Ride to Glory Dec 14 2021 The intellectual fury and political brimstone ricocheting internationally from the evolution firestorm raging in Kansas and Oklahoma offers a convenient platform for Ride To Glory's debut -- a rock-em, sock-em intellectual attack exposing the glaring myths of evolution. Pure evolutionists won't jump for joy at the book's penetrating punches aimed at Darwinian speculations. This scholarly presentation is wrapped in a fascinating storyline designed to attract readers not otherwise interested in evolutions flaws. While Johns doesn't claim to settle the creation/evolution controversy, he contributes refreshing, state-of-the-art insight and comes down firmly within the camp of those committed to Intelligent Design and the miracle of God's creation. "Ride To Glory" exposes some of Charles Darwin's more shaky suppositions in a fictional courtroom battle. Billed as Monkey II, the mock trial picks up where the 1925 Scopes "trial of the century" left off, debating the millenniums hot-button issue: "Is Evolution a Fact?". Gutsy Ph.D. candidate and independent thinker, Joshua Chamberlain Ryan, is cast as "star" witness inadvertently pitting him against major Professor Karl Striker, devout defender of Darwinian doctrine. Josh thumbs his nose at Darwin's speculations and puts his academic credentials on the line, irreverently bashing evolution's Achilles' heels with the courage of the biblical Joshua attacking Jericho. The storyline boasts an intellectual zest fortified with bibliography and endnotes packed with solid reference data that reinforce the obstreperous on-stage testimony. In a plot wired for unexpected twists and turns, Charles Robert Darwin's conjectures wind up with the bottom-line short straw.

I Can Make Holiday Gifts Aug 22 2022 Handmade holiday gifts are a wonderful way to show people you care about them. This kit comes with enough materials to make 10 charms and step-by-step instructions for 8 designs that have something for everyone!

Librarians in Fiction Jan 15 2022 The depictions of librarians in over 374 novels, short stories, and plays in English are the focus of this fully annotated reference work. Librarians, no less than other professionals, want to know how they are depicted in fiction. The stereotypical or fictional librarian--the one with the bun, comfortable shoes, and dour demeanor--may be fading, but fiction teaches a lesson about public perception. Actually, story librarians are often described as adaptable, knowledgeable, shrewd, tactful, tender and intelligent--traits that the authors, and by extension the readers, look for in their librarians. All entries include complete bibliographic data, followed by a lengthy annotation that discusses how the librarian fits into the story and gives insight to how he or she is depicted. Title and author indexes are provided for further utility.

full of water to release the sensational strawberry kiwi scent. So sit back, relax, and settle in for a good soak!

Time Out Film Guide Jan 03 2021 This is an alphabetical critical guide to films, based on Time-Out reviews since the mid-1980s. It covers every area of world cinema, including: classic silents and 1930s comedies, documentaries and the avant garde, French or Japanese, the Hollywood mainstream and B-movie horrors. Features include cast lists and other key creative personnel, more than 110 obituary notes from 2001/2002 and indexes covering film by country, genre, subject, director and actor. This new edition includes a new Time Out readers' top 100 film poll, plus 2001/2002 Oscar and BAFTA awards, as well as prizes from the Berlin, Venice and Cannes festivals.

Kneed en Klieder Jul 21 2022 Uit elkaar trekken, overgieten, stompen, erop stempelen, kneden, rollen, maar vooral lekker kliederen. Een beetje vies worden is heerlijk, een beetje heel vies worden nog veel meer! En wist je dat dit heel makkelijk gaat met zelfgemaakt kliedermateriaal? Het meeste heb je gewoon in je keuken- of badkamerkastje liggen. In *Kneed en Klieder* deelt Babbe van Ginkel de 30 leukste (en meest vieze) recepten om onder andere klei, Play-Doh en slijm te maken. Door te experimenteren en te ontdekken leren kinderen ontzettend veel. Het kliederen met je handen heeft een pedagogische basis: het is goed voor de sensomotoriek. Al je zintuigen worden aangesproken. Tijdens het voelen en ruiken ontwikkelen kinderen hun fijne motoriek. Ook werkt het ontspannend en komen kinderen op een natuurlijke manier met hun verhalen over de dag. Maak eens klei van bloem of fluffy slijm van scheerschuim en verzin zo de leukste en gekste kliederactiviteiten om thuis met je kind te doen. Het grappige is: het hoeft helemaal niks voor te stellen en je hoeft niks af te bakken of voor eeuwig te bewaren. Het gaat om het kneden en kliederen op zich, dat is het leukste wat er is! Babbe van Ginkel was voorheen basisschoolleerkracht en heeft twee kinderen. Samen met haar oudste zoon begon ze te experimenteren met slijm maken van maïzena en water. Sindsdien vroeg haar zoon dagelijks om zelfgemaakt speelgoed en was zij zelf ook helemaal om. Nu is ze eigenaar van kinderlabel boef + mop en deelt op haar blog www.bijboefenmop.nl leuke en eenvoudige DIY-kinderactiviteiten. Ook geeft ze regelmatig workshops.
