The World will become Peaceful, Beautiful and Abundant Mar 25 2020 THE WORLD WILL BECOME PEACEFUL, BEAUTIFUL AND ABUNDANT A compact instruction manual 150 methods to improve our world 196 pages. Paperback Seraphin Series, Book 3 By Rosie Jackson Our desecrated, ravaged earth requires massive overhaul. WHAT CAN WE DO? This instruction book for individuals and groups present 150 methods of making the world peaceful, beautiful and abundant. They focus on personal, social, cultural, environmental and global RESPONSIBILITIES. Most important, however, is the recognition of our divine responsibilities: "We are the drop of water in a polluted ocean. We are a genetically manipulated seed planted in a field which has been doused with artificial fertiliser. We are a small tender plant strangled by rampant weeds. We are a million stars in a far flung galaxy. If we can take on these roles, we will ask WHY and search for solutions. If we are in polluted water, we will seek METHODS OF PURIFICATION. If we are a genetically manipulated seed, we will seek METHODS TO REVERSE ADVERSE PROGRAMING. If we are planted in contaminated soil, we will seek METHODS TO REGNERATE NATURALLY. If we are strangled by weeds, we will seek METHODS OF CLEARING THE MENTAL JUNGLE. And if we are a million stars, we will be encouraged to LIVE OUR INFINITE POTENTIAL AND SPREAD LIGHT ETERNALLY" These poetic as well as practical pearls of wisdom have been provided by the angel Seraphin, and have been received telepathically between 2009 and 2020 by the author and artist, Rosie Jackson.

The Dog Owner's Manual Dec 26 2022 At Last! A Beginner's Guide to Canine Technology Pee stains on the carpet. Barking at all hours of the night. That embarrassing thing he does with your leg. It's enough to make you cry out, "Why doesn't my dog have an owner's manual?" And now, thankfully, he does. Through step-by-step instructions and helpful schematic diagrams, The Dog Owner's Manual explores hundreds of frequently asked questions: Which breeds interface best with children? How can I program my model to fetch? And why is its nose always wet? Whatever your concerns, you'll find the answers right here—courtesy of celebrated veterinarian Dr. David Brunner and acclaimed author Sam Stall. Together, they provide plenty of useful advice for both new and experienced dog owners.
