The Story of Vicente, Who Murdered His Mother, His Father, and His Sister Oct 23 2022 The intimate story of a teenager's murder of his family, from award-winning Mexican journalist In Ciudad Juárez, just across the Rio Grande from El Paso, Texas, sixteen-year-old Vicente and two of his high school friends murdered his mother, his father, and his little sister in cold blood. Through a Truman Capote-like reconstruction of this seemingly incomprehensible triple murder, Sandra Rodríguez Nieto paints a haunting and unforgettable portrait of one of the most violent cities on Earth. This in-depth and harrowing investigation into the thought processes of three boys leads the reader on an exploration of the city of Juárez, as well as the drug cartels that have waged war on its streets, in a bold attempt to explain the inexplicable. Ideally qualified for telling this story, Sandra Rodríguez Nieto was an investigative reporter for the daily newspaper El Diario de Juárez for nearly a decade. Despite tremendous danger and the assassination of one of her closest colleagues, she persisted. She didn't want the story of her city told solely by foreign reporters, because, in her words, "I know what is underneath the violence." This book traces the rise of a national culture of murder and bloody retribution, and is a

testament to the extraordinary bravery of its author. Among other things, *The Story of Vicente* is an account of how poverty, political corruption, failing government institutions and US meddling combined to create an explosion of violence in Juárez.

Give Me Your Heart May 26 2020 Shortly before his father passed away, Pastor Cliff Lea pondered a verse tucked away in the 23rd chapter of Proverbs: "My son, give me your heart and let your eyes keep to my ways" (Proverbs 23:26). What did Solomon mean when he asked his son to "give me your heart?" Since we are to give our hearts to Jesus, how are we to give them to our earthly fathers? In an easy flowing style filled with profound personal stories, Pastor Cliff describes how he "gave his heart" to his father and how the example of his earthly father Dr. Tommy Lea is still impacting his life some ten years after his death. Taking from his Dad's example, he spells out a host of lessons he is still learning from his father. In doing so, he also describes the benefits and vital importance of having a strong heart connection between parents and children.

Questions For My Father Sep 22 2022 I had ample opportunity to ask Dad these questions when he was alive, But it seemed that a million reasons not to do so could

always be found. It was a waste of everything Dad had ever seen, done, and thought about not to hear his answers, and I regret not finding out more about him when I had the chance. Questions for My Father was borne of that regret and has one underlying objective: to develop a blueprint for discovery so that children of any age can start to build a clearer, deeper picture of the man behind the word . -- Vincent Staniforth

De jongen die zijn vader naar Auschwitz volgde Jan 26 2023 Het waargebeurde verhaal van het gevecht van een vader en een zoon om te overleven In 1939 werden Gustav Kleinmann, een Weense stoffeerder, en zijn zestienjarige zoon Fritz samen met honderden andere Joodse mannen gearresteerd door de SS. Losgerukt van hun familie werden Gustav en Fritz in eerste instantie naar Buchenwald in Duitsland gestuurd, waar het beruchte concentratiekamp op dat moment werd gebouwd. Het is het begin van een oorlogsverhaal dat zijn weerga niet kent, voor de eerste keer verteld in dit boek. Gustav en Fritz werden gedwongen om te helpen Buchenwald te bouwen. Ze deden loodzwaar werk in de steengroeve van het kamp waaraan veel dwangarbeiders stierven. Toen de ouder wordende Gustav en vierhonderd andere Joden werden geselecteerd voor overplaatsing naar het angstaanjagende nieuwe kamp Auschwitz, kon Fritz het niet verdragen om gescheiden te worden van zijn vader. In een daad van buitengewone liefde en moed bood Fritz zichzelf ook aan voor het transport naar Auschwitz. Zo begon een nieuwe beproeving voor hen allebei, nog wreder en gruwelijker dan hun ervaringen tot dan toe. De pers over De jongen die zijn vader naar Auschwitz volgde 'Hartverscheurend en meeslepend, dit is het meeslepende waargebeurde verhaal van een vader en een zoon die de verschrikkingen overleven. Prachtig geschreven en vol vreselijk aangrijpende details.' Helen Fry, auteur van The London Cage 'De gruwelen van de holocaust worden op menselijke schaal verteld in dit hartverscheurende verslag.'

Publishers Weekly 'Een persoonlijk en universeel verslag van het kwaad op zijn slechtst en van familie op haar best.' Kirkus Review

Raising Dad Aug 09 2021 All parents will tell you they learn as much from their children as their children learn from them. This truth is poignantly captured in Raising Dad: What Fathers & Sons Learn from Each Other by father-son authors Thom and Art Rainer. It was Art's idea to write from a grown child's perspective this tribute to his father's successes as a parent. Inviting his father Thom to write postscripts to these reflections, another tender truth emerged. Dad's memories about his own performance aren't nearly as rose colored, giving those who read the book great inspiration to never stop growing and learning as a parent. All told, Raising Dad shares unforgettable lessons about faith, friendship, commitment, honesty, priorities—all the things that matter most in life between parents and children.

The Dad Who Fathered Me Jan 02 2021 In an age when so many children have been robbed of the opportunity to be fathered by dads who can be looked upon as heroes, The Dad Who Fathered Me, presents cherished memories of a dad who successfully fathered his nine children. It reveals the multiple roles played by a father as seen by one of his daughters. In this book, Albert Benjamin is viewed first, as a dad who provided the genetic ingredients for life; then as an ever-present father who lived and modeled what it takes to be a hero to his children. His many exemplary moments were captured through his scriptural teachings, the empathy he showed for others, his service to his community, providing for his family and others, his unfailing love to his wife and his dedication to his father. Memories shared in this book can serve to help absentee fathers understand the importance of giving their children the gift of a hero. Fathers are specially created beings who are appointed to accomplish a task that can set the tone for a successful and wholesome life for their children and generations to come. Dr. Benjamin-Lambert believes that a father's lasting impact can only be accessed through the deeds and truths he practices and lives by. Through an examination of what a man believes and the life he has lived based on those beliefs, his children are able to realize the gift of his legacy.

Where Is My Father? Jan 14 2022 Special Edition Release, features a hard back book, with a special designed jacket. Statistical data regarding the positive and negative influence of an active father in the lives of his children or the lack thereof is staggering. From how well they do in school, their rate of success in life and their job, to relationships, they all are affected by fathers. Furthermore, (see appendix) research can prove that many of our youngsters in jail come from fatherless homes. Many suicidal cases are from fatherless homes. Many teenage or unwed pregnancies come from fatherless homes. Even many poverty cases are the direct effects of fatherlessness. On the flip side, an extreme amount of successful cases stems from having a present father in the household. I believe fathers are the key to building a better community and a productive and positive culture. I believe this book will be a blessing to sons, fathers, spiritual leaders, wives, mothers and daughters. For it contains keen insight on who you are and/or dealing with in your life. For instance, if you are a wife, your husband is a son to his father whether the father is alive or not and whether they had a good or bad relationship. What is certain is that their relationship has helped to shape and play a very vital role in developing the man you see today. This book is a must read for every spectrum of the family and will give everyone a better grasp on how to help heal and/or release the power of fatherhood in their respective relationships.

In His Father's Shadow Dec 25 2022 From a pampered son who showed little promise, to his rise to the presidency, George W. Bush has transformed himself through acts of will and faith. Stanley Renshon examines the psychological transformation of Bush and identifies those pivotal changes that allowed him to achieve success in his personal life and in the political arena, and shows how Bush's personal transformation has come to shape his political policies. The man who battled--and defeated--his own inner demons has become a president determined to battle the demons of terrorism and extremism that prevent democracy from flourishing around the world. This psychological portrait provides a much-needed antidote to prevailing critiques that ridicule Bush's values and policies, as it celebrates his resolve and strong leadership.
