Discover how the healing power of crystals can be used to enhance the wellbeing and happiness of the animals in your care. Crystal healing is as effective and potent a healing art today as it was in the time of the ancient Egyptians. It is even more effective with animals than for humans, and any pet owner or animal caregiver can easily learn to master the basic techniques of choosing and cleansing crystals, dowsing and crystal massage, making crystal essences, and the use of crystal layouts in healing. *Crystal Healing for Animals* explains these methods in plain and simple language and will be useful for beginners and experienced crystal users alike. Crystal healing allows us to take an active role in the health of our animal companions, in the sure knowledge that we can do no wrong. Crystals have a healing energy that is powerful and profound, but is completely safe and gentle. Take a guided tour of thirty of the most commonly used and effective healing crystal and gemstones, showing how you can easily and inexpensively build up a collection that will last a life time and go on providing healing support to your animal friends as the years go by. Animal problems covered include: abuse and trauma, allergies, bereavement and grief, hyperactivity, constipation, inflammation, low immunity, muscle strains and pains, post-surgical recovery, stress, training problems and animal/human relationships, and much more. This book also contains special sections on training and animal rescue, showing the role that crystals can play in this context. Martin Scott and Gael Mariani are the founders and directors of the Society for Animal Flower Essence Research (S.A.F.E.R). They are the authors and tutors of many courses on natural animal healthcare including the Animal Care College's

Complementary Therapies for Pets. They have lectured internationally on the subject. S.A.F.E.R provides training and education to UK animal welfare charities such as the Cinnamon Trust and RSPCA. Scott and Mariani are Tutors and course writers, Animal Care College; Associates of and advisors to the Canine and Feline Behaviour Association; and Former Fellows of the British Institute of Homeopathy. They are the authors of Bach Flower Remedies for Dogs and Bach Flower Remedies for Cats. Good!! If you're reading this now, it's not a Coincidence. You're interested in Learning how Crystals and Stones works and their Magical Healing Powers.!! The term Crystal comes from the Greek. It originally meant as much as frost, freezing cold or ice. The reason for this is the similarity of Crystals with frozen water, which in this state of aggregation becomes a Crystal. Since people could not explain the formation of the Crystals that they found, especially the rock Crystal was still considered until the Middle Ages for deeply frozen ice that cannot melt. For those who are not familiar with the use of gems, crystals, and metals in the treatment of Ailments, whether Physical, Emotional, or Spiritual. From the bestselling author of Lunar Living comes the ultimate guide to crystals and how they can help you live your best life. This is the one book you need in order to understand how crystals can enhance your everyday life and look after you. In Part 1, Kirsty explores what crystals are, how they work, before going on to explain how you choose, care for and programme them, and how to go about using them. Then, in Part 2, Crystals for Self-Care delves deeper into the many areas in which crystals work their magic. Chapters include Crystals for Love and Relationships, Crystals for Stress and Anxiety and Crystals for Work and Business. Crystals for Self-Care will leave you feeling empowered, supported and ready to embark on your own crystal journey! The Power of Crystal Healing will focus primarily on practical application of stones as a source of healing for afflictions ranging from fatigue to high blood pressure. Uma Silbey, applying her 40 years of experience, presents proven crystal and stone techniques that work to heal the body, mind, emotions, and spirit. Step-by-step instructions for both the beginner and the advanced show how to use crystals to help heal a diverse array of physical ailments like the flu and colds, cancers, nerve and blood disorders, migraine headaches, exhaustion, and stress, as well as emotional concerns like anger and depression, shame and guilt, loss, heartbreak, and finding love. The use of crystals to help heal common mental issues, such as anxiety and narcissism, OCD, suicidal ideation, PTSD, abusive behaviors, and self-harm, is also included. Though the use of crystals themselves can lead to a vastly expanded consciousness, the ability to "feel" or sense the vibrational fields that form the basis of all manifestation can help develop vast intuitive and psychic abilities and bring a deep sense of self. Specific techniques are given to help accelerate these processes. With easy-to-follow instructions, guidelines for building a personal "Crystal Healing Kit," a diverse array of practices and powerful meditations, and over 100 beautiful pictures of the most powerful healing stones, this book will be an amazing first step for readers seeking a path of transformative healing. Find comfort, balance, and emotional healing with crystals. Discover how crystals and healing stones can help you fight stress,

cope with anxiety and feelings of being trapped, and more as you explore the basics of crystal healing using this beginner's guide. Harmonize and heal your body, spirit, and mind to change your life with this crystal and chakra healing book. If you want to understand why crystals and gemstones have a magical healing power and how to make them work to get health and positive energy in your life, then keep reading... Crystals have power, and there is a way to harness it. From the dawn of time, crystals have been a source of power and healing for all living beings. Humans discovered that these magical stones could do miraculous things and so built their cultures around them. They used them to create powerful magic, they gave them to their rulers to give them divine guidance, and they used them to make their average lives more magical in even the smallest ways. In modern times, crystals play a crucial role in our lives; they are utilized in technology. However, the true power of crystals goes beyond parts of a motherboard and cell phone screens. Crystals have never lost their magical touch, and this book will guide you through the world of crystals and teach you many things about them, such as the following: The miracle of how crystals are born The multiple shapes of crystals Where crystals get their powers Why the appearance of a crystal can guide you The reason why you and your loved ones can use crystals, even if you're completely different What these magical little stones have to do with chakras and meditation How you can use crystals to improve your life, even if you've never tried crystal healing before Which crystals you should use for what it is you want to do Many do not believe that crystals have any power, regarding any supposed healing properties as mumbo-jumbo. They might say crystal healing is nothing more than a placebo, and your mind is tricking itself into thinking crystals are magical - but they're wrong. You and I both know better than that. A single crystal might not have the power to shoot magical laser beams that can destroy the whole universe, but we know that somewhere deep inside every amethyst, rose quartz, and malachite is the power to channel our psychic powers, attract love, and heal all kinds of pain and illness. Let this book be a map to guide you through the many wonders and abilities that these beautiful stones hold, hidden just beneath the surface. Judy Hall, author of the bestselling *Crystal Bible*, offers us a fresh way of looking at 12 master healing crystals in this key to opening your higher awareness. *Crystal Healing* looks at seven crystals attuned to the seven chakras (the body's energy centers) and five "master healer" stones that can be used singly or in combination to relieve stress, promote relaxation, balance the emotions, and invigorate body, mind and spirit. Clear color photographs, along with useful charts, diagrams and grids combine with complete instructions. Special features such as a chart on using crystals for specific ailments make this portable volume a terrific addition to your purse or bed table. Create positive change through the power of crystals. Whether you're working through grief or holding onto grudges, seeking peace or deepening gratitude, *Crystals for Healing* offers the basics for beginners to explore the deep connection between mind, body, and spirit. The word heart can be used in so many different ways. We talk about putting our hearts into our work and wearing our hearts on our sleeves. There are people who are warmhearted and those willing to heal your heartache. Each of us has likely known the pangs of conflict between the head and heart. For all the trials and pains of

daily living, many people are taught to distance themselves from their hearts in order to avoid folly and failure. The truth is that only in embracing the language of the heart can we truly know who we are and where we are going. Focusing on the role of crystals in the journey to wholeheartedness, Nicholas Pearson reveals how the heart, as the literal and metaphorical center of one's being, has the power to lead us to greater balance, healing, and happiness. He explores the anatomy of the physical heart and its spiritual symbolism and shows how its four chambers are related to the four elements. Offering hands-on exercises and meditations with more than 60 gemstones and minerals, each a specific heart-healing stone, the author explains how to build a better relationship with the heart as your spiritual center as well as how to fortify your heart with emotional strength, reclaim your will, and cultivate forgiveness. He shows how your heart is the coordinator of your energy field and is itself a sensory organ and information processor, working to enact healing on many levels. He also looks at the heart chakra and how the higher heart chakra is evolving. Providing stone-supported lessons for applying a heart-centered approach in daily life, from expressing yourself to nurturing romantic relationships in a meaningful way, the author shows how the journey to wholeness and wholeheartedness isn't always easy, but it cannot be undertaken without first spending time to hear the soft, gentle voice of your heart and embrace the transformational force of inner alchemy known as love. This new edition of the authoritative *The Essential Crystal Handbook* (Duncan Baird 1999) reveals the full power and mystery of these gems, which can heal our spirits and enhance our lives. More than 100 crystals are grouped by color and presented individually through color photography and in-depth discussions of appearance. This unique book examines the basic principles underpinning the fascinating art of crystal healing. Presented in a simple, easy-to-read style, it is a classic, key piece of writing for anyone seeking to unlock the powerful healing properties of more than 120 crystals. The result of twelve years' research and personal study, author Michael Gienger presents here an exhaustive examination of the therapeutic and healing properties of crystals for all our spiritual, mental and physical needs. Containing a wealth of stunning colour photography and detailed descriptions of crystals and their application, this ground-breaking work provides the first ever comprehensive survey of the art of crystal healing. A full-color guide to crystal massage for healing, energy balance, and stress release in the physical, emotional, and energetic bodies • Illustrates full-body massage techniques with crystal wands, crystal spheres, polished stones, and amber • Details the healing properties of more than 50 crystals and gemstones and how to select the proper one for a specific condition • Explains how to cleanse and recharge crystal, gemstone, and amber after each massage so energies are not transferred from one person to another In this full-color illustrated guide, Michael Gienger, along with contributors Hildegard Weiss and Ursula Dombrowsky, details the energetics and healing properties of more than 50 crystals and gemstones for use in massage. The book explains how to select the proper crystal or stone to aid healing of a specific condition as well as for relaxation and stress release. It illustrates specific massage techniques with crystal wands, crystal spheres, and polished stones that best utilize the crystal or stone's properties and shows how to perform a full-body massage that works on several levels--physical, ethereal, mental, and spiritual--depending on how the crystals are applied. Explaining how crystals absorb energy and information during a massage, the guide shows how to cleanse and recharge their energetic fields so energies are not transferred from one person to another. It also details how to rebalance and replenish your own energy after giving a massage. The book also includes a detailed chapter on the harmonizing effects of

amber massage, complete with a step-by-step illustrated massage sequence. Amber's unique electromagnetic vibrations make it especially conducive to creating homeostasis in the body and thus a beneficial addition to any crystal or stone massage practice. With this complete illustrated guide, anyone can enhance their massage practice or self-healing through the powerful effects of crystals, gemstones, and amber. Crystals and Stones: A Complete Guide to Their Healing Properties helps readers to incorporate the healing power of stones into daily life. Aimed at both beginners and experts, the book showcases nearly 200 crystals and stones, describing their impact on human beings' physical, mental, emotional, and spiritual states. The book begins with historical background and practical considerations, such as how stones work and how to clean and recharge their energy. The relationship of stones to chakras is explored, as are practices such as channeling via certain powerful crystals. The heart of the book is an A to Z guide covering everything from amber to zoisite that explains which stones are most effective for particular medical conditions, emotional and energy blockages, and spiritual impasses. Stones and crystals have been important tools for health and spiritual transformation for millennia. This book shows modern readers how to best utilize those tools. "If we could follow the step by step transformation of coal into diamond, we would discover what enabled Prince Siddhartha to 'awaken' and become this Being of Light known to this day as the Buddha."—from the book "This book contains all the information you will need to learn the different healing properties of many crystals and minerals and how to apply them to gain the best results to heal yourself using the natural energies held within the crystals"--Back cover.
