The Epistle to the Hebrews Dec 16 2021 F.F. Bruce's study on the Epistle to the Hebrews is a

contribution to The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God. *The Epistle to the Hebrews and Christian Theology* Jul 23 2022 The second annual St. Andrews Conference on Scripture and Theology brought leading biblical scholars and systematic theologians together in conversation, seeking to bridge the growing gap between these disciplines. Reflecting the convergence of the Old Testament's cultic theology, Hellenistic ideas, and early Christian thinking, the epistle to the Hebrews provides a perfect foundation for this fruitful dialogue. / The contributors examine a number of key theological themes in the letter to the Hebrews: the person and nature of the Son, his high-priestly work, cosmology, the epistle's theology of Scripture, supersessionism, the call to faith, and more. Unlike many modern treatments, this substantial volume considers Hebrews in both its ancient context and against our modern backdrop. / Edward Adams, Loveday Alexander,

[A Commentary on St. Paul's Epistle to the Galatians](#) Feb 18 2022

[The Second Epistle to the Corinthians](#) May 09 2021 This excellent commentary on 2 Corinthians by Paul Barnett illuminates the historical background of the church at Corinth and clarifies the meaning of Paul's passionate letter both for those first-century Christians and for the church today. Assuming the unity of the letter, for which extensive argument is offered, Barnett takes the view that Paul is, in particular, addressing the issue of triumphalism in Corinth. This triumphalism is expressed by the newly arrived missionaries who portray Paul as "inferior" to themselves; it is also endemic among the Corinthians. According to Barnett, the recurring theme of the letter is "power-in-weakness", based on the motif of the Resurrection of the Crucified, which lies at the heart of the gospel of Christ. Also fundamental to the letter is the theme of fulfillment of the "promises of God" by Christ and the Spirit under the New Covenant. Written for scholars,

pastors, and lay readers alike, this new commentary on 2 Corinthians will be a lasting reference work for those interested in this important section of Scripture.

Notes, Explanatory and Practical, on the Second Epistle to the Corinthians and the Epistle to the Galatians Jan 25 2020

[The Epistle to the Romans](#) May 21 2022 This inductive Bible study focuses on a message for the early Christian church in the city of Rome, carefully examining the apostle Paul's concerns for believers. This in-depth 23-week study takes a close look at the theology presented by Paul and investigates the practical guidelines for those who are in a relationship with Christ.

A Commentary on the First Epistle to the Corinthians Dec 24 2019

Commentary on Paul's Epistle to the Romans Sep 13 2021 The Apostle Paul is considered to be one of the two most important people in the history of Christianity, and one of the greatest religious leaders of all time. Almost half of all the books of the New Testament are credited to his authorship. Thus, we present the *Commentary on Paul's Epistle to the Romans*, by William S. Plumer. The missionary activities and writings of the Apostle Paul transformed religious belief and philosophy around the Mediterranean Basin, and eventually, around the world. Every Christian has read Paul's Epistle to the Romans, but this book will give you greater understanding and a deeper appreciation of the entire Bible. According to William S. Plumer, fourteen epistles in the New

Testament are attributed to Paul, whose leadership, influence and legacy led to the formation of communities dominated by Gentile groups who worshipped the God of Israel, and followed Jesus Christ as the only doorway to the Lord God. Serious Biblical students and devoted Christians alike will realize a deeper appreciation of their Christianity through an in-depth study of the *Commentary on Paul's Epistle to the Romans* by William S. Plumer D.D., L.L.D.

A Commentary on the Epistle to the Hebrews Jun 10 2021

[The Epistle to the Hebrews](#) Oct 02 2020 This commentary by Gareth Lee Cockerill offers fresh insight into the Epistle to the Hebrews, a well-constructed sermon that encourages its hearers to persevere despite persecution and hardships in light of Christ's unique sufficiency as Savior. Cockerill analyzes the book's rhetorical, chiasmic shape and interprets each passage in light of this overarching structure. He also offers a new analysis of the epistle's use of the Old Testament -- continuity and fulfillment rather than continuity and discontinuity -- and shows how this consistent usage is relevant for contemporary biblical

interpretation. Written in a clear, engaging, and accessible style, this commentary will benefit pastors, laypeople, students, and scholars alike.

The Broken Wall Oct 26 2022 In this significant book an eminent theologian challenges the reader to give heed to a most important portion of the Scriptures, Paul?

Commentary on St. Paul's Epistle to the Romans Jul 11 2021

John Calvin's Commentaries On St. Paul's First Epistle To The Corinthians Vol.1 (Annotated Edition)

Mar 07 2021 This is the extended and annotated edition including * an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. THE EPISTLES OF PAUL TO THE CORINTHIANS form a most important part of the Sacred Writings. Though not so systematic as the Epistle to the ROMANS, they contain many passages, bearing directly on the fundamentally important doctrines of the Christian system, while they are of the highest utility in connection with Practical Theology. The disorders that had unhappily crept into the Church at Corinth, gave occasion for the Apostle's handling at greater length than in any of his other Epistles various important points as

to doctrine and worship; while the relaxed state of discipline that had begun to prevail among them rendered it necessary to exhibit more fully the principles which ought to regulate the administration of the Christian Church. In this the overruling hand of Him who brings good out of evil is strikingly apparent. This volume contains chapters 1 to 14, please find chapters 15 and 16 along with the whole Second Epistle in the next volume.

Paul's Epistle to the Romans Jun 29 2020 It is the aim of the present book to fix attention, not so much on the incidental puzzles of the Epistle, as on its main intention. What are the principles of Christianity as Paul here presents them? How does he apply them to the needs of his time? How can we give effect to them in our world today, which is so different from that of Paul and yet, in many respects, so like it? The Epistle to the Romans, for all its wrappings of ancient thought and language, is essentially a modern book, and only when we so read it can we apprehend its true message. - Preface.

The Commentaries of Origen and Jerome on St. Paul's Epistle to the Ephesians

Apr 27 2020 These translations of fragments of Origen's 'Commentary on Ephesians' and the complete text of Jerome's 'Commentary on Ephesians' use collateral texts from other works of Origen, Jerome and Rufinus to show Jerome's dependence on Origen in numerous passages of his own commentary.

St. Paul's Epistle to the Ephesians Mar 19 2022

The First Epistle to the Corinthians Nov 27 2022 Gordon Fee's work on I Corinthians is a contribution to The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God. **The Epistle to the Romans** Feb 06 2021 Includes text of Romans in New International version.

The Epistle to the Romans Aug 24 2022 Paul's letter to the Romans has been called "the quintessence and perfection of saving doctrine." Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament, Romans deals with many issues that are basic to Christian theology and practice. In this volume respected New Testament scholar Douglas J. Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today. Based on the English text but bringing into the discussion the underlying Greek at every point, this commentary focuses both on theological meaning and on contemporary significance. Moo contributes to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between Jews and Gentiles in the people of God. He also critically interacts with "the new perspective on Paul," highlights Romans's emphasis on "practical divinity," and

traces the theme of gospel throughout the epistle. - Publisher.

The Epistle to the Romans Mar 02 2023 Named one of Church Times's Best Christian Books This volume provides a much-needed English translation of the sixth edition of what is considered the fundamental text for fully understanding Barthianism. Barth--who remains a powerful influence on European and American theology--argues that the modern Christian preacher and theologian face the same basic problems that confronted Paul. Assessing the whole Protestant argument in relation to modern attitudes and problems, he focuses on topics such as Biblical exegesis; the interrelationship between theology, the Church, and religious experience; the relevance of the truth of the Bible to culture; and what preachers should preach.

Perseverance in Gratitude Oct 22 2019 This commentary is the first to fully apply the resources of socio-rhetorical analysis to Hebrews. Insights into the cultural and social world of the audience are combined with analysis of the author's rhetorical strategy and ideology to create a rich, three-dimensional reading that helps unravel key issues in the interpretation of the epistle. David deSilva's reflections on application concluding each section also make his commentary valuable to seminarians and pastors seeking to make Hebrews relevant to today's world.

The Lutheran Commentary: Voigt, A. G. The Epistle to the Ephesians. Horn, E. T.

The Epistle to the Philippians. Horn, E. T. The Epistle to the Colossians. Horn, E. T. The First Epistle to the Thessalonians. Horn, E. T. The Second Epistle to the Thessalonians Oct 14 2021

The Teaching of the Epistle to the Hebrews Jul 31 2020 In this book, Dr. Vos' reflects on the Epistle to the Hebrews and its theological themes. In chapter 1, Vos explains why the outstanding feature of the Epistle is its connection with the Old Testament and why the Old Testament is prominent in it. In Chapter 2, Vos discusses the Epistle's conception of the "Diatheke" - the new covenant, new testament, new organization of relationship between God and humanity - and shows how the Epistle's conception affects the whole of Christianity. In chapter 3, Vos points out that the Epistle presents its own philosophy of redemption and revelation and that it presents a significant, and corrective teaching on the subject of Christian eschatology. In the remaining portion of this chapter the author analyzes the Typology of the Epistle, the Problem of the Inferiority of the Old Testament from the religious point of view, and the Epistle's doctrine of revelation. In chapter 4, Vos lays out the Epistle's teaching of the Priesthood of Christ and in Chapter 5 he concludes with a discussion of the better sacrifice: the sacrifice of the new covenant. This last chapter also contains helpful notes on the ritual terminology employed by the writer of the epistle. Geerhardus Vos (1862-1949) was born in the Netherlands and emigrated to the

USA in 1881. He earned degrees from Calvin Theological Seminary, Princeton Theological Seminary, and the University of Strasbourg (Ph.D. in Arabic). In 1894 he was ordained as a minister in the Presbyterian Church in the USA. Before beginning a 39-year tenure on Princeton's faculty, he was professor of systematic and exegetical theology at Calvin for five years. Editor: James T. Dennison Jr. (M.Div., Th.M., Pittsburgh Theological Seminary) is academic dean and professor of church history and biblical theology at Northwest Theological Seminary, Lynnwood, Washington. he is the editor of the English translation of Turretin's three- volume Institutes and author of The Market-Day of the Soul; The Puritan Doctrine of the Sabbath in England, 1532- 1700, as well as numerous scholarly articles.

Letters That Paul Did Not Write Apr 08 2021 The point of this work is not to dispute the authorship of these letters but rather to reveal what these letters have to say to us as Christians, whether the letters are actually Paul's or are merely written in his style. This work does, however, address a host of issues raised by the non Pauline origin of these letters for believers, the Churches, and exegetes themselves.

Pelagius's Commentary on St Paul's Epistle to the Romans Jan 17 2022 The Pelagian controversy - whether man is saved through predestination or by his own free will - has proved one of the most enduring and fiercely

contended issues of the Christian church, and has secured Pelagius a lasting place within its history. Few of Pelagius' writings, however, have been preserved, and until recently none was available in English translation. This volume presents Pelagius' commentary on Paul's Letter to the Romans for the first time in English. The commentary, one of thirteen on the Pauline Epistles, dates from the time when Pelagius was active in Rome, before he became embroiled in controversy. But already there are adumbrations of the later debate and signs of different currents of thought in Italy and beyond. In his introduction Theodore de Bruyn discusses the context in which Pelagius wrote the commentary and the issues which shaped his interpretation of Romans. He also takes up questions about the edition of the commentary. The translation is annotated with references to Pelagius' contemporaries. A new recension of Pelagius' text of Romans is presented in an appendix.

A Commentary on St. Paul's Epistle to the Philippians Mar 27 2020

The Epistle to the Galatians Feb 24 2020 Dunn explores the book of Galatians" possibly Paul's boldest exposition of the Gospel and one of the best examples that his theology emerged from the framework of a living community. Dunn's penetrating analysis and original translation makes Paul's rhetoric accessible to scholars, students, and laypersons. As with the other volumes in this series, you can expect a Scripture index, highlighted terms and phrases,

explanation of Greek and foreign terms, and references to primary and secondary literature. *Structure and Message of the Epistle to the Hebrews* Aug 12 2021 Includes reedited translations of: Le message de l'Épître aux Hébreux and A structured translation of the Epistle to the Hebrews, translated by James Swetnam.

The Epistle to the Ephesians Dec 04 2020 *Commentary on the Epistle to the Galatians, and Homilies on the Epistle to the Ephesians, of S. John Chrysostom* Apr 20 2022

Critical and Exegetical Hand-book to the Epistle to the Romans Sep 01 2020

The Epistle to the Galatians Jun 22 2022 F.F. Bruce's study on the Epistle to the Galatians is a contribution to The New International Greek Testament Commentary, a series based on the UBS Greek New Testament, which strives to provide thorough exegesis of the text that is sensitive to theological themes as well as to the details of historical, linguistic, and textual context.

The Epistle of Paul to the Galatians Nov 15 2021

Commentary on the Epistle to the Romans Dec 28 2022 Despite its importance and the

frequent references made to it by modern scholars, this commentary has never before been translated into English in its entirety. This volume, which includes an extensive introduction, fills this gap, thus providing a needed contribution to medieval scholarship. **The Epistle to the Romans** Jan 29 2023 Since its appearance nearly 35 years ago, Black's New Testament Commentary Series has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary. Each book in the series includes: an insightful introduction to the important historical, literary, and theological issues; key terms and phrases from the translation highlighted in the commentary where they are discussed; explanations of special Greek or foreign terms; references to important primary and secondary literature; and a Scripture index. C. K. Barrett's exegetical prowess, evidenced most distinctly in his volumes on the First and Second Epistles to the Corinthians, also in the Black's series, has long been appreciated in the world of biblical studies. Now, in his long-awaited, newly revised, verse-by-verse exposition of "The Epistle to the Romans" Barrett further enhances our understanding of the book of Romans, early Christianity, the apostle Paul and his theology, and the New Testament. This revised edition has been reworked, updated, and retypeset, and the inclusion of an index of ancient sources further adds to its usefulness. A master of thoroughness, historical backgrounds, and

ancient languages, Barrett offers insights for scholars, ministers, students, and anyone who wants to know more about Paul's Epistle to the Romans.

Commentary on St. Paul's Epistle to the Romans Sep 25 2022

A Critical and Exegetical Commentary on the Epistle to the Galatians Nov 03 2020 For over one hundred years, the International Critical Commentary series has held a special place among works on the Bible. It has sought to bring together all the relevant aids to exegesis - linguistic and textual no less than archaeological, historical, literary and theological-with a level of comprehension and quality of scholarship unmatched by any other series. No attempt has been made to secure a uniform theological or critical approach to the biblical text: contributors have been invited for their scholarly distinction, not for their adherence to any one school of thought. The first paperback editions to be published cover the heart of the New Testament, providing a wealth of information and research in accessible and attractive format.
