Millions of married couples have pledged to "love and to cherish, until death do us part." Most of us understand and get the love part... but what does it mean to cherish your spouse? Why do we say it once at the wedding and then rarely ever mention it again? In this six-session video Bible study (DVD/digital video sold separately), bestselling author Gary Thomas draws on personal stories and teachings from the Bible to show how cherishing can have a powerful effect on marriage. Learning to truly cherish each other turns marriage from an obligation into a delight. It lifts marriage above a commitment to a precious priority. Cherish is the melody that makes a marriage sing. If you find yourself going through the motions in your marriage, Thomas will walk you and your spouse through real ways to reverse the pattern: Erase contempt and honor your spouse Stop comparing and focus on the unique traits in your spouse Let go of hurts and forgive your spouse Go beyond serving and showcase your spouse Don't stop trying. The more you cherish your spouse, the more you will cherish your spouse. Many couples survive by gritting their teeth and holding on. Or they find themselves just "going through the motions" in their relationship. But cherishing your spouse can reverse this pattern. Cherishing can breathe light, hope, and new life into a marriage--even one marred by

neglect and disrespect. The Cherish Study Guide includes video discussion questions, Bible exploration, and personal study and reflection materials for in-between sessions. Sessions include: To Love and to Cherish Your Honor Taking Your Marriage to the Next Level Cherishing Your Unique Spouse This Is How Your Spouse Stumbles Keep on Cherishing Designed for use with Cherish Video Study (sold separately). Companion to Til Death Do Us Part Jilted by his fiancé two weeks before their wedding, Nash Marino's outlook on life in general, and love in particular, is jaded. After months of couch-surfing, Nash is fed up. He's sick and tired of his living conditions, worn out by the demands of his nursing job, and despairs of ever finding love again. In fact, he doesn't think he's capable of true love. Monogamy, commitment, companionship, and regular sex ... that's all he wants, and the sooner, the better. When Nash crosses paths with a like-minded man who's also in need of a live-in nurse for a beloved relative, Nash figures all his problems are solved. But matters are complicated by a freak accident and amnesia. When Nash's marriage of convenience scheme is muddied by notions of love after his memory reboot, will their plans go awry, or will Nash's new outlook on life be just what the doctor ordered? Although she is certain that she and longtime boyfriend Don will eventually marry, Candace McFarren is nevertheless caught off guard by her feelings for Nick Julianna, an adventurous young man who has just moved from New York to Dallas When Carl returns to their small Amish community, Emma must choose between her childhood love and Thomas, the strong, quiet widower who always seems to be underfoot. From USA Today Bestselling Author Leigh Greenwood comes a historical Western romance filled with gritty cowboys, strong-willed women, and a whole lot of heart in the Wild West Laurie Spencer should not feel relieved after burying her husband, but she does. Jared Smith's determined to make it in Texas, but with the local banker turned against him, it looks like his dream may be slipping through his fingers.
