introduce Hindu gods and goddesses to children • Beautiful illustrations with all stories • Puzzles and coloring pages for fun • Great for parent-child bonding IntroductionThe moment I say to anyone that I am writing a book about Maa Durga and the festival of Navratri, the response I get is why another book when the market is full of numerous books on this topic.Let me explain why?The books and the information on internet regarding this topic provides answers to the "How" rather than the "Why".Some examples of the "Why" questions that arose in my mind and which prompted me to seek their answers are below: Why did Maa Durga take different forms?Why do we worship different manifestations of Maa everyday over the nine days of Navratri?Why did some of Maa's forms have two arms whereas some others have four, or six or even ten? Why is Maa hlding different objects in her hands?Why is each different form of Maa showing her sitting on different animals like the Lion, the Tiger or the Bull? Why is Maa shown standing barefeet in a picture vs one where she is shown in a bizarre and rather unpleasant form riding a running donkey? I believe that the answers to these and more questions lies in the link between the various forms that Maa took and the Nine Chakras that reside in the human

body. The forms that Maa took was Maa's way of projecting the significance of the Nine Chakras to us. There is a deep meaning behind each object that Maa carries in her arms, on each of her nine forms, which are worshipped over the nine days of Navratri. And this deep meaning is a way of Maa giving us the teachings that can enhance our day-to-day lives. Ahi is an aspiring publisher and wishes to make it big someday. From the time we are born, we are socialized into playing traditional gender roles. Certain differences between the sexes are natural while the others are cultural and social (manmade). The book explores men and women's relationships with each other—mother-son, father-daughter, mother-daughter, father-son, brother-sister, girlfriend-boyfriend, husband-wife—and themselves. Be it any relationship, there are men and women involved. The kind of relationship we share with the same or opposite gender stems from our very first relationship with that gender, that is, with a mother and a father. And this is what the book deals with. Delving into the dynamics of these relationships, it brings forth a new definition of what it means to be a man or a woman through the characters Rhea, Siddhartha and Rohan. "This book gives you a formula for a stress-free life." - JAN SAMNA "An attempt to solve the unsolved mysteries of life." - STATE MEDIA "A detailed investigation of the hidden secrets of yoga and meditation." - DAINIK BULAND SANDESH "This book explains how to live a tension-free life." - DAINIK SAVERA The 'SECRET' has been hidden for ages and made known only to a select few. Even enlightened saints have tried to hide it. Even though this secret is mentioned in all religious, various sects/ groups patented this Ultimate Truth as their own knowledge & thus unavailable for the common men. But, the time has come to reveal this secret. In this book, I will reveal "THE SECRET", based on my own experience of 'ENLIGHTENMENT'. This book, which is the first in the series of seven books, will guide you on this uphill task of SELF-REALIZATION, but with easy examples that you can relate to: like a smartphone. I promise you that at the end of this seven-part journey, you can experience

God: THE ULTIMATE TRUTH. Precisely speaking, this book is a complete guide for successful materialistic and spiritual life (AWAKENING) and it can answer your all queries. Lifeless or lively, the choice is ours. Divine or demonic, the choice is ours. Worshiping an idol or worshiping our souls, the choice is ours. But then why do we choose to disrespect our strength? Why do we choose to displease ourselves? You think Durga has an answer for this. Yes! She does. But you have to listen to your soul. You have to introspect about yourself to hear what she says about choices-which is the foundation of your strength. Nobody is powerful, they make themselves powerful, they make constant effort to fight fears, thoughts, agony to shape themselves. Durga was formed by the trinity because the trinity fell short of power. They were at an endangering stage when the Devi was birthed. Likewise we are formed by our parents. Like Durga even we have a purpose but what we lack is awareness. We are living but oblivious of who we are? We are living but are wondering why we wander so much? We don't know why we exist and that is exactly the idea of this book, The Strength of Durga: A Perception. While the writers believed that they were penning down the strength of Durga, they were in reality writing about how they envision themselves. We have created a form, of Durga but not sure if Durga looked like her, so the idol that we imagine and write is our divine reflection, our best self and that is a

chapter that we have yet not touched . Therefore, the code of this book is plain - Durga's Strength = Your Strength And with this code you can unlock the meaning of this book. This book is rooted in Devi Maa's instruction and guidance. The true credit for writing this book only and only goes to Devi Maa herself. I only played a role of a medium or you can say a postman who was appointed to deliver her 'love letter 'that is her love and grace in form of this book for all her beloved devotees. This book shall automatically get delivered and reach every home, whom Devi Maa herself would like to send to, here 'every home means every heart'. May it open a new door for each one of you and remind you how much you are loved and of the strength that lies within you. "I became the vessel and she became the energy that flowed and poured." I was called to write through the voice of Maa Shakti (universal mother goddess), which lives in my own heart. This book is a reminder for every devotee that the divine mother and her grace is always with each one of us. Love and Grace of Maa Durga is a collection of Devi Maa's real miracles and encounters in life experienced by many of her devotees, including me; these stories of grace have been shared here to reach out and inspire readers. This book is not just a book on miracles of the supreme deity, Devi Maa. It is actually her love, grace and shakti and, while reading, you will be able to sense her energy, healing and love in your hearts; you will feel a connection with her in your subconscious. Jai

Mata Di! THIS BOOK CONTAINS: DURGA CHALISA,MAA DURGA AARTI,SHAKTI MANTRA,DURGA SARV BAADHA MUKTI MANTRA,DURGA ASHTOTTARA SATA NAMAVALI,NAVA DURGA STOTRAM . Phoolbasan: Fearless, Fierce, and Unfazed Born to Jhadiram and Sumitra, in a small village in Chhattisgarh, Phoolbasan Yadav led a life of great adversity. Like several other families in the Chhuria tehsil, her family was crushed under the debilitating weight of poverty. The siblings and their parents often went hungry-affording even two meals a day was a luxury for them. Phoolbasan rose from these circumstances and became a symbol of resilience not just for her village, but for women across the country. Her story is a stunning example of how one can battle socio-economic factors and emerge victorious. For Phoolbasan, it was always clear that success and well-being cannot be achieved alone. We are stronger together. Right from the beginning, her life was littered with examples of how helping one another led to happiness for all. As a child, she was unable to access an education, as her parents could not even dream of affording the school fee, uniforms, and books and so on. In fact, her father was also opposed to her studying as she was a girl. It was only through financial help from the friendly customers who frequented her parents' tea stall, that Phoolbasan was able to receive primary education. Her spirit was recognized by those around her, and they were moved to

help her. Despite excelling at school, she was not able to progress to secondary education as yet another social evil entangled her- child marriage. In fact, the financial condition of her new household was even worse. Having given birth to her first child at the age of fourteen, she was unable to feed her children. Phoolbasan took it upon herself to not only escape this cycle of poverty but to also empower other women to do the same. She began speaking to the women around her, and organized small self-help groups. Her knowledge and presence of mind led to the entire village making better spending and saving decisions. Though the women were initially opposed by the orthodox villagers, and even the panchayat, they eventually proved to everyone that they were on the right path. Phoolbasan too had to undergo domestic violence at the hands of her husband, who could not comprehend that he was married to a path breaking woman. He supported her later, once he could look beyond his prejudices. Phoolbasan and her Maa Bamleshwari Svayam Sahayta Samiti empowered many villages. They gradually expanded beyond the scope of household finances. They not only spread awareness on the importance of education for children, and bore the expenses of hundreds of poor students, but also organized classes for women who had not had access to schooling during their childhood. Amongst other things, the group held blood donation camps, cleanliness drives, anti-addiction campaigns,

and a movement against open defecation. The women even outperformed the men of their village in bidding for the local bazaar. In that scenario, they were faced with physical and verbal threats, and had to rise to the occasion, proving the strength of united groups of women. This is just one example from the life of Phoobasan Yadav, a woman who refused to be held back by social norms. 5000 Maa Durga Maha-mantra lekhan pustika.
