandowski, and Dave Bossie, the consummate political pro and the plaintiff in the famous Citizens United Supreme Court case who helped steer the last critical months of the Trump campaign, *Let Trump Be Trump* is destined to be the seminal book about the Trump campaign and presidency.

Donald Trump's Hair Apr 01 2021 We all know that modern lifestyles demand rapid responses and bursts of attention, so what better way to squeeze some fiction into your life than through a series of micro stories? This book is a collection of various small stories. Very small stories. In fact, they are all 50 words exactly. Why 50? No real reason other than it's a round figure and that it has become one of the recognised micro fiction genres. Take your pick of these whenever you choose, as Henry Bladon puts together a variety of happy and sad moments to enjoy.

Raising Trump Jul 04 2021 In *Raising Trump*, Ivana Trump reflects on her extraordinary life and the raising of her three children—Donald Jr., Eric, and Ivanka—and recounts the lessons she taught her children as they were growing up. As her former husband takes his place as the 45th President of the United States, his children have also been thrust into the media spotlight—but it is Ivana who raised them and proudly instilled in them what she believes to be the most important life lessons: loyalty, honesty, integrity, and drive. *Raising Trump* is a non-partisan, non-political book about motherhood, strength, and resilience. Though Ivana writes about her childhood in communist Czechoslovakia, her escape from the regime and relocation to New York, her whirlwind romance, and her great success as a businesswoman, the focus of the book is devoted to Ivana's raising of her children. Donald Trump Jr., Eric Trump, and Ivanka Trump will all contribute their own memories to the book. "Every day, people ask me how I raised such great kids. They are truly amazed when I tell them that there was no magic to their upbringing. I was a tough and loving mother who taught them the value of a dollar, not to lie, cheat, or steal, respect for others, and other life lessons that I'll share now in *Raising Trump*, along with unfiltered personal stories about Don, Eric, and Ivanka from their early childhood to becoming the 'first sons and daughter.'" —Ivana Trump

Trump v Trump Dec 29 2020 Can you tell the Trumpisms from the hot air?!?! The big bad media just keeps on spreading tall tales, but at long last here is a book that can help you hone your skills of fishing the truth from the lies! On each page of this book, you'll find two statements on the same subject matter. One is from the real Trump (i.e. a definitive quote from DJT about happenings in the USA, the rest of the world, people and general wisdom). The other is your average trump (something we made up, fake news, hot air, smoke in the wind, a big fat fart). For example* . . . A) TRUMP: Climate change has happened since dinosaur times, it's happened since cave men walked the earth. And they didn't have cars in the Ice Age. or B) TRUMP: It's really cold outside, they are calling it a major freeze, weeks ahead of normal. Man, we could use a big fat dose of global warming! The perfect stocking filler for quiz-hungry politicians this Christmas, TRUMP V TRUMP will keep you entertained for hours. ----- * The Answer is B! Donald tweeted this back on 19 October 2015 - because who isn't wistful for climate change?

Toxic Tales May 02 2021 After crashing his way to the presidency with the subtlety of a sledgehammer, Donald J. Trump was now faced with tackling the most important job stretched out before him during the next four years: proving he was indeed magnificent. There had to be a way for this great and powerful titan of titans to separate himself from the rest and exhibit how a man's man, a genuine hero, and an off-the-charts genius carried himself. So incorporating the masterful skills he honed as a razor-sharp orator along 2016's brutal Campaign Trail of Fears, he decided he would write letters, and not

just any letters. No, these would be positively stuffed with powerful, masterful prose and Jeffersonian in weight. They would be Very Important Letters. Armed with only a nuclear-powered typewriter, the vocabulary of a true giant and a yet unseen command of centuries and centuries of history and perspective, the very important man wrote his very important letters to chronicle his very important, if not very improbable, presidency.

The Tribe Sep 06 2021 In *The Tribe*, Caitríona Perry is on familiar ground, returning to Washington and the green strongholds of the United States. Irish Americans were once considered kingmakers in local and national elections, but generations of assimilation and rising numbers of newer immigrants have diluted that power. Many even argue that the concept of an Irish vote is dead. But through exclusive interviews with powerful Irish American insiders, including President Bill Clinton, President Donald Trump's former Press Secretary Sean Spicer, Trump's Chief of Staff Mick Mulvaney, Congressman Joe Kennedy III, legendary Boston mayor Ray Flynn and many more, a clear sense that the Irish are still wielding valuable soft power at the highest levels of US politics emerges. Here, Caitríona Perry gets to the heart of the source and effectiveness of Irish power and influence in America and how it could, or should, evolve in a post-Brexit world, offering a fascinating insight into the inner workings of US politics. Perspectives on Irish America from some of the interviewees in *The Tribe* 'I knew getting involved in Northern Ireland was a controversial thing to do, but I knew that America had an unusual impact or potential impact on the situation. I just thought we had the largest Irish diaspora in the world, and we ought to get involved.' Former US President Bill Clinton 'Often times we work on Irish issues together across the aisle because of the cultural connection. Is that a voting bloc? No. Does that mean the Irish punch way above their weight? Yes, it absolutely does.' Chief of Staff to President Trump, Mick Mulvaney 'The thing that is truly unique in America is that there is not another country that gets the attention that Ireland does. So our entire country stops and celebrates St Patrick's Day in a way that we don't celebrate any other culture or country.' Former White House Press Secretary Sean Spicer 'The commitment that our countries have made to each other, regardless of party, regardless of who's in power back in Ireland or here at home, is something to be nurtured and respected and it would be a shame for anybody to do any damage to that.' Democratic Congressman Joe Kennedy III 'The relationship between Ireland and the US is not a political tie. It's a tie at a cellular level.' Kevin O'Malley, former US Ambassador to Ireland

True Stories For Trump Voters Jan 30 2021 Welcome to the brave new world of the dystopian dreamtime, the new age of reconciled improbabilities and alternative facts swinging in among the standard political doublespeak that comes from forked tongues wearing two faces. But you know that even alternative facts can have alternatives, and that's why this book is for you!

The Donald Trump Papers Apr 13 2022 *THE DONALD TRUMP PAPERS* is a collection of fairy tales, monster myths, kids' stories, cartoons, poems, and commentary about Trump's improbable campaign and presidency. It features thoughts, along with photos and illustrations, on recent news about Trump's campaign, election, and first months of taking office. Today, as the U.S. faces all kinds of challenges and the White House has been in continuous conflict and chaos, the topics covered in these papers are more relevant than ever. The book is divided into these sections: - Fairy tales and myths, including "Little Red Riding Hood and the Big Bad Trump," "Three Little Pigs and the Big Bad Trump," and "Chicken Little and the Boy Who Cried Trump" - Children's stories for adults, featuring "The Battles of Donnie and Teddy" - Cartoon books, featuring "Trump Is Extinct...or May Be Soon!" "Trump Is Nuts!" and "Trump Is an Animal!" - Poems, including "Dear Donald Trump, What's Wrong with the FBI?" and "Dear Donald Trump, Are We

Going to War?" The author Gini Graham Scott began writing these papers as a columnist for the Huffington Post, and she teamed up with artist Nick Alexander who contributed most of the illustrations. She is the author of over 150 books, 50+ with traditional publishers, and 150+ with her company Changemakers Publishing, which specializes in business, self-help, and social trends.

The Baron Trump Collection Sep 18 2022 This collection unites Ingersoll Lockwood's classic Baron Trump adventure stories in one volume. Filled with exotic flights of fancy, the Baron Trump tales feature the titular character - a wealthy boy who lives in Trump Castle. His actual name is Wilhelm Heinrich Sebastian Von Troomp, but for the sake of simplicity he chooses to go by his title of Baron Trump. The young fellow embarks on time travelling adventures through human history. Through his travels, he meets societies of people and tribes from long ago, picking up aspects of their language and social customs. Accompanied by his faithful and protective companion hound Bulger, the young Baron navigates a variety of adventures and surmounts many obstacles. The final book in this volume discusses the rise of a US President and has been variously described as either coincidental or prescient of aspects of the 21st century political climate. Set in an America torn by division and dissent, there are references to a hotel on Fifth Avenue in New York, and an election of an outsider candidate ensuing in a chaotic atmosphere. Ingersoll Lockwood was an author of many children's books and short stories. A veteran of the U.S. consular service, he began writing in the 1870s and attained fame and appreciation for his efforts.

From Washington and Adams to Hillary and Trump: The Stories Behind the Story of Every U.S. Presidential Election Oct 27 2020 This book, written by Dr. Everett E. Murdock, a college professor, tells the stories behind the story of every presidential election in U.S. history, with a special focus on the volatile 2016 election. Dr. Murdock is a widely-published novelist, a storyteller, and his stories about our presidential elections provide fascinating details about behind-the-scenes events that lead to one candidate becoming president and the other being relegated to the lonely halls of history. He explores, in depth, the complex Electoral College System by which we elect our presidents, and he describes the role that slavery played in how the Congress and the Electoral College were originally designed. In his last chapter, Professor Murdock provides a detailed description of the events that unfolded day-by-day in the volatile election of 2016 that pitted the first woman candidate, Hillary Clinton, against, Donald Trump, one of the most unusual candidates in U.S. history. The author provides real insight into what led to one of the most dramatic upsets in U.S. presidential election history, helping you to understand why, once again, the candidate that won the general election didn't get to be president.

Vignettes & Vino Aug 25 2020 These are true, human, lighthearted, and significant moments from the most high-stakes environment on Earth, the White House—written by two people who found love at the intersection of politics, a global pandemic, civil strife, an unexpected Supreme Court confirmation, and a heated presidential election—presented with comfort food recipes and cocktail pairings. This book is full of aspirational, surprising, funny, and interesting stories from insiders who were there at the highest levels of government during the election and pandemic of 2020. The stories are combined with themed, practical recipes and cocktails for lovers of American history. **Vignettes & Vino** is a one-stop handbook for your next dinner party!

Trump Never Give Up Dec 21 2022 In **Never Give Up**, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from

adversity researcher and author Paul Stoltz. Inspirational and intelligent, *Never Give Up* will help you deal with your own personal challenges, failures, and weaknesses.

Fact Or Fake News? Dec 17 2019 In this real life account, Brian McDowell tells the world what it means to be a tried and true supporter of Donald Trump. Brian McDowell was featured on *The Apprentice 3* show and volunteered for the President in Iowa, Nevada, Florida and New Jersey.

The Death of Truth Nov 27 2020 NEW YORK TIMES BESTSELLER • From the Pulitzer Prize-winning critic comes an impassioned critique of America's retreat from reason. We live in a time when the very idea of objective truth is mocked and discounted by the occupants of the White House. Discredited conspiracy theories and ideologies have resurfaced, proven science is once more up for debate, and Russian propaganda floods our screens. The wisdom of the crowd has usurped research and expertise, and we are each left clinging to the beliefs that best confirm our biases. How did truth become an endangered species in contemporary America? This decline began decades ago, and in *The Death of Truth*, former New York Times critic Michiko Kakutani takes a penetrating look at the cultural forces that contributed to this gathering storm. In social media and literature, television, academia, and politics, Kakutani identifies the trends—originating on both the right and the left—that have combined to elevate subjectivity over factuality, science, and common values. And she returns us to the words of the great critics of authoritarianism, writers like George Orwell and Hannah Arendt, whose work is newly and eerily relevant. With remarkable erudition and insight, Kakutani offers a provocative diagnosis of our current condition and points toward a new path for our truth-challenged times.

A Fire and Fury Parody Sep 25 2020 * Note, this is a work of parody, taking aim at the book: "Fire and Fury" for its crazy stories about the Trump Whitehouse.* As you may know, an author recently wrote a tell-all book about the first year of the Trump Presidency. This book purported to be full of explosive stories and damning testimony from Trump's current and former staff members. Well, then, if you like those stories, I have some stories for you! Because I have some REAL stories to tell. True stories. Truest of the true. The HUGEST true stories. This book is a collection of short stories about the most amazing first year in the White House ever. Now I'm not going to say that these stories were not true, (since I don't want to get sued into oblivion), but I personally began to think, that what the country really needs right now, is a bit of a laugh. Maybe you are a Republican that adamantly believes these stories are false. Maybe you are a Democrat that can't believe any of this is really happening. Regardless of your stance on how ridiculous the stories are, perhaps you'll enjoy a bit of light-hearted levity? And thus we have this book: *Fire and Fun: The Truest True Stories from the Trump White House*. It's tons of pages of absolutely insane, irrelevant humor. I'm not saying that anything in this book is true (lawyers), or even the truest of the true (lawyers again), but if you enjoy other people's books on the Trump White House, then perhaps you'll enjoy this one. It has a colorful cast of characters. Amazing action sequences. And it is even placed into simple language, so that a child can read it. Read this book to your children. They'll love the pictures! Have fun. Enjoy it. This book is a satirical response / parody of the book, "Fire and Fury: Inside the Trump White House".

The Unofficial Donald Trump Yearbook Mar 12 2022 'No way', they said - 'he won't last 100 days!' But steaming into his final year of office the POTUS with the mostest has reigned supreme, and he wants more (pending rubber-stamping of his nomination). The run-in to the 2020 election will be a rollercoaster, and the answer to the question of who will be sitting next to the Donald in the front car as the Democratic candidate will soon be answered. So buckle up and pull down on the safety bar, this ride is about to set off

again. And don't forget to keep your arms inside the ride at all times! Biglier! Boldlier! Betterlier! The follow up to last year's sold-out edition, *The Unofficial Donald Trump Yearbook* features a sidesplitting potpourri of Donald-related fun and Trump-er-nalia: - MR. POTUS HEAD (OF STATE) GAME - TRUMP'S NEXT TOP PRESIDENT - DAZZLING DONALD PIN-UPS & PICS - WALL CRAFT GAME - USING YOUR PRETEND BRICKS BUILD A WALL TO KEEP OUT PRETEND BADDIES - TRUMP TEMPORARY TATTOOS! - TRUMP TOP TUNES! - TRUMP TALL TALES! - TRUMP TEATIME TREATS!

The Method to the Madness Oct 19 2022 A Rosetta Stone for understanding Donald Trump's style, mindset, and every action, made up of over one hundred interviews with his closest associates and adversaries over the last 15 years. To his critics, Donald Trump is an impulsive, undisciplined crackpot who accidentally lucked into the presidency. But in *The Method to the Madness*, reporters Allen Salkin and Aaron Short reveal that nothing could be further from the truth. This objective, nonpartisan oral history shows that Trump had carefully planned his bid for the presidency since he launched what many considered to be a joke candidacy in 1999. Between 2000 and 2015, when he announced his candidacy in the lobby of Trump Tower, he was able to identify an unserved political constituency, hone a persuasive message that appealed to their needs, and deliver it effectively, despite intense media opposition. Through candid conversations with more than 100 subjects close to the President, Salkin and Short make the case that Donald Trump's ostensibly erratic approach to politics is consistent with his carefully honed personal and professional style of information gathering, opinion seed-planting, and conclusion sharing. His business, media, and political dealings from this era serve as a guide for understanding the man, his mindset, and his every action. *The Method to the Madness* is an accessible and unbiased oral history that brings readers into the private rooms where decisions are made, confidences are broken, strong words fly, and not all eye-witnesses see the same scene in quite the same way. Full of scoops both large and small, this is the first book to bring Trump, the politician, into focus.

Trump Tales Oct 07 2021 Are you tired of the insanity coming out of the White House since the election of the orange Liar-in-Chief? Need a break? Here are eleven tales that'll help you escape reality - until, after reading the story, you'll realize that fiction is truth and everything you've read might just be true!!! Sing the ballad of Cadet Bone Spurs (to the tune of "The Beverly Hillbillies") . . . A superhero confronts Trump . . . Learn about the Five Horses of the Trump Apocalypse . . . Read three stories about the new Space Force . . . Meet the Plucky Billionaires Squad - Jeff Bezos, Bill Gates, Elon Musk, Mark Zuckerberg, Warren Buffett, Michael Bloomberg, and Alice Walton take on President Trump! . . . Huge Trump Facts May 14 2022 Donald Trump doesn't need fire extinguishers. He can fire fire itself. Donald Trump was in all the Star Wars movies, as the Star. Donald Trump owns more golf courses than even Obama has ever played. Hockey's famed Stanley Cup trophy is merely a donated dish from Donald Trump's personal kitchen. Donald Trump once made a profitable deal not to export, but to import ice to Antarctica. When you have a top celebrity run for president anything can happen. When that person is also business mogul and author Mr. Donald Trump is a large than life hyperbole is the story. In the outlandish fun tradition of Chuck Norris Facts comes Huge Trump Facts. Pass these Huge Trump Facts onto a Trump supporter or hater.

American Kompromat Jun 15 2022 ****THE INSTANT NEW YORK TIMES BESTSELLER**** Kompromat n.—Russian for "compromising information" This is a story about the dirty secrets of the most powerful people in the world—including Donald Trump. It is based on

exclusive interviews with dozens of high-level sources—intelligence officers in the CIA, FBI, and the KGB, thousands of pages of FBI investigations, police investigations, and news articles in English, Russian, and Ukrainian. American Kompromat shows that from Trump to Jeffrey Epstein, kompromat was used in operations far more sinister than the public could ever imagine. Among them, the book addresses what may be the single most important unanswered question of the entire Trump era: Is Donald Trump a Russian asset? The answer, American Kompromat says, is yes, and it supports that conclusion backs with the first richly detailed narrative on how the KGB allegedly first “spotted” Trump as a potential asset, how they cultivated him as an asset, arranged his first trip to Moscow, and pumped him full of KGB talking points that were published in three of America’s most prestigious newspapers. Among its many revelations, American Kompromat reports for the first time that: • According to Yuri Shvets, a former major in the KGB, Trump first did business over forty years ago with a Manhattan electronics store co-owned by a Soviet émigré who Shvets believes was working with the KGB. Trump’s decision to do business there triggered protocols through which the Soviet spy agency began efforts to cultivate Trump as an asset, thus launching a decades-long “relationship” of mutual benefit to Russia and Trump, from real estate to real power. • Trump’s invitation to Moscow in 1987 was billed as a preliminary scouting trip for a hotel, but according to Shvets, was actually initiated by a high-level KGB official, General Ivan Gromakov. These sorts of trips were usually arranged for ‘deep development,’ recruitment, or for a meeting with the KGB handlers, even if the potential asset was unaware of it. • Before Trump’s first trip to Moscow, he met with Natalia Dubinina, who worked at the United Nations library in a vital position usually reserved as a cover for KGB operatives. And many more...

Tales of Political Infidels Jan 10 2022 Let pundits and historians argue over the facts of the Trump presidency. This novel confronts the absurd reality of that era with whimsy, street theater, poetry, and a band of merry characters eager to expose the rampant fraudulence. With the help of his friend the Whistler (undercover as a chef in the White House), the novel's narrator concocts audacious accounts that mock Trump and his lackeys. Trump becomes a medieval quack when he touts useless cures for the coronavirus; he seeks to buy a portion of North Korea intending to develop a Trump resort; and he becomes a healer who miraculously cures cripples during his Bible photo-op, after gassing innocent protestors. The narrator reports how those submissive to Trump (caricatured as Poodles) are tethered to him. Described as cold-blooded political infidels, they feign religiosity and love of country, yet believe in nothing—not God, not America, not right or wrong. Seeking power under the guise of Trump, they ridicule those who fall for their deceptions. **Tales of Political Infidels** is compelling. The narrator's tales are nests made of various debris, yet embedded within each nest is an egg of truth camouflaged by satire and exaggeration.

In America Feb 23 2023 As RTÉ’s Washington correspondent, Caitríona Perry has earned a reputation as a reliable source of truth as the world tries to make sense of the maelstrom of shocking headlines emanating from Donald Trump’s America. In her first book, she goes beyond the news reports and delves into the American heartland where she witnessed his rise at first hand, while others were blindsided by his victory. Bringing to the table the voices of those who voted for President Trump, the ones whose opinions didn’t coalesce with acceptable mainstream discourse - Hillary Clinton’s so-called ‘basket of deplorables’ - Caitríona Perry reveals just what is really happening in America right now This is the story of the American people who were angry and disillusioned by traditional politics. It is the story of the workers of the industrial heartland, of the women of America, of immigrant communities, of the people who viewed a wealthy

businessman from the city of New York as 'one of us'. This is the story of the people who shook the world. 'Spellbindingly good. Journeying across America, Caitríona Perry masterfully takes us into the hearts and minds of those who voted for Donald Trump. A triumph of a book.' Prof. Gary Murphy, Head of the School of Law and Government, DCU 'From the Mexico border to the Oval Office, Caitríona Perry brings us to the coalface of one of the most tempestuous and extraordinary opening periods of any presidency in modern memory.' Ryan Tubridy 'In my visits to Ireland since the 2016 election, the most frequent question I get is "How could that happen?" Caitríona Perry answers it honestly and candidly as only someone who takes the time to understand could.' Cody Keenan, Chief Speechwriter to President Barack Obama 'Bringing us vivid voices from Trump country, and exploring the emotional landscape in which his campaign took root, this book deepens our understanding of the Trump phenomenon.' Anne Anderson, Former Irish Ambassador to the US. 'The hopes, contradictions and beliefs of Trump voters brilliantly told - a necessary and insightful book!' Joe Duffy 'This entertaining and insightful travelogue, through its attention to detail of both place and people, lays bare both the death and residual power of the American Dream.' Prof. Liam Kennedy, Clinton Institute for American Studies, UCD 'A genuinely fascinating chance to meet the most and least likely Trump voters and find out why his election was ultimately bound to happen.' Rick O'Shea

Fake Tales, Believe Me Nov 20 2022 A collection of 8 poems and very short fairy tales that illustrate the foibles, failures, and frustrations of U.S. politics in the era of Trump: A happy sea captain confronts a viral situation on his ship. A group of billionaires eat a casual lunch as they conspire to keep their hold on the world. A superpower dictator tells how he defeated his greatest enemy via proxy. A talking cactus grants three wishes to a humble gardener. A small town struggles to survive an environmental disaster caused by its factory and the incompetence of its local government. A religious top government official defends his support of a morally bankrupt president. And more! Donald Trump would hate this book. If you enjoy the books he hates, you should enjoy this one!

Donald Trump Can Bite My Schlong! Feb 11 2022 Do you think the world could use a little comedy about right now? Black comedy? Yes, surreal black comedy. Raunchy surreal black comedy with heart. Bitter and dry. Wet and true. Peruse these 32 short-short stories at your leisure. You can read one in 9 minutes. And maybe you'll recognize a Neanderthal friend or two, or a self-amputating Roman soldier, or a scrotum punching Gargoyle, or an amoral Catfish, or a well-oiled Gallows, or a love-hungry Milkmaid, or a 1920s Indiana Klansman, or a horny Teamster, or a distorted vision of your own dear Mother, or a boy-child President who can bite my Schlong!

The Baron Trump Collection May 22 2020 This collection unites Ingersoll Lockwood's classic Baron Trump adventure stories in one volume. Filled with exotic flights of fancy, the Baron Trump tales feature the titular character - a wealthy boy who lives in Trump Castle. His actual name is Wilhelm Heinrich Sebastian Von Troomp, but for the sake of simplicity he goes by his title of Baron Trump. The young fellow embarks on time travelling adventures through human history. Through his travels, he meets societies of people and tribes from long ago, picking up their language and social customs. Accompanied by his faithful and protective companion hound Bulger, the young Baron navigates a variety of adventures and surmounts many obstacles. The final book discusses the rise of a US President and has been variously described as coincidental or prescient of the 21st century political climate. Set in an America torn by division, there are references to a hotel on Fifth Avenue in New York, and an election of an outsider candidate ensuing amid chaos.
