Jan 25 2020 This series consists of three practice test books which provide systematic development of students' listening and speaking skills. It also offers excellent preparation for the revised Cambridge First Certificate Examination or any other examinations at the same level. Part B consists of ten speaking tests and covers a wide variety of topics such as holidays, entertainment, etc. Each Speaking Test is preceded by a Preparing for the Speaking Test section. Students are also trained to organise their speech coherently and to display an appropriate variety of linguistic resources. There are also two additional Speaking Tests at the end of each book to prepare students to meet the requirements of the exam.
