A History of X Jan 25 2020 . . . he breaks legitimate stories that have a huge impact. Meet Luke Ford, chronicler of the porn world. - Online Journalism Review This first comprehensive and most in-depth history of cinematic pornography details sex in film from 100 years ago to today, concentrating on the quarter-century since Deep Throat, when pornography became a subject of popular culture. Luke Ford is the best-known source on the porn film world today—the only journalist writing about the industry who is not also employed by it. This unique position gives Ford the objectivity to report without bias, and he is often consulted as a trusted news source on the porn industry by many major news publications. Insightful, entertaining, and bold, A History of X takes us from the primitive film studios of the 1900s, where porn got its start as a daring experiment in sexual freedom, to the closed-door, multi-million-dollar porn-film corporations of today. Ford includes exclusive interviews with the stars, the producers, and the distributors as well as detailed data on censorship attempts from the early days to the present. He documents the controversial careers of top porn stars Marilyn Chambers, John Holmes, Linda Lovelace, Harry Reems, Gerard Damiano, Georgina Spelvin, Traci Lords, Max Hardcore, Ginger Lynn, and others, revealing both the great benefits and the tragic consequences that often come from fame and fortune in the porn industry. He also discusses the many controversial aspects to the business, including Mafia influences, the impact of the AIDS epidemic on the industry, and the myths and realities behind child pornography. Extensively researched and documented, A History of X is a fascinating exposé of a business few dare to touch. Luke Ford was educated in Australia and has worked as a radio host as well as a journalist. He now operates a website on the porn industry: [www.lukeford.com](http://www.lukeford.com).

Casey Cooper Mar 27 2020 Realtor Casey Cooper has overcome the obstacles of raising her younger siblings after the death of her parents and completing law school. Along the way, she falls in love

and is betrayed during a time when her only child was dying of cancer. Unable to cope, her loyal friends insist that she travel to Europe where she happens upon an unexpected encounter while shopping in a very busy market.

[Bad Girls and Sick Boys](#) Jun 29 2020 Linda S. Kauffman turns the pornography debate on its head with this audacious analysis of recent taboo-shattering fiction, film, and performance art.

Investigating the role of fantasy in art, politics, and popular culture, she shows how technological advances in medicine and science (magnetic resonance imaging, computers, and telecommunications) have profoundly altered our concepts of the human body. Cyberspace is producing new forms of identity and subjectivity. The novelists, filmmakers, and performers in *Bad Girls and Sick Boys* are the interpreters of these brave new worlds, cartographers who are busy mapping the fin-de-millennium environment that already envelops us. *Bad Girls and Sick Boys* offers a vital and entertaining tour of the current cultural landscape. Kauffman boldly connects the dots between the radical artists who shatter taboos and challenge legal and aesthetic conventions. She links writers like John Hawkes and Robert Coover to Kathy Acker and William Vollmann; filmmakers like Ngozi Onwurah and Isaac Julien to Brian De Palma and Gus Van Sant; and performers like Carolee Schneemann and Annie Sprinkle to the visual arts. Kauffman's lively interviews with J. G. Ballard, David Cronenberg, Bob Flanagan, and Orlan add an extraordinary dimension to her timely and convincing argument.

**Good Porn** Oct 02 2020 Porn. Do you think of it as a dirty word, a taboo topic, something you associate with cheesy films with bad plots? Filmmaker and author Erika Lust is here to change all that. With the goal of making porn more accessible to women, Good Porn examines the films, the industry, and the phenomenon. It breaks away from any assumptions you may have about porn, opening the door for a wholly new conversation about a medium that has too long been considered the domain of men. Come on in, ladies . . . the water's just fine.

Out of Bondage Jun 10 2021 The Deep Throat star's raw account of life after leaving the porn industry, featuring an introduction by feminist icon Gloria Steinem. Portrayed by today's biggest movie stars, screen legend Linda Lovelace was just twenty-three when she became the queen of porn in the blockbuster movie Deep Throat. Her bestselling memoir Ordeal laid bare the nightmare of terror, rape and perversity she suffered during the making of the film. Now she tells the harrowing and compelling story of how she survived to build a different kind of life. In her own candid words, Linda describes her escape from a brutal past to become a wife and mother, proving

she could be more than a sex object who spent her days in fear. Step by step she gained control of her own future. Honest, at times shocking, and in the end inspiring, this is an unforgettable portrait of a woman who learned to believe in herself.

**American International Pictures** Nov 22 2019 American International Pictures was in many ways the "missing link" between big-budget Hollywood studios, "poverty-row" B-movie factories and low-rent exploitation movie distributors. AIP first targeted teen audiences with science fiction, horror and fantasy, but soon grew to encompass many genres and demographics--at times, it was indistinguishable from many of the "major" studios. From Abby to Zontar, this filmography lists more than 800 feature films, television series and TV specials by AIP and its partners and subsidiaries. Special attention is given to American International Television (the TV arm of AIP) and an appendix lists the complete AITV catalog. The author also discusses films produced by founders James H. Nicholson and Samuel Z. Arkoff after they left the company.

Still Life: Nine Stories Oct 22 2019 Still Life: Nine Stories contains seven previously published stories and two brand-new, never-before-seen originals, by Bram Stoker Award-, Thriller Award-, and Shirley Jackson Award-nominated author Nicholas Kaufmann. *My Story by Marilyn Chambers (Hardback)* Dec 28 2022 This is the hardback version. The intimate, uncensored erotobiography that is pure-as-Ivory Snow. The sexy girl next door who turned on the world talks openly in detail about her fantasies and what turns her on. Twenty-six pages of personal photos of the star of Behind the Green Door and The Resurrection of Eve. "Marilyn was a legend in porn before her time. She set the gold standard that all other actresses attempted to emulate." - Larry Flynt "Marilyn Chambers was by far a stunningly beautiful woman inside and out. Though I never worked with her on film I did work with her in other ways. She was sweet, engaging, thoughtful to her fans and just a real down to earth woman. I miss her very much." - Seka "With her starring role in Rabid, her Ivory Snow escapade, and her incredibly HOT performances in Adult with her naturally slender, muscular physique, Marilyn rose to fame quickly. She was the only actress in porn that hired her directors, they did not hire her. Marilyn hired you, you did not hire her. She owned her roles and was not hired help." - Ron Jeremy

*Hindsight: True Love & Mischief in the Golden Age of Porn* Sep 01 2020 HINDSIGHT is one man's remarkably revealing story about sex and relationships, on the silver screen and in his private life. Howie Gordon (screen name Richard Pacheco) was an award-winning actor during The Golden Age of Porn, whose memoir does not duck the question, "What about love?" With charm, passion, wit, and what may best be described as a crude elegance, Gordon's story takes us back to the fabled Baby Boomer era, when erotic films took a dramatic step closer to mainstream entertainment in America. His memoir recounts scenes with Marilyn Chambers, Georgina Spelvin, Seka, Annette Haven, Kay Parker and many others. This was the heyday of John Holmes, John Leslie, Jamie Gillis and Anthony Spinelli, and they are all characters in what may prove to be the finest inside story to ever come out of the fascinating world of Adult Films during its Golden Age. Ultimately, HINDSIGHT is a surprising love story: here in a triumph over incredible odds, is an unlikely victory for true love, common sense, and the American way. Full of pictures and high spirits – this memoir is a great read, whether you know the world of porn, or are just a curious reader. "It was the time of storytelling with an X Rating, and there's no one better to tell this story than my friend Howie Gordon." - Whoopi Goldberg "Howie Gordon writes about life as a porn star with more honesty, integrity and humor than any other porn star, ever! You will laugh, cry, and fall in love. I hope his book gets made into a movie, because it will be a one-of-a-kind blockbuster." - Annie Sprinkle, Ph.D. Post Porn Modernist "Mark Twain meets Don Juan—a delectable fusion of brains and balls!" - Dr. Marianna Beck, Ph.D.

## The Material Culture of Sex

**John Holmes: A Life Measured in Inches (NEW 2nd EDITION)** May 09 2021 Most people might, understandably, predict that the world's first porn star was a woman, but they would be wrong. John Curtis Holmes was just a simple country boy from Ohio when he moved to California in 1964. It was the infancy of hardcore, so in Holmes' wildest dreams, he could not have predicted the turbulent ride on which he had embarked by publicizing his private parts. With the fame he achieved by playing his most famous character - a gun toting detective named Johnny Wadd - came money. Holmes was pleased to spend it on his wife and mistresses, but soon was in over his head after he became addicted to cocaine. Unfortunately for Holmes, in the years that followed, his addiction led him into several desperate choices - including setting up a robbery at the home of Ed Nash, a powerful L.A. nightclub owner. The robbery resulted in one of the most gruesome, unsolved, multiple-murders in Hollywood history. Amazingly, before his untimely death in 1988, Holmes regained his momentum, remarried and rebuilt his life and career. However, the grave consequences of his addiction, his association with the Wonderland murders, and his AIDS-related death made him an infamous figure in pop culture. Digging past the stigmas, *John Holmes: A Life Measured in Inches* - the first biography about John C. Holmes - unearths the human being behind the penis and proves that there was more to him than could be measured in inches. This biography includes material from the authors' new interviews with: Laurie Holmes, Bill Amerson, Bob Chinn, Julia St. Vincent, Detective Tom Lange, Detective Frank Tomlinson, Paul Thomas, Ron Jeremy, Seka, Marilyn Chambers, Candida Royalle, Rhonda Jo Petty, Dr. Sharon Mitchell, Bill Margold, and many others! *John Holmes: A Life Measured in Inches* also includes 114 reviews of John's most notable feature films, 86 loops synopses, 3 photos sections with rare nudes, and a 21 page comprehensive

filmography. "The tree of life represents the roots of man. The branches are the different directions a man can take, live or exist. When you're dead, those that you leave behind will put you in a part of that tree. It represents what was, what is and what will be. It's eternal." -- John Holmes

*The Myth of Women's Masochism* Jul 31 2020 "Finally, a definitive study that debunks one of Freud's most damaging myths--that women are inherently masochistic--...offers healthier ways...to view female behavior." MS. Magazine "Concrete, convincing...sensible...revolutionary, calling for nothing short of a revision in our thinking about women..." Philadelphia Inquirer "...not a quick-fix pop psychology do-it-yourselfer but a thoughtful examination of a persistent, self-defeating myth." Chicago Tribune "...outstanding scholarly debunking of [an] extremely damaging cultural belief...it contains valuable lessons for...the mental health professions." The Canadian Horror Film Mar 07 2021 From the cheaply made "tax-shelter" films of the 1970s to the latest wave of contemporary "eco-horror," Canadian horror cinema has rarely received much critical attention. Gina Freitag and André Loiselle rectify that situation in *The Canadian Horror Film* with a series of thought-provoking reflections on Canada's "terror of the soul," a wasteland of docile damnation and prosaic pestilence where savage beasts and mad scientists rub elbows with pasty

suburbanites, grumpy seamen, and baby-faced porn stars. Featuring chapters on Pontypool, Ginger Snaps, 1970s slasher films, Quebec horror, and the work of David Cronenberg, among many others, *The Canadian Horror Film* unearths the terrors hidden in the recesses of the Canadian psyche. It examines the highlights of more than a century of Canadian horror filmmaking and includes an extensive filmography to guide both scholars and enthusiasts alike through this treacherous terrain.

**A Tale of Two Brothers (trade Softcover)** May 29 2020 In 2007, when Keith Kakugawa found himself on the streets of Downtown LA, fresh out of prison, he reached out to his high school friend, Senator Barack Obama. Unfortunately, he was portrayed as a saboteur by a member of the Presidential election campaign. Though Keith felt left out to dry at a time when he could have used a hand up, he has remained faithful to his friend. Keith was known simply as "Ray" in Obama's book "Dreams From My Father." In the absence of Barack's father, and without any strong Black role models in his life, Barack forged a tight bond with Ray. Having lived in LA before Honolulu, Ray was an authentic example of the Black experience. For Barack, it was a time of exploration and reflection, of discovery about what it meant to be Black. Keith was also a big brother role model to Barack, during his search for identity and quest to be a man. One brother used that time of sharing toward becoming the President of the US, while the other took turns to becoming a convicted felon.

**Motion Picture Series and Sequels** Dec 16 2021 In 1989 alone, for example, there were some forty-five major motion pictures which were sequels or part of a series. The film series phenomenon crosses all genres and has been around since the silent film era. This reference guide, in alphabetical order, lists some 906 English Language motion pictures, from 1899 to 1990, when the book was initially published. A brief plot description is given for each series entry, followed by the individual film titles with corresponding years, directors and performers. Animated pictures,

documentaries and concert films are not included but movies released direct to video are.

**Immodest Proposals** Sep 13 2021 Out of necessity in frankly covering a murky subject like pornography, this book may occasionally have language that could be offensive to some people. The book explores pornography in a social context that originated with the first clothing and the first language. The exploration continues with the invention of the camera, its offering of new opportunities in pornography, and various legal and social interactions growing out of these. The author explores a hypothesis that interest in pornography has its roots in a debaucher-debauchee dichotomy beginning with civilization, and this generates the spectator fascination, commercial customers, pornography creators, and porno models themselves. Touches on the history of pornography, legal issues raised by pornography, and descriptions of aspects of pornography should enlighten readers to an enormous and real cultural phenomenon lurking below the surface of our contemporary civilization and not without its effects on everyone.

*You've Heard These Hands* Nov 15 2021 (Book). As a keyboard musician, composer, arranger, music director, and record producer, Don Randi has thrilled music lovers for years, even if they weren't aware of it... until now. He played keyboards on over a thousand popular recordings and was a member of the remarkable "Wrecking Crew" of studio musicians during the explosive pop music era of the 1960s and early 1970s. Nancy Sinatra, the Beach Boys, the Jackson 5, Elvis Presley, Sammy

Davis Jr., Neil Diamond, and Linda Ronstadt are among the many music greats Randi has worked with and writes about in *You've Heard These Hands*. For many years, only music industry insiders, close friends, and jazz fans who visit Randi's nightclub, the Baked Potato, have heard him tell some of the amazing, heartfelt, and hilarious personal stories in this collection. Now everyone can discover the in-studio, behind-the-scenes, and on-tour tales from the man whose hands we've heard playing on our favorite hit tunes. *You've Heard These Hands* will capture the attention and emotion of its readers, who won't be able to resist sharing Randi's stories with their friends.

[Off Broadway Musicals, 1910-2007](#) Oct 14 2021 Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular *A Chorus Line* and *Rent* to more off-beat productions like *Avenue Q* and *Little Shop of Horrors*. And while it remains to be seen if other popular Off Broadway shows like *Stomp*, *Blue Man Group*, and *Altar Boyz* will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography,

and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

Sex and Film Jul 11 2021 Sex and Film is a frank, comprehensive analysis of the cinema's love affair with the erotic. Forshaw's lively study moves from the sexual abandon of the 1930s to filmmakers' circumvention of censorship, the demolition of taboos by arthouse directors and pornographic films, and an examination of how explicit imagery invaded modern mainstream cinema.
