A guide to planning and writing the extended essay for the International Baccalaureate diploma programme. Developed in cooperation with the IB, this student-friendly, concept-based Course Book has been comprehensively updated to support all aspects of the new English A: Literature syllabus, for first teaching in September 2019. With in-depth coverage of the new Areas of Exploration, global concerns, concepts and conceptual questions, the resource provides a clear and accessible route through the course - from text selection and analysis to assessment. The IB English A: Literature Course Book is available in print, online and as a print and online pack. This coursebook helps students explore the new IB Diploma ab initio themes (first examination 2020): identities, experiences, human ingenuity, social organisation and sharing the planet. Designed for students with no previous background in Spanish, this coursebook develops well-

rounded language skills and encourages learners to become open minded, international citizens - reflecting the mission of the International Baccalaureate. Authentic texts and vibrant images from around the world are specifically selected for older teenagers and to give them an insight into different cultures and viewpoints. Answers to the coursebook activities and audio accompanying the listening exercises are in the teacher's resource. Build confident critical thinkers who can process and articulate complex ideas in relevant, real-life contexts. The enquiry-based approach actively drives independent thought and helps learners connect ideas and frameworks while pushing them above and beyond typical TOK boundaries. Completely mapped to the new 2013 syllabus. A visually-striking and thought-provoking resource to support Visual Arts for the IB diploma. Visual Arts for the IB Diploma student book is tailored to the IB subject guide for first exam 2016. This student book covers each of the core areas of the Visual Arts course and links them to theoretical, art-making and curatorial practices. It includes activities to give students practical ways to learn and reflect on their work, as well as a wealth of case studies and examples of students' work to aid understanding of visual arts in the real world. This coursebook helps students explore the new IB Diploma ab initio themes (first examination 2020): identities, experiences, human ingenuity, social organisation and sharing the planet. Designed for students with no previous background in Spanish, this coursebook develops well-rounded language skills and encourages learners to become open minded, international citizens - reflecting the mission of the International Baccalaureate. Authentic texts and vibrant images from around the world are specifically selected for older teenagers and to give them an insight into different cultures and viewpoints. Answers to the coursebook activities and audio accompanying the listening exercises are in the teacher's resource. Our bestselling IB Diploma course book for Economics has been revised and updated in line with the 2011 syllabus change. Now in colour, with increased diagrams and photographs to support students' learning as well as a CD-ROM that contains 17 handy revision sheets, specimen papers, glossary, and weblinks for further research. Packed full of interactive activities, this print and digital Course Book pack has been developed directly with the IB to fully reflect all aspects of the new language acquisition syllabus, for first teaching in September 2018. Packed full of support straight from the IB, this comprehensive text was written by authors of the 2011 syllabus and most accurately matches the 2011 specification. Containing unrivalled assessment preparation, the challenging and engaging approach will ensure learners excel. An expertly written Spanish B course now updated for first examination 2020, providing students with thought-provoking materials to help them develop strong language skills and solid critical thinking. The coursebook helps students develop their Spanish language skills as they explore the five themes from the new IB Diploma Language B guide: identities, experiences, human ingenuity, social organisation and sharing the planet. Each unit begins with 'big questions' that get learners thinking about global topics such as, 'how do we express our identity?' These help students appreciate wider issues before developing their reading, writing, speaking and listening skills through international texts, practice exercises and activities in the style of the exam. Answers to questions and audio files for the listening exercises are in the teacher's resource. This Psychology for the IB Diploma series is for examination from 2019. Delve into human behaviour by studying real cases in this coursebook for the IB Psychology syllabus. Through studies of famous psychologists, students learn about the diversity of human behaviour and the factors that influence our decisions. International case studies and concise definitions of important concepts make this an ideal resource for learners whose first language is not English. Exam-style questions at the end of every chapter help students prepare for assessment. The coursebook covers both Standard and Higher Level content and suggested answers to the coursebook questions are at the back of the book. The most comprehensive,

challenging and engaging, this text was developed with the IB to match the 2011 syllabus for SL and HL. With unparalleled insight into IB assessment, complete with examiner guidance, it will concretely equip your learners to tackle the course and assessment. Developed directly with the IB, dedicated assessment support straight from the IB builds confidence, and student samples drive critical thought on constructing strong responses. The most comprehensive coverage of the core content Being Human, this course book will help learners grasp complex philosophical ideas and develop crucial thinking skills · The most comprehensive coverage of the core content Being Human, developed directly with the IB · Engage learners in the course, with excerpts from a range of philosophers spurring critical discussion · Help students understand exam achievement levels and progress attainment with clear student samples · Assessment support straight from the IB cements assessment potential · Support all learning styles and simplify complex philosophical ideas using clear visuals and illustrations · Reinforce all key ideas with integrated activities helping extend and deepen understanding About the series: IB Diploma Course Books are essential resource materials designed in cooperation with the IB to provide students with extra support through their IB studies.
