Gisele, born in prewar Silesia, then part of Germany, has to flee with her family to the West in January 1945 to escape the Russian invasion. She loves school, but following her father's premature death, is forced to complete an apprenticeship as a seamstress. At 18 she immigrates to Canada, ahead of her family, as a government sponsored domestic. Through sheer willpower and perseverance she completes high school and enters Premeds, then Medical School at the University of Toronto graduating in 1963. In this compelling, informative, as well as entertaining memoir she vividly describes her and her classmates journey through these six years of learning. She shares her professional experiences in what was then still much of a man's world. Her varied career gives her unique insights into many aspects of medicine and the medical profession. Concurrently she endeavours to fulfil her role as wife and mother. This is a story of determination, pioneering spirit and love, told with candour and a fine sense of humour. An inspiration. The authors trace the formation and breakup of the planets, asteroids, and comets where meteorites originated, their long journey through space, their fall to Earth, their recovery, and what scientists are learning from them. The book contains a great deal of material about the “84001 Martian meteorite,” which has raised provocative new questions about life on the red planet. Looking forward, the authors chart the exciting new era of planetary, asteroidal, and cometary exploration planned for this century. Through the Door! is a personal journey both forward and backward. The backward journey shows you your history in a very different light, then it releases you of its entanglements. With this new freedom of self, you will start to journey forward, in a world that is very different and more accessible than you might have ever imagined. With Phil Methot's help, you will create a very powerful tool called the Commander. The Commander will become the force and strength that you did not think you possessed. Your Commander has the capacity to help you overcome self-doubt, procrastination, guilt, and shame, among others. Your life will become a journey of opportunity and accomplishment as you open door after door. Writing in France in the nineteenth century, Jules Verne was fascinated by adventure and exploration. Collecting "A Journey to the Center of the Earth", "Around the World in 80 Days", "From the Earth to the Moon", "Twenty Thousand Leagues Under the Sea" and "The Mysterious Island", this omnibus offers a unique compilation of five of Verne's Voyages, stories in which he extrapolated developing technology and invention into marvellous fiction. This volume offers readers a generous introduction to Jules Verne, whose books are as alive today as they were for readers new to the ideas expressed in them during his time. Jules Gabriel Verne (1828 – 1905) was a French novelist, poet, and playwright best known for his adventure novels and his profound influence on the literary genre of science fiction. When Paulina, one of the Thea Sisters, finds a strange blue-skinned boy unconscious on the beach, the sisters set out to solve the mystery of who the boy is and where he comes from--and how to return him to his home. Anthony C. Yu's translation of The Journey to the West, initially published in 1983, introduced English-speaking audiences to the classic Chinese novel in its entirety for the first time. Written in the sixteenth century, The Journey to the West tells the story of the fourteen-year pilgrimage of the monk Xuanzang, one of China's most famous religious heroes, and his three supernatural disciples, in search of Buddhist scriptures. Throughout his journey, Xuanzang fights demons who wish to eat him, communes with spirits, and traverses a land riddled with a multitude of obstacles, both real and fantastical. An adventure rich with danger and excitement, this seminal work of the Chinese literary canon is by turns allegory, satire, and fantasy. With over a hundred chapters written in both prose and poetry, The Journey to the West has always been a complicated and difficult text to render in English while preserving the lyricism of its language and the content of its plot. But Yu has successfully taken on the task, and in this new edition he has made his translations even more accurate and accessible. The explanatory notes are updated and augmented, and Yu has added new material to his introduction, based on his original research as well as on the newest literary criticism and scholarship on Chinese religious traditions. He has also modernized the transliterations included in each volume, using the now-standard Hanyu Pinyin romanization system. Perhaps most important, Yu has made changes to the translation itself in order to make it as precise as possible. One of the great works of Chinese literature, The Journey to the West is not only invaluable to scholars of Eastern religion and literature, but, in Yu's elegant rendering, also a delight for any reader. This book is about journeys, those taken in the mind and on the physical plain. It has poetry of love and of God, to be embraced by all. Containing the first 50 chapters of China's best-loved work, in an edited, yet complete and wholly accurate translation for the Western reader. Volume 1 begins with Monkey's birth, his secret education in the ways of magic at the hands of the Patriarch, his dealings with the Cloud Emperor, the famous revolt in heaven, and the Great Sage's fall and punishment. Then, with a reprieve, Monkey joins the Tang Priest as his guide to India. Paired with the monster Pig and Friar Sand, the quartet embark on a quest at once dazzling and comic, with non-stop action. In 1934, famed British traveler Freya Stark sailed down the Red Sea, alighting in Aden, located at the tip of the Arabian peninsula. From this backwater outpost, Stark set forth on what was to be her most unforgettable adventure: Following the ancient frankincense routes of the Hadhramaut Valley, the most fertile in Arabia, she sought to be the first Westerner to locate and document the lost city of Shabwa. Chronicling her journey through the towns and encampments of the Hadhramaut, The Southern Gates of Arabia is a tale alive with sheikhs and sultans, tragedy and triumph. Although the claim to discovering Shabwa would not ultimately be Stark's, The Southern Gates of Arabia, a bestseller upon its original publication, remains a classic in the literature of travel. This edition includes a new Introduction by Jane Fletcher Geniesse, Stark's biographer. Are you ready to turn Pro? Living Service tells the story of Melissa Ford's rise from struggling coach to thriving professional. Raw, honest and full of humor, Living Service details Melissa's insecurities and stumbles along the way, as well as the powerful insights and actions that transformed her practice—and her life. (Fully illustrated.) Originally published in German in 1977 as the first major book on the history of the slide rule since Florian Cajori's A History of the Logarithmic Slide Rule, this newly revised and translated edition of Slide Rules, A Journey Through Three Centuries, offers readers a fresh, more Continental perspective on this most fascinating of calculating instruments. The book is an important piece of historical and technological research, in which the author includes the history of the slide rule from its beginnings in the 17th century, through its gradual adoption and development worldwide during the 19th and 20th centuries, to its sudden and almost complete demise in the mid-1970s. He also covers the evolution of various slide rule components, technologies, and manufacturing processes, as well as histories of the major slide rule manufacturers and their product lines during the last 100 years. There are detailed references to original sources throughout, which the reader may use as a springboard to further study and research. Readable and very informative, this is a book that, together with those of Cajori and Peter Hopp, any slide rule collector or historian of technology will find of great interest and real benefit. Reproduction of the original: A Journey to the Western Isles of Scotland by Samuel Johnson To celebrate 80 years of Penguin Books, a charming picture book that tells the imagined story of the penguin who waddled his way into history as the symbol of a beloved publisher A lonely Antarctic penguin, dreaming of adventure, sets off on a long swim north. Arriving at last in London in 1935, he encounters the chance of a lifetime: auditions are on to find the face of a brand new publishing house. The penguin wins, of course, and so begins an adventure that takes him on to New York and into the hearts of readers around the world. In The Journey of the Penguin, award-winning graphic artist Emiliano Ponzi delivers a boldly illustrated, wildly imaginative, and terrifically fun story—told entirely through image—that brings to life the “dignified yet flippant” bird chosen eighty years ago by Allen Lane as the name and icon of his revolutionary publishing business. With cameo appearances by legendary Penguin authors including Jack Kerouac, Arthur Miller, and Dorothy Parker, this exquisite, one-of-a-kind book celebrates the enduring appeal of storytelling. It could turn out to be the biggest political movement of the twenty-first century: a global coalition of millions, united in resisting an out-of-control global economy, and already building alternatives to it. It emerged in Mexico in 1994, when the Zapatista rebels rose up in defiance of the North American Free Trade Agreement. The West first noticed it in Seattle in 1999, when the World Trade Organisation was stopped in its tracks by 50,000 protesters. Since then, it has flowered all over the world, every month of every year. The 'anti-capitalist' street protests we see in the media are only the tip of its iceberg. It aims to shake the foundations of the global economy, and change the course of history. But what exactly is it? Who is involved, what do they want, and how do they aim to get it? To find out, Paul Kingsnorth travelled across four continents to visit some of the epicentres of the movement. In the process, he was tear-gassed on the streets of Genoa, painted anti-WTO puppets in Johannesburg, met a tribal guerrilla with supernatural powers, took a hot bath in Arizona with a pie-throwing anarchist and infiltrated the world's biggest gold mine in New Guinea. Along the way, he found a new political movement and a new political idea. Not socialism, not capitalism, not any 'ism' at all, it is united in what it opposes, and deliberately diverse in what it wants instead -- a politics of 'one no, many yeses'. This movement may yet change the world. This book tells its story. The author's nineteenth-century speculative novel finds the Earth in 2000 being improved by technology wielding corporations while Earthlings explore the solar system in an anti-gravity ship that takes them, among other places, to a Jupiter populated by fanciful creatures. Reprint. Verne's science fiction of the scientists who travel deep into the earth's volcanic tunnels and what they find there! Classics Illustrated tells this wonderful tale in colorful comic strip form, providing an excellent introduction for younger readers. Also includes theme discussions and study questions. Enter into and witness an inspirational journey to heaven. Discover what life will be like in the realm of light and love, free from suffering and pain! Join one person's exploration of paradise, guided by an angel and a glorified man, to witness the thrilling promise of eternity, and to provide answers to many questions about heaven, to illuminate and encourage. Paul Backholer is a British broadcaster and the founder of ByFaith Media (www.ByFaith.org). He is the director of ByFaith TV which airs on multiple platforms around the world and is the producer of several Christian documentaries. Paul is the author of How Christianity Made the Modern World, The Exodus Evidence and The Ark of the Covenant – Investigating the Ten Leading Claims. Paul studied in a British Bible college in the 1990s and has travelled to over forty nations on Christian endeavours. Voel jij je zó verantwoordelijk voor de ander – voor zijn gevoelens, zijn behoeften, zijn welzijn en zijn leven – dat jij aan jezelf niet meer toekomt? - Voel jij je schuldig, angstig en overmatig bezorgd wanneer de ander een probleem heeft? - Voel jij je geroepen, gedwongen bijna, om het probleem van de ander op te lossen? - Vind jij jezelf egoïstisch wanneer jij iets voor jezelf doet in plaats van voor de ander? Veel delen hun leven met iemand die in de problemen is geraakt door criminaliteit, seks, alcohol, drugs, gokken, eten, werk of psychische oorzaken. In die situatie vraagt de ander heel veel aandacht en moet je jezelf wegcijferen. Het gevolg is dat je óók afhankelijk wordt en daardoor zelf in de problemen raakt. Om de weg naar jezelf terug te vinden heeft Melody Beattie een baanbrekend, inspirerend en hoopgevend boek geschreven. Leef je eigen leven laat zien hoe deze situaties ontstaan, waarom mensen dan een afhankelijk gedrag gaan vertonen en hoe dat je leven gaat bepalen. Melody Beattie geeft stap voor stap aan hoe je je zelfvertrouwen kunt herstellen om van daaruit weer richting aan je eigen leven te geven. In this profound and intelligent book, Fiona Robertson acts as companion and guide through the dark night of the soul or spiritual emergency. Capturing the essence of the dark night journey with compassion and clarity, she has created an evocative, inspiring work to give succour to all those who are touched by the dark night. As the book opens, the narrator is engaged is writing the chronicle of this remembered adventure - the central experience of his youth. As he becomes immersed in retelling the chronicle, the writer realizes that the youthful pilgrimage continues in a shining and mysterious way. Journey to the East is written from the point of view of a man who becomes a member of "The League", a timeless religious sect whose members include famous characters, such as Plato, Mozart, Pythagoras, Paul Klee, Don Quixote, Tristram Shandy, Baudelaire, and the ferryman Vasudeva, a character from one of Hesse's earlier works, Siddhartha. A branch of the group goes on a pilgrimage to "the East" in search of the "ultimate Truth". The conclusion of the short novel is a stroke of Hesse's typical Eastern mysticism at its finest. Hermann Hesse was born in Calw in the Black Forest on July 2, 1877, and from an early age was obsessed with the mystery of existence and humanity's place in the Universe. The Journey to the East is Hesse's tale of inner pilgrimage, an allegory on

human desire for enlightenment and the long road that must be traveled to that ultimate goal. Using remarkably clear and accessible language, the book brings together the experience and conclusions of many years of spiritual struggle. Excerpt from A Journey to Paris in the Year 1698 But why do you trouble us with a Journey to Park, a place lo well known to every body here? For very good Reafon, to fpare the often telling my Tale at my return. Brandon Bays heeft samengewerkt met grote meesters als Deepak Chopra en Wayne Dyer. In 1992 werd ze ernstig ziek en de diagnose stimuleerde haar om diep in haar ziel te duiken en haar leven nauwgezet onder de loep te nemen. Zeven weken later was ze genezen: zonder medicijnen, zonder operatie. Maar het verhaal van Brandon houdt daar niet op. In de jaren na haar genezing zocht ze een methode waarin haar ervaring zodanig verwerkt was, dat daarmee ook andere mensen een helende reis kunnen maken. Sindsdien heeft ze duizenden mensen kunnen helpen zichzelf te bevrijden van levenslange klachten en emotionele blokkades. In dit boek geeft ze alle informatie die nodig is voor een helende reis. P>Welcome to Magic World, a place where dreams come true. This book takes place in the same world you and I live in. In fact, Lilly and Tom are not much older than you. From the ordinary world to the magical world, you are the lucky one to come on this magical journey with me. So switch off your mind and open your heart, and let the magic inside. This book will transport you into an incredible magical and happy place that you can keep visiting whenever you wish. Have fun going on a magical adventure with Lilly and Tom, leading them to places never seen before, following their own imagination where magical ice-cream fountains are waiting to be explored. The intrepid Professor Lindenbrock embarks upon the strangest expedition of the nineteenth century: a journey down an extinct Icelandic volcano to the Earth's very core. In his quest to penetrate the planet's primordial secrets, the geologist—together with his quaking nephew Axel and their devoted guide, Hans—discovers an astonishing subterranean menagerie of prehistoric proportions. Verne's imaginative tale is at once the ultimate science fiction adventure and a reflection on the perfectibility of human understanding and the psychology of the questor. As David Brin notes in his Introduction, though Verne never knew the term "science fiction," Journey to the Centre of the Earth is "inarguably one of the wellsprings from which it all began." Indonesian has been very attached with textile in their daily life for along time, perhaps this is the reason why The Nusantara has a wide range of textile, from materials, techniques, and products. Have you ever been challenged and stymied when asked where you stand in your faith? Do you ever wonder who is responsible to reach those who have not yet heard the Gospel message? Do you wonder what your role is as a messenger of God's love? Are you filled with questions or have doubts and fears about relationship evangelism?
