Watch Me Read and Draw: Dinosaurs Sep 01 2020 Watch Me Read and Draw: Dinosaurs is a step-by-step drawing and story book that teaches kids how to draw 11 different dinosaurs with simple steps and a fun, engaging story. What's better than reading and drawing? Doing them together, in the same book! The Watch Me Read and Draw book series is special because it blends two things together that kids love: reading and drawing! It's easy and fun to learn to draw, especially when there's a story to read and lots of stickers. In Watch Me Read and Draw: Dinosaurs, kids will read about Pete the pterodactyl who discovers an egg and sets out to find its parent. Throughout the story, readers will learn to draw 11 prehistoric pals, step by step, including dinosaurs that roamed the land, air, and sea. Included are drawing instructions for a Pterodactyl, Apatosaurus, Compsognathus, Sauroposeidon, Ankylosaurus, Ornithomimus, Stegosaurus, Tyrannosaurus rex, Diplodocus, Mamenchisaurus, and Triceratops! Each page features easy-to-follow instructions so young artists can draw all of the dinosaurs from the story, one step at a time. Basic shapes that kids will recognize make it easy to follow along and learn how to draw. The flip-out drawing pad also offers drawing prompts and simple shapes for a jump-start, making it enjoyable and fun to draw favorite dinosaurs. Plus, there's a whole bunch of colorful stickers inside to reward them as they complete the story along the way, and a prehistoric scene at the end to make their very own! It's the perfect starter drawing book for kids who love to read and draw.

How to Draw Dinosaurs Step-by-Step Guide Sep 25 2022 People who love kids spend a sizeable amount of their adult life obsessing about how their lives would be with kids in it. They wonder how they can be good parents and be their kids' ultimate companion. They actively or passively prepare for this period of their lives and try to figure out ways to connect with their kids. The kids came with a need to express themselves, and it turns out that drawing is one of these needs. Herein lies the problem; the parent cannot draw. If this is your story, we understand how hard it is for you to confront that wrong notion that you cannot be there for your kids. You do not have to feel this way because you can always get help. Now, that help has come in the form of this drawing book. You do not have to feel like you are not doing enough for your kids in the area of creative expression because now, you can always bring out this book and guide them on how to use it to fulfill their drawing needs. The best part of this is that you will be doing it together; you learn as they learn and at the same time, you get to connect with them on a deeper level. So yes, you may not have much artistic or drawing skill, but you can help your kids develop theirs, and this book and the drawing guides in it will help you get them there. You and your kids are about to have the most amazing creative experience - one that you will talk about for years to come.
